An Underachiever's Diary Benjamin

Anastas,2009-07-28 Meet William, a devout underachiever. He enters life as the firstborn of identical twin boys. It is the last time he will beat his overachieving brother Clive, or anyone else for that matter, at anything. This is William's manifesto for the underachiever. It is the chronicle of a lifetime of failure—part diary and part handbook for self-defeat. At once corrosively funny and surprisingly tender, *An Underachiever's Diary* is a classic tale of perverse perseverance.

The Bearded Gentleman Allan Peterkin,Nick Burns,2010-06-01 For centuries, men have been growing and styling their facial hair, whether for the sake of vanity, religion, or cultural considerations, but most of us don't give it a second thought. *The Bearded Gentleman* is an authoritative yet lighthearted guide that offers detailed information on some fifty specific facial hair styles: where they come from, how to grow them, and how to maintain them. Among them are many well-known styles, such as the Handlebar, the Fu Manchu, the Goatee, the Van Dyck, and the more

recent Soul Patch. But there are also those that are less familiar, including the Horseshoe, the Lampshade, the Painter's Brush, the Landing Strip, the French Fork, and El Insecto (a.k.a. the Mighty). There's also practical advice on choosing a facial hair style that's right for you, as well as insight into how facial hair has figured in the history of masculinity, including its impact on politics, class, and sexuality. The Bearded Gentleman is an entertaining, witty, and useful guide to facial hair styles and the men who wear them. Allan Peterkin's previous books include *One Thousand Beards: A Cultural History of Facial Hair*, featured in *Time*, *Esquire*, and *The New Yorker*. Nick Burns is one of the leading writers on men's grooming; he has covered skin care, fashion, and health for publications including *The New York Times*, *GQ*, *Details*, and *Out*, and he is author of the popular men's style blog HommeGrooming.com.

In Search of the Monkey Girl

Randal Levenson, Spalding Gray, 1982 Shows carnival people, including those who work in side shows, and briefly tells some of their stories

Amen Jesmi (Sist_ar), 2009 On 31 August 2008, Sister Jesme left the Congregation of Mother of Carmel. The authorities repeated attempts to have her declared insane, she says, left her no other option. This book, a first of its kind in India, is an outpouring of her experiences as a nun for thirty-three years. Spirited and fun-loving, from a good family, deeply-rooted in Catholicism, Jesme was drawn to religious life at seventeen after a Retreat at junior college. As a nun, seven years later, she felt distressed at the many ills growing inside the convent and being forced to remain silent about them. There was corruption, by way of donations for college seats; sexual relations between some priests and nuns, and between nuns; class distinctions whereby the cheduthies, or poorer and less-educated sisters,

did menial jobs; and a wide gap between comforts and facilities enjoyed by the priests and nuns. Jesme was permitted to complete her doctorate in English Literature, to pursue her passion for literature, cinema and teaching college students. She exposed them to classic films, believing that aesthetics enhances spirituality. But these joys were clouded by the troubles she faced. Searing, sincere, and sensitive, Amen is a plea for a reformation of the Church and comes at a time of its growing concern about nuns and priests. It affirms Jesme's unbroken spirit and faith in Jesus and the Church, living like a nun, but outside the Four Walls of the convent.

The Walls of Delhi Uday Prakash, 2014-05-13 A street sweeper discovers a cache of black market money and escapes to see the Taj Mahal with his underage mistress; an Untouchable races to reclaim his life that's been stolen by an upper-caste identity thief; a slum baby's head gets bigger and bigger as he gets smarter and smarter, while his family tries to find a cure. One of India's most original and audacious writers, Uday Prakash, weaves three tales of living and surviving in today's globalized India. In his stories, Prakash portrays realities about caste and class with an authenticity absent in most English-language fiction about South Asia. Sharply political but free of heavy handedness.

