Dago Red John Fante, 1940

Ask the Dust John Fante, 2010-05-18 *Ask the Dust* is a virtuoso performance by an influential master of the twentieth-century American novel. It is the story of Arturo Bandini, a young writer in 1930s Los Angeles who falls hard for the elusive, mocking, unstable Camilla Lopez, a Mexican waitress. Struggling to survive, he perseveres until, at last, his first novel is published. But the bright light of success is extinguished when Camilla has a nervous breakdown and disappears . . . and Bandini forever rejects the writer's life he fought so hard to attain.

The Wine of Youth John Fante, 2010-06-01 This new edition of the legendary *Dago Red*, first published in 1940, contains seven new stories, including *A Nun No More* and *My Father's God*.

John Fante Stephen Cooper, David M. Fine, 1999 Over the span of a half-century - from the early 1930s to the early 1980s - the Italian-American Fante (1909-1983) wrote short stories and novels that drew on his own life from his Catholic childhood in Colorado through his down-and-out days in Los Angeles, to his adventures as a screenwriter in Hollywood. He writes about all these things with gusto, humor, directness, and an honesty tinged with the irony of a true modernist.--BOOK JACKET.

Fante Dan Fante, 2011-08-30 No two lives could have been more different, yet similar in a few essential ways than John and Dan Fante's. As father and son, John and Dan Fante were prone to fights, resentment and extended periods of silence. As men, they were damaged by alcoholism. As writers, they were compelled by anger, rage and unstoppable passion. In *FANTE*, Dan Fante traces his family's history from the hillsides of Italy to the immigrant neighborhoods of Colorado to Los Angeles. There, John Fante struggles to gain the literary recognition he so badly craves, and despite the publication of his best known work, *ASK THE DUST*, he turns to the steady paycheck of Hollywood, working as a screenwriter to support his family. We follow Dan through a troubled childhood to his discovery of life's vices through work as a carnival barker and later as he hitchhikes to New York City, where he drives a taxi for twelve years. While John Fante's rage over his perceived failures as a writer and his struggle with debilitating diabetes make him more and more miserable, Dan struggles with alcoholic blackouts, suicidal thoughts and what he deems a broken mind. John was a writer whose literary contributions were not recognized until the end of his life. Dan was an alcoholic saved by writing, who at the age of 45 picked up his father's old typewriter in order to ease the madness in his mind. *Fante* is the story of the evolution of a relationship between father and son who eventually found their way back to loving each other. In straightforward unapologetic prose, Dan Fante lays bare his family's story from his point of view, with the rage and passion of a writer, which he feels was his true inheritance and his father's greatest gift.

The Brotherhood of the Grape John Fante, 2010-06-01 Henry Molise, a 50 year old, successful writer, returns to the family home to help with the latest drama; his aging parents want to divorce. Henry's tyrannical, brick laying father, Nick, though weak and alcoholic, can still strike fear into the hearts of his sons. His mother, though ill and devout to her Catholicism, still has the power to comfort and confuse her children. This is typical of Fante's novels, it's autobiographical, and brimming with love, death, violence and religion. Writing with great passion Fante powerfully hits home the damage family can wreck upon us all.

John Fante Richard Collins, 2000 John Fante, an important figure in the history of the Italian-American novel, is proving to be fascinating to contemporary readers. Richard Collins has caught Fante's spirit from several crucial angles: as an ethnic writer; as a comic novelist; as a serious writer struggling to remain so in Hollywood. Intelligent, balanced, informative, and empathetic, this book combines criticism with scholarship, and biography with history to make what Henry James would have called a perfect 'literary portrait,' for it gives life to an interesting subject.

The Bandini Quartet John Fante, 2014-08-14 Possessing a style of deceptive simplicity, emotional immediacy and tremendous psychological point, among the novels, short stories and screenplays that complete his career, Fante's crowning accomplishment is the Arturo Bandini tetralogy. This quartet of novels tell of Fante's fictional alter-ego Bandini, an impoverished young Italian-American escaping his suffocating home in Colorado for Depression-era Los Angeles. In the beginning, it is the triple weights of poverty, father and Church that Bandini struggles under but though the physical escape is complete, the psychological imprint continues as he comes to terms with love, desire and the knowledge his talent may not be recognized.

West of Rome John Fante, 2010-05-25 *West of Rome's* two novellas, *My Dog Stupid* and *The Orgy*, fulfill the promise of their rousing titles. The latter novella opens with virtuoso description: His name was Frank Gagliano, and he did not believe in God. He was that most singular and startling craftsman of the building trade—a left-handed bricklayer. Like my father, Frank came from Torcella Peligna, a cliff-hugging town in the Abruzzi. Lean as a spider, he wore a leather cap and puttees the year around, and he was so bowlegged a dog could lope between his knees without touching them.

1933 Was A Bad Year John Fante, 2010-05-18 Trapped in a small, poverty-ridden town in 1933, under pressure from his father to go into the family business, seventeen-year-old Dominic Molise yearns to fulfill his own dreams.

