Also included: Year at a Glance Goal Setting and Reflection 2-Page Monthly Spreads 2-Page Weekly Spreads 12 Pages of Customizable Student Checklists Student Behavior and Parent Contact Logs Student Accommodations, Allergies, and Medication Logs Classroom Library Checkout Sheets Dot-Grid Seating Chart Pages Classroom Expense Records You won't find swirly lettering or typography here, but you will find all of the things you need as a high school teacher in a stylish, easy to use planner. And you won't find a high school teacher planner like this anywhere else - we offer a unique layout specifically geared to what secondary teachers need. Whether you teach English, History, Math, Science, Music, or any other middle or high school subject, this planner is perfect for you! It's is large enough (8.5 x 11 in; 21.59 x 27.94 cm) to give you plenty of space for organizing and planning your year, and the bold white paper is robust enough for the pen of your choice while minimizing bleed through. Of course, pencil works great, too! The book industry perfect binding is the same standard of binding used by your local library, so you know it's a sturdy book that can handle all of your work. The cover is matte and strong.
