Study Guide for Use with Financial Accounting Robert Libby, Patricia A. Libby, Daniel G. Short, 2003 Libby/Libby/Short wrote this text based on their belief that the subject of financial accounting is inherently interesting, but financial accounting textbooks are often not. They believe most financial accounting textbooks fail to demonstrate that accounting is an exciting field of study and one that is important to future careers in business. When writing this text, they considered career relevance as their guide when selecting material, and the need to engage the student as their guide to style, pedagogy, and design. Libby/Libby/Short is the only financial accounting text to successfully implement a real-world, single focus company approach in every chapter. Students and instructors have responded very favorably to the use of focus companies and the real-world financial statements. The companies chosen are engaging and the decision-making focus shows the relevance of financial accounting regardless of whether or not the student has chosen to major in accounting.

Pantsuit Nation Libby Chamberlain, 2017-05-09 An inspiring collection of stories and photographs that capture what it means to live, work, love, and resist in America—from the Facebook group with millions of engaged and impassioned members. In October 2016, Maine resident Libby Chamberlain created a “secret” Facebook group encouraging a handful of friends to wear pantsuits to the polls. Overnight, the group of thirty exploded to 24,000 members. By November 8, the group was three million strong. Since *Pantsuit Nation*’s inception, its members have shared personal stories that illustrate the complexities of living in a vibrant, oftentimes contentious democracy. Members turn to *Pantsuit Nation* as a place of refuge and inspiration, where marginalized voices are amplified, faces are put to political decisions, resources are shared, and activism is ignited. It is a dynamic, diverse community united by an unwavering commitment to building a more just, inclusive world. Now, hundreds of *Pantsuit Nation* members have contributed their stories and photographs to form this extraordinary book. An indelible testament to the idea that change comes first from the heart, and that the surest way to move a heart is to tell a story, *Pantsuit Nation* is a portrait of a moment in history and a rallying cry for our time.
