Luther's Christmas Sermons Martin Luther, 1908

Martin Luther's Christmas Book Martin Luther, Martin Luther's conception of the Nativity found expression in sermon, song, and art. This beautiful gift edition of a classic collection combines all three.

Luther's Christmas Sermons Martin Luther, 2014-12-19 In his Christmas sermons, Martin Luther stripped away all fables and legends to the Christmas tradition and, instead, preached a simple message supported by the text of Scripture. In so doing, Luther taught that God prefers to come to the simple, to people who are doing what the Scriptures teach. And, more importantly, that Jesus came to lay down his life for our salvation.

jForeword, It is now a year since The Luther Press issued its last volume, *Luther on Christian Education*, containing his best catechetical writings. We are happy in assuring the growing list of advance subscribers, however, that the enterprise has received no backset. On the contrary, it has grown in every respect, especially in the efficiency of our co-laborers and in the favor it has received from our institutions of learning. The problem of the young people is the burning question at present; and as *Catechetics* is about the only branch of theology teaching future pastors their duties to the young, the last volume met a long-felt want, both as a text-book and as a help for side reading on many subjects. For example, the president of one institution ordered one hundred copies and turned his whole school into a Luther-class for one period every Thursday afternoon to study it. The experiment was a success. It is better to study the classics Luther wrote than what others have written about him. He is, in the best sense, modern, up-to-date, the prophet of our times. Read him, and judge for yourself. State schools also support chapel services, a Y. M. C. A. and occasional Christian sermons and lectures. But church schools are expected to do more. It is indeed a sad sight to see a foundation going to ruin because the building is not erected. Supporters of Christian schools are now beginning to realize that the only reason for their existence is that they are Christian. No church lays a better foundation in the hearts of the young for Christian culture than the Lutheran and no worse advertisement of a Lutheran school is conceivable than for its students to return home without any growth or development in harmony with their catechism...

Sermons for Advent and Christmas Day Martin Luther, 2017-06-21 Emphasizing salvation based on faith in the merits of Jesus Christ alone, Martin Luther dealt the symbolic blow that began the Reformation when he nailed his Ninety-Five Theses to the door of the Wittenberg church. That document contained an attack on papal abuses and the sale of indulgences by Catholic Church officials. In this unique volume, the reader will find Luther's most significant sermons for Advent and Christmas Day, following the church year's lectionary readings associated with the major feasts and fasts. Luther wrote thousands of pages of exposition during his life, but this book makes available in a single volume a core collection of his writing for this liturgical season, featuring Scripture readings that include the most familiar events from the life of Jesus. Other volumes in this series include Luther's sermons for the Sunday after Christmas Day, New Year's Day, and Epiphany, and his sermons for Lent and Easter through Trinity Sunday (including Christ's Ascension and Pentecost). These writings represent the heart of Luther's thoughts on the Christian faith and his ideas for practical faith in that life.

The Complete Sermons of Martin Luther, Volume 3 Luther, Martin, Martin Luther's collected sermons for the church year were originally called postil or postilla (in German: Postille) which was originally a term for Bible commentaries. It is derived from the Latin post illa verba textus (after these words) referring to Biblical readings. Luther's postil was published in two series: the Church Postil and the House Postil. His published sermons and catechisms were by far his most popular. They did more to teach people the Reformation than any other book. Luther intended his postils to serve common pastors and people, and therefore was one of the greatest educational and devotional books of the Reformation. From the time Martin Luther published the first part in 1521, every annual cycle of sermons on the lessons, whether consisting of homilies or formal sermons, is termed a postil. This unabridged edition of Luther's writings of the works of Martin Luther is an accurate and clear translation. We have Presents the Church Postil as the mature Luther wanted it to be. It includes Luther's extensive revisions to his own work. For those who are not familiar with the Church calendar year we have elected to number and title each sermon accompanied with a short description of the contents accompanied by the Bible verse. Thus it will look something like this: NO. 1 A KING ARRIVES FIRST SUNDAY IN ADVENT A Discourse on Christ Coming into Jerusalem TEXT: Matthew 21:1-9. The primary basis for the work is the comprehensive the 1905 translation of Luther's Church Postil by John Nicholas Lenker of which volumes 1-5 were originally published in Minneapolis by Lutherans of All Lands, 1904-1906, and volumes 6-8 were originally published in Minneapolis by The Luther Press, 1908-1908. In 1986 Baker Books reprinted this work. For convenience we have maintained the volume numbers of the more recent Baker Books reprint rather than the original volume numbers. Vol. 1. Martin Luther's Easter Book Martin Luther, 1997-11-01 This powerful book of passages from Martin Luther's Easter sermons portrays the reformer's lasting thoughts on faith, human imperfection, salvation through grace, and the wonder of God. The sermons explore events from Holy Week through the Resurrection. They combine marvelous insights with inspiring calls to action that are so characteristic of the great reformer: The resurrection consists not in words, but in life and power.

Christmas Sermons Friedrich Schleiermacher, 2019-09-11 New discoveries arise alongside memories in every Christmas sermon that Friedrich Schleiermacher (1768-1834) ever delivered. This book invites readers into an informed experience of Christmas through eleven sermons. In these pages readers watch Schleiermacher lay discovery and memory side by side, because this is how his own famed systemic theological views of Christian faith and life developed throughout his life. These sermons evoke first curiosity then wonderment at the prospects reading can open. For Schleiermacher, Christmas was always a special time to engender such experiences—a time to survey different vistas of Jesus' birth and career. Schleiermacher lived when the modern age was being born. He contributed substantially to that birth and to the health of modern times. His sermons collected here display the main theological grounds for his worldview, which is still quite timely today.

Sermons II Martin Luther, 1974 This volume includes selections from the Christmas Postil, specifically sermons on the Gospel lessons for Christmas Eve, the Early Christmas Service, St. Stephen's Day, the Sunday after Christmas, New Year's Day, and the Festival of the Epiphany.
