Locating Nordic Noir Kim Toft Hansen, Anne Marit Waade, 2017-10-14 This book is a comprehensive study of Nordic Noir television drama from the 1990's until today. The authors introduce the history of contemporary Nordic Noir from the perspective of place, production and location studies. The chapters include readings of well-known television crime dramas such as Beck, The Killing, Trapped and The Bridge as well as a range of other important Nordic Noir cases. The authors position the development of Nordic Noir in the global market for popular television drama and place the international attention towards Nordic crime dramas within regional development of drama production in Sweden, Denmark, Norway and Iceland. Consequently, Nordic Noir is read as both a transnational financial and creative phenomenon and as a local possibility for community building. Offering a comprehensible, scholarly and methodologically original approach to the popularity of Nordic television crime dramas, this volume is aimed at readers with an interest in crime drama as well as scholars and students of television drama.

The End of Normal Stephanie Madoff Mack, 2011-10-20 A New York Times bestseller, *The End of Normal* is the explosive and heartbreaking memoir from the widow of Mark Madoff and the daughter-in-law of Bernard Madoff. When the news of Bernard Madoff's Ponzi scheme broke, no one was more shocked than the members of his own family. Before then, Madoff's son, Mark, and daughter-in-law, Stephanie, had built an idyllic life. Yet, while Mark's thriving business was entirely separate from his father's now notorious fund, he and Stephanie found themselves in the eye of the storm—and grappling with their own sense of betrayal. Mark refused to see or speak to his parents, and on the second anniversary of his father's arrest, he hanged himself. Left to raise her children as a single mother, Stephanie tells the real story of her marriage to Mark, of being a part of the Madoff family, and of life for two years following her father-in-law's arrest and incarceration. *The End of Normal* is a searing inside look at one of the most controversial stories of our time, and an extraordinary memoir of surviving personal tragedy amid public scandal.

Made in Sweden Elisabeth Åsbrink, 2019-04-30 What are the real Swedish Values? Who is the real Swedish Model? In recent times, we have come to favour all things Scandi – their food, furnishings, fiction, fashion, and general way of life. We seem to regard the Swedes and their Scandinavian neighbours as altogether more sophisticated, admirable, and evolved than us. We have all aspired to be Swedish, to live in their perfectly designed society from the future. But what if we have invested all our faith in a fantasy? What if Sweden has in fact never been as moderate, egalitarian, dignified, or tolerant as it would like to (have us) think? The recent rise to political prominence of an openly neo-Nazi party has begun to crack the illusion, and here now is Swede Elisabeth Åsbrink, who loves her country 'but not blindly', presenting twenty-five of her nation's key words and icons afresh, in order to give the world a clearer-eyed understanding of this fascinating country ...

The Philosophy of Art History (Routledge Revivals) Arnold Hauser, 2018-12-07 First published in 1959, this book is concerned with the methodology of art history, and so with questions about historical thinking; it enquires what scientific history of art can accomplish, what are its means and limitations? It contains philosophical reflections on history and begins with chapters on the scope and limitations of a sociology of art, and the concept of ideology in the history of art. The chapter on the concept of art history without names occupies the central position in the book – thoroughly discussing the basic philosophical outlook for the whole work. There are also further chapters on psychoanalysis, folk art and popular art. The chapter on the role of convention in the history of art points the way for further study.

The Centered Life Jack Fortin, 2006 Is there an alternative to a fragmented, frantic, meaningless life? Jack Fortin finds it in a life centered in God. Spiritual exercises, questions for reflection, and discussion in every chapter make this a timely and valuable resource for individuals and congregational study groups.

Twelve Years a Slave Solomon Northup, 2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Northup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.
