Ski Snowboard Europe Charles Leocha,2007-10 Ski Europe takes skiers step by step through planning the winter vacation of their dreams in the Alps in Austria, Italy, Switzerland or France as well as major resorts in Spain and Andorra. Just like here in the United States or Canada, every European resort has its quirks and specialties, notes Leocha. Seasoned skiers know that some resorts are better for singles, others better for families. Some offer cozy chalets, others feature modern hotels right on the slopes. And while one resort may be heaven for beginning skiers it may be boring for the expert. Ski Europe organizes all the necessary information to make intelligent choices and provides the phone numbers to make reservations and plans. Over more than a decade Ski Europe has become known for its no-holds-barred, brutally honest reports on reality at ski resorts. Ski Europe takes no advertising, has no ax to grind, and, like Ski America and Canada, is written by Leocha together with an international team of prize-winning ski and snowboard journalists.

Making Money Through Buy-to-Let in South Africa François Janse van Rensburg,2017-06-01 Just by reading and applying the easy-to-follow processes in Making Money Through Buy-to-Let in South Africa, you will realise that ordinary people can become extraordinary. This book explains why buy-to-let property investment is the only sensible opportunity to earn an inflation-linked, passive income for the rest of your life. It gives ordinary South Africans the hope that they might enjoy a financially secure retirement by building a substantial property portfolio, either when they start at a very young age or by supplementing their lifetime savings or pension pay-out at a later stage. Making Money Through Buy-to-Let in South Africa addresses all the questions would-be property investors would ask, including how to establish legal entities; determine which properties have the best return on investment; leverage other people's money and use very little of their own; obtain finance and register a bond; manage the transfer process; and select and manage the best tenants. Making Money Through Buy-to-Let in South Africa is written for the ordinary person, in everyday language, and guides you step by step through the entire process of property investment so that you, too, can become financially independent.