The Wormhole Crisis Russell Moran, 2021-04-13 The Wormhole Crisis - A Novel of Time Travel Admiral Ashley Patterson and her husband, famous publisher Jack Thurber, have done it again, not that they were planning on it. They crossed a wormhole, a portal in time, a gateway to a different world. They had done it before, but this one was different-This wormhole was man-made. President Matt Blake realized that the country was in the grips of a crisis, one which he dubbed, The Wormhole Crisis. Recognizing Admiral Patterson's talent for fearless leadership, he promoted her to fleet Admiral, the highest rank in the Navy. At the same time he appointed her Chairwoman of the Joint Chiefs of Staff, the highest position in the American military. The President knew he had a horrifying crisis to solve, and who better to lead the effort than Admiral Patterson. He put her in charge of Operation Wormhole Kill, along with her close husband, Jack. Together they embarked on a terrifying attempt to save the world from man-made time travel. A rogue nation had manufactured a

wormhole-creating satellite, one which can inflict a wormhole anywhere on earth. The problem got worse when that nation created an instrument on the satellite that can detonate a bomb on earth-from space. The only way to deal with a wormhole is to recross it to find your way back to the time you came from. But the rogue nation created a new type of wormhole-one that didn't enable you to recross it. One horrifying night, the evening of the annual State of the Union Address, saw the ultimate result of the terrifying satellite, one that could spell the end of the world. Instantly the fate of the world changed, especially for Admiral Patterson. It was a new world, a world Ashley could never have imagined. The fate of mankind was in Admiral Patterson's hands.

Tainted Tap Katrinell M. Davis,2021-04-06 After a cascade of failures left residents of Flint, Michigan, without a reliable and affordable supply of safe drinking water, citizens spent years demanding action from their city and state officials. Complaints from the city's predominantly African American residents were ignored until independent researchers confirmed dangerously elevated blood lead levels among Flint

children and in the city's tap water. Despite a 2017 federal court ruling in favor of Flint residents who had demanded mitigation, those efforts have been incomplete at best. Assessing the challenges that community groups faced in their attempts to advocate for improved living conditions, *Tainted Tap* offers a rich analysis of conditions and constraints that created the Flint water crisis. Katrinell Davis contextualizes the crisis in Flint's long and troubled history of delivering essential services, the consequences of regional water-management politics, and other forms of systemic neglect that impacted the working-class community's health and well-being. Using ethnographic and empirical evidence from a range of sources, Davis also sheds light on the forms of community action that have brought needed changes to this underserved community.

Traditional shaving is enjoyable and thrifty: double-edged blades are as low as 9¢ each vs. as much as \$3.50 for a single disposable multiblade cartridge. Lured by Hope Ghulam Murshid, 2003 Michael Madhusudan Dutt (1824-73) is one of the greatest figures not just of Bengali but also of modern Indian literature. Ghulam Murshid's biography of Dutt is unique in that it provides, with ample evidence of tireless research, a fresh insight into the colourful yet tragic life of this intriguing writer and poet. As a modern

classicist, Dutt treated traditional mythological material in a manner that lay it open for generations to re-read and reinterpret: Meghnadbadh Kabya, the nine-book epic, is often regarded as his masterpiece. As a lyric poet, his poems about Radha and Krishnawere a major advance, in feeling and form, on the medieval Bengali Vaishnav literary tradition. And, as a dramatist, he laid the foundations for modern Bengali tragedy and comedy. Dutt has also left behind a sequence of a hundred and two sonnets composed in Bengali, and innumerable letters which hewrote in English, which throw open a window to nineteenth-century Calcutta. Although other critical and biographical studies of Dutt's life have appeared in the past, most were based on hearsay and contained gaps in the biographical record, as well as textual flaws, especially in Dutt's Englishletters and the English poems he wrote before turning to Bengali. Ghulam Murshid is the first biographer to show the close relationship between the life and the works of Dutt. This translation of Michael Madhusudan Dutt's biography will make his scholarship and insights more accessible to a widercircle of readers.
