**How to Make an Apple Pie and See the World** Marjorie Priceman,2014-05-28 Illus. in full color. An apple pie is easy to make...if the market is open. But if the market is closed, the world becomes your grocery store. This deliciously silly recipe for apple pie takes readers around the globe to gather ingredients. First hop a steamboat to Italy for the finest semolina wheat. Then hitch a ride to England and hijack a cow for the freshest possible milk. And, oh yes! Don't forget to go apple picking in Vermont! A simple recipe for apple pie is included. Libraries should consider purchasing multiple copies since every preschool and primary-grade teacher in town will want a copy to read.--(starred) Booklist.

**The Circles All Around Us** Brad Montague,2021-05-18 The debut picture book from the creator of the viral sensation *Kid President* is a moving take on how we can create bigger and bigger circles of community and connections as we grow—now a New York Times bestseller! In the circles all around us, everywhere that we all go, there's a difference we can make and a love we can all show. This is the story of a circle. When we're first born, our circle is very small, but as we grow and build relationships, our circle keeps getting bigger and bigger to include family, friends, neighbors, community, and beyond. Brad Montague originally created *Circles* as an Instagram video adorably narrated by his kids, and now this picture book adaptation is the perfect way to start a conversation about how to expand our worlds with kindness and inclusivity—even if it seems scary or uncomfortable. This book makes an ideal new-baby, first-day-of-school, or graduation gift, or any milestone that celebrates someone's world getting bigger.
