Draw Landscapes in Colored Pencil Ann

Kullberg,2017-11-21 The idea of attempting to grasp nature with any art medium is surely folly, but it would seem even more so with colored pencils. A landscape, almost by definition, is a broad expanse of large and looming spaces - mountains, seas, fields and skies. How? How to capture things so large with a pencil point so small? Each of the 26 skillful colored pencil artists in this book will show you how it's done and how you can, too. Each with their own unique way of seeing, simplifying and systemizing, they have much to show you and much to teach you. An astounding collection of instruction for every aspect of drawing landscapes in colored pencil, you'll learn how to handle water, clouds, fields and sea, mountains and trees and more, more more!

Drawing Landscapes in Pencil Ferdinand

Petrie,2022-10-26 Comprehensive and insightful, Ferdinand Petrie's Drawing Landscapes in Pencil is full of invaluable lessons in the subtle art of pencil drawing. The course begins with a thorough overview of materials and fundamental pencil-handling skills before progressing meticulously through a series of lessons about value, form, texture, and smudging techniques. With dozens of the author's own works included as references and examples, the remaining chapters focus on rendering specific elements of landscapes like hills, trees, bodies of water, reflections, houses, cities, and more. A wonderful guide for beginners and advanced artists alike, Drawing Landscapes in Pencil will teach you to unlock the potential of the pencil.

Innovative Artist: Drawing Dramatic Landscapes

Robert Dutton, 2021-03-16 Bring a new level of innovation into your landscape drawings. This book is aimed at artists who wish to explore new ways of using a variety of drawing media to create striking, dramatic landscapes. The author, Robert Dutton, works in a loose style and combines media such as liquid graphite, inks, metallic inks, charcoal and water-soluble painting and drawing pastels. He also experiments with collage work. Predominantly focusing on working in black and white, *Drawing Dramatic Landscapes* explores basic drawing techniques using a limited range of media, then introduces new techniques and products as the reader progresses. This is a highly instructive guide to the techniques Robert himself uses, with numerous exercises and larger step-by-step projects throughout the book showing how he works. Alongside these will be numerous examples of the author's finished artworks accompanied by informative captions explaining the methods used to create them, thereby providing both instruction and inspiration. Robert works outdoors from life much of the time, finishing his artworks in the studio later. His work is both achievable and aspirational, making this a highly attractive book for artists of all abilities.