Language and Slavery Jacques Arends, 2017-07-26 This posthumous work by Jacques Arends offers new insights into the emergence of the creole languages of Suriname including Sranantongo or Suriname Plantation Creole, Ndyuka, and Saramaccan, and the sociohistorical context in which they developed. Drawing on a wealth of sources including little known historical texts, the author points out the relevance of European settlements prior to colonization by the English in 1651 and concludes that the formation of the Surinamese creoles goes back further than generally assumed. He provides an all-encompassing sociolinguistic overview of the colony up to the mid-19th century and shows how ethnicity, language attitude, religion and location had an effect on which languages were spoken by whom. The author discusses creole data gleaned from the earliest sources and interprets the attested variation. The book is completed by annotated textual data, both oral and written and representing different genres and stages of the Surinamese creoles. It will be of interest to linguists, historians, anthropologists, literary scholars and anyone interested in Suriname.

Ham On Rye Charles Bukowski, 2009-10-13 "Wordsworth, Whitman, William Carlos Williams, and the Beats in their respective generations moved poetry toward a more natural language. Bukowski moved it a little farther." —Los Angeles Times Book Review In what is widely hailed as the best of his many novels, Charles Bukowski details the long, lonely years of his own hardscrabble youth in the raw voice of alter ego Henry Chinaski. From a harrowingly cheerless childhood in Germany through acne-riddled high school years and his adolescent discoveries of alcohol, woman, and the Los Angeles Public Library's collection of D.H. Lawrence, *Ham on Rye* offers a crude, brutal, and savagely funny portrait of an outcast's coming-of-age during the desperate days of the Great Depression.

Wait Until Spring, Bandini John Fante, 2010-05-25 He came along, kicking the snow. Here was a disgusted man. His name was Svevo Bandini, and he lived three blocks down that street. He was cold and there were holes in his shoes. That morning he had patched the holes on the inside with pieces of cardboard from a macaroni box. The macaroni in that box was not paid for. He had thought of that as he placed the cardboard inside his shoes.

Dreams from Bunker Hill John Fante, 2010-05-18 My first collision with fame was hardly memorable. I was a busboy at Marx's Deli. The year was 1934. The place was Third and Hill, Los Angeles. I was twenty-one years old, living in a world bounded on the west by Bunker Hill, on the east by Los Angeles Street, on the south by Pershing Square, and on the north by Civic Center. I was a busboy nonpareil, with great verve and style for the profession, and though I was dreadfully underpaid (one dollar a day plus meals) I attracted considerable attention as I whirled from table to table, balancing a tray on one hand, and eliciting smiles from my customers. I had something else beside a waiter's skill to offer my patrons, for I was also a writer.

Will You Please Be Quiet, Please? Raymond Carver, 2015-05-25 The first collection of stories from "one of the great short story writers of our time" (The Philadelphia Inquirer) breathed new life into the American short story, showing us the humor and tragedy that dwell in the hearts of ordinary people. [Carver's stories] can ... be counted among the masterpieces of American Literature. -The New York Times Book Review One of the great short story writers of our time-of any time. -The Philadelphia Inquirer The whole collection is a knock out. Few writers can match Raymond Carver's entwining style and language. -The Dallas Morning News

The Big Hunger John Fante, 2010-09-07 Published here for the first time, this text presents a collection of recently-discovered stories by John Fante.

Rome the Second Time Dianne Bennett, William Graebner, 2009 Designed for the tourist seeking a fresh, authentic, Roman experience, this intimate, stimulating guide explores Rome's splendid modern architecture, its bustling close-in neighborhoods, and its rivers, magnificent fountains, and aqueducts. Itineraries take the reader to Fascist and occupied Rome of World War II, the nearby Alban Hills, and the Eternal City's lesser-known green spaces. Innovative chapters feature cultural and artistic Rome, including art galleries, jazz clubs, film locations, and rooftop bars--even places that offer a sumptuous (and free) vernissage of wine and hors d'oeuvres. With Bill and Dianne as guides--their voices part of the experience--the curious traveler will discover a housing project built under Mussolini; ascend a little-known holy Roman road on the city's outskirts; spend an evening in the out-of-the-way, artsy neighborhood of Pigneto; enjoy a trattoria where only Italians eat; and, among the book's many informative, creative sidebars, find in one the troubling story of Rome's Jewish community, and in another locate sites in Angels & Demons. 16 maps, 70 photos, an index, and detailed directions and instructions (including websites) make this new Rome easily accessible. For the frugally-minded, at times adventurous (at times armchair) traveler. Foreword by Rome Mayor Walter Veltroni.

An Introduction to the Languages of the World Anatole Lyovin, Brett Kessler, William Ronald Leben, 2017 Unique in scope, An Introduction to the Languages of the World introduces linguistics students to the variety of world's languages. Students will gain familiarity with concepts such as sound change, lexical borrowing, diglossia, and language diffusion, and the rich variety of linguistic structure in word order, morphological types, grammatical relations, gender, inflection, and derivation. It offers the opportunity to explore structures of varying and fascinating languages even with no prior acquaintance. A chapter is devoted to each of the world's continents, with in-depth analyses of representative languages of Europe, Asia, Africa, Oceania, and America, and separate chapters cover writing systems and pidgins and creoles. Each chapter contains exercises and recommendations for further reading. New to this edition are eleven original maps as well as sections on sign languages and language death and revitalization. For greater readability, basic language facts are now organized in tables, and language samples follow international standards for phonetic transcription and word-by-word glossing. There is an instructor's manual available for registered instructors on the book's companion website.
