White, 2017-08-07 A Timeline of Western Drama: Scripts from the Classic Period to the 21st Century presents plays ranging from the ancient to the contemporary. Each of the selected plays not only tells a story, but also offers a glimpse into its historic period and reveals the development of theatre as an art form. The collected plays are representative of their place, time, and cultures. Students have the opportunity to explore the work of Sophocles in Oedipus the King, Christopher Marlowe in Doctor Faustus, and William Shakespeare in Much Ado About Nothing, among others. The text also features the plays of Molière, Ibsen, and Chekhov. Modern playwrights include Tennessee Williams, and Paula Vogel. The addition of Sarah Ruhl's Eurydice brings the collection full circle. Original source material in the text informs readers about both the history of theatre and the practice, and discussion questions facilitate interpretation and a deeper understanding of each play. A Timeline of Western Drama is designed for introductory courses in theatre and drama.

Wilmeth, Christopher Bigsby, 1998-02-28 The Cambridge History of American Theatre is an authoritative and wide-ranging history of American theatre in all its dimensions, from theatre building to play writing, directors, performers, and designers. Engaging the theatre as a performance art, a cultural institution, and a fact of American social and political life, the History recognizes changing styles of presentation and performance and addresses the economic context that conditions the drama presented. The History approaches its subject with a full awareness of relevant developments in literary criticism, cultural analysis, and performance theory. At the same time, it is designed to be an accessible, challenging narrative. Volume One deals with the colonial inceptions of American theatre through the post-Civil War period: the European antecedents, the New World influences of the French and Spanish colonists, and the development of uniquely American traditions in tandem with the emergence of national identity.
