Teachers can have a profound influence on children's reading behaviour and attitudes to literature. Whether it's to broaden children's knowledge and understanding, or encourage reading for pleasure, reading in the classroom is becoming an increasing priority. This book looks at a wide range of children's literature from picture books to classics to poetry. A diverse array of books is recommended for teachers to use in a broad variety of contexts to enhance learning across the curriculum, featuring beloved authors such as Michael Morpurgo, Tove Jansson and Kenneth Grahame, as well as introducing some who may be new to teachers. This book: •Recognises the key role of children's literature within the curriculum

and learning development •Explores examples through case studies of classroom practice and highlights children's literature's role in Personal, Social, Health and Economic (PSHE) education •Celebrates the range of voices and contexts that literature can represent in the classroom •Includes a 'For your bookshelf' section in each chapter which summarises key titles •Dedicates a chapter to the importance of creating children's literature with and for children The authors place emphasis on creating a literate environment in which children's literature is a central feature. This is a must-read for teachers at all levels, as well as anyone who volunteers in schools to support readers. "Read on to enrich your practice right across the curriculum and find diverse books to engage and inspire children. Enjoy!" From him come the gods of the air and rain and their children ? Geb, god of Earth, and Nut, goddess of the sky. Geb and Nut are inseparable. They clasp one another and share whispered secrets, leaving no space between the sky and the earth for Atum to continue creating. So Atum has no choice but to have them forcibly separated, leaving Geb enraged and Nut sad and lonely... The beautiful story that follows explains, according to Ancient Egyptian beliefs, how day, night and the starry universe were first created.

comprehension, transcription and composition, plus additional material on drama and reading for pleasure. Throughout the book there is a clear progression from KS1 to KS2 and a focus on creativity as a vital ingredient in successful English teaching.
