Sales Dogs Blair Singer,2013-02-28 The number one skill for any entrepreneur or business owner is the ability to sell. Why? Because sales = income. Yet, many fail financially not because they do not have great ideas or even good work ethic, but typically because they don't know how to, refuse to, are afraid to, or don't think it is important to know how to sell. SalesDogs was written as the very first of the Rich Dad Poor Dad "how-to" Advisory series to teach in a very fun and impactful way how to overcome the fears, the myths and the obstacles to selling your products, services or yourself. It then teaches a simple, time-proven process of selling that will generate great income in most any business. The reader will learn the five most important selling skills to master, how to overcome any objection, manage a territory and much more. The book quickly de-bunks the idea that you have to be an overly aggressive "attack dog" to be successful. It uses the metaphor of "man's best friend" to say that a great sales person is like a loyal, persistent and lovable canine. It stipulates that there are five different "breeds" or personalities of SalesDogs that can each make a lot of money by playing to its strength. You will learn how to identify, maximize and train to that strength and also how to teach others on your team to do the same. While the book is fun and engaging, it also dives deep into the personal development issues that block a person's ability to generate income and how to overcome

them. The book is perfect for first time salespeople, individuals who are uncomfortable with the notion of “selling”, those who need to train others to sell and those who want to simply get better quicker.

**The Recognitions** William Gaddis, 2020-11-24 A postmodern masterpiece about fraud and forgery by one of the most distinctive, accomplished novelists of the last century. *The Recognitions* is a sweeping depiction of a world in which everything that anyone recognizes as beautiful or true or good emerges as anything but: our world. The book is a masquerade, moving from New England to

New York to Madrid, from the art world to the underworld, but it centers on the story of Wyatt Gwyon, the son of a New England minister, who forsakes religion to devote himself to painting, only to despair of his inspiration. In expiation, he will paint nothing but flawless copies of his revered old masters—copies, however, that find their way into the hands of a sinister financial wizard by the name of Recktall Brown, who of course sells them as the real thing. Dismissed uncomprehendingly by reviewers on publication in 1955 and ignored by the literary world for decades after, *The Recognitions* is now established as one of the great American novels, immensely ambitious and entirely unique, a book of wild, Boschian inspiration and outrageous comedy that is also profoundly serious and sad.

**The Forever Dog** Rodney Habib,Karen Shaw Becker,2021-10-12 #1 New York Times Bestseller In this pathbreaking guide, two of the world’s most popular and trusted pet care advocates reveal new science to teach us how to delay aging and provide a long, happy, healthy life for our canine companions. Like their human counterparts, dogs have been getting sicker and dying prematurely over the past few decades. Why? Scientists are beginning to understand that the chronic diseases afflicting humans—cancer, obesity, diabetes, organ degeneration, and autoimmune disorders—also beset canines. As a result, our beloved companions are vexed with preventable health problems throughout much of their lives and suffer shorter life spans. Because our pets can’t make health and

lifestyle decisions for themselves, it's up to pet parents to make smart, science-backed choices for lasting vitality and health. *The Forever Dog* gives us the practical, proven tools to protect our loyal four-legged companions. Rodney Habib and Karen Becker, DVM, globetrotted (pre-pandemic) to galvanize the best wisdom from top geneticists, microbiologists, and longevity researchers; they also interviewed people whose dogs have lived into their 20s and even 30s. The result is this unprecedented and comprehensive guide, filled with surprising information, invaluable advice, and inspiring stories about dogs and the people who love them. *The Forever Dog* prescriptive plan focuses on diet and nutrition, movement, environmental exposures, and stress reduction, and can be tailored to the genetic predisposition of particular breeds or mixes. The authors discuss various types of food—including what the commercial manufacturers don't want us to know—and offer recipes, easy solutions, and tips for making sure our dogs obtain the nutrients they need. Habib and Dr. Becker also explore how external factors we often don't think about can greatly affect a dog's overall health and wellbeing, from everyday insults to the body and its physiology, to the role our own lifestyles and our vets' choices play. Indeed, the health equation works both ways and can travel "up the leash." Medical breakthroughs have expanded our choices for canine health—if you know what they are. This definitive dog-care guide empowers us with the knowledge we need to make wise choices, and to keep our dogs healthy and happy for years to come.

Fans of Jacqueline Woodson, Meg Medina, and Jason Reynolds will fall hard for this astonishing New York Times-bestselling novel-in-verse by an award-winning slam poet, about an Afro-Latina heroine who tells her story with blazing words and powerful truth. Xiomara Batista feels unheard and unable to hide in her Harlem

neighborhood. Ever since her body grew into curves, she has learned to let her fists and her fierceness do the talking. But Xiomara has plenty she wants to say, and she pours all her frustration and passion onto the pages of a leather notebook, reciting the words to herself like prayers—especially after she catches feelings for a boy in her bio class named Aman, who her family can never know about. With Mami’s determination to force her daughter to obey the laws of the church, Xiomara understands that her thoughts are best kept to herself. So when she is invited to join her school’s slam poetry club, she doesn’t know how she could ever attend without her mami finding out. But she still can’t stop thinking about performing her poems. Because in the face of a world that may not want to hear her, Xiomara refuses to be silent. “Crackles with energy and snaps with authenticity and voice.” —Justina Ireland, author of *Dread Nation* “An incredibly potent debut.” —Jason Reynolds, author of the National Book Award Finalist *Ghost* “Acevedo has amplified the voices of girls en el barrio who are equal parts goddess, saint, warrior, and hero.” —Ibi Zoboi, author of *American Street* This young adult novel, a selection of the Schomburg Center’s Black Liberation Reading List, is an excellent choice for accelerated tween readers in grades 6 to 8.
