

# The Little World Of Don Camillo By Author Giovanni

Graham Greene

The Little World of Don Camillo Giovanni Guareschi, 2013-09 Reading 'The Little World of Don Camillo' is to travel to the Valley of the River Po, Italy's widest and most fertile plain, with its unique atmosphere, culture and natural history. And to do so in the incomparable company of a cast of fictional characters who testify to the exquisite humour and humanity of their creator. In the Little World, eternal forces grapple with the absurd drama of everyday life, and hilarious and unearthly things can happen. If you keep this in mind you will have no difficulty in getting to know the village priest, Don Camillo, and his adversary, Peppone, the Communist Mayor. Nor will you be surprised when a third person watches the goings-on from a big cross in the village church and not infrequently intercedes . . . In story after story, the hot-headed Catholic priest, Don Camillo, and the equally pugnacious Communist mayor, Peppone, confront one another, sometimes in a serious and violent manner. The clever bit is the way Guareschi engineers a resolution to the conflict and transforms the situation to the great benefit of the local community, so that the two men put their political convictions aside and, however begrudgingly, develop respect for one another. To enable this, the author creates a third main character, his finest creation and the most surprising. Il Cristo presides over proceedings from above the altar of the town church and counsels Don Camillo, exposing and undermining the stubborn priest's personal politics and prejudices and, with fascinating insights and gentle humour, suggests paths of action which, with the benefit of hindsight, we come to see make things right. Guareschi claimed that the voice from above the altar was simply the voice of his own conscience, but in the stories it is a living reality which enables solutions so simple that they are beyond the reach of political minds clouded with ideology and the need to win. Guareschi's message is that what works at the level of the Little World can be made to work universally, the world over. More than fifty years on, these enchanting, wise and strangely moving stories of life in the Lower Plain continue to enthral millions of readers of all ages around the world. They have been feted not only in books but in films, in series on TV, on radio and most recently on YouTube. In this newly translated volume, many are available in English for the very first time. 'Written with such warmth and simplicity, so concerned with the trivialities of everyday life and giving us so shrewd a glimpse into the minds of the people . . .' London Evening News 'Inimitable, delicious, full of pure fun' --The Observer 'Charming and enchanting . . . Witty and wise' --Edinburgh Evening News 'You'll find Don Camillo not just enchanting and lovable, and at times hilariously funny, but also strangely moving in his simple but certain faith.' --BBC Radio Books by the Fire

The Little World of Don Camillo Giovanni Guareschi, 2008-12

Complete Little World of Don Camillo Giovanni Guareschi, 2014-04-10 Inimitable, delicious, full of pure fun' -- THE OBSERVER Reading 'The Little World of Don Camillo' is to travel to Italy's Lower Plain, with its unique atmosphere, culture and natural history. And to do so in the incomparable company of a cast of fictional

**The Little World of Don Camillo** Giovanni Guareschi, 1951-06 Disaster threatens when a mild-mannered Italian priest wages a personal war against the village communists.

**Don Camillo & His Flock** Giovanni Guareschi, 2015-08-07 Set against the post-war backdrop of a rural village in the Emilia-Romagna, this is the second in a new series of hilarious and incisive Don Camillo anthologies, which offer 215 stories translated into English for the very first time. As ever, the townsfolk, riven by their disparate allegiances to the hot-headed Catholic priest and his equally pugnacious adversary Peppone, the Communist Mayor, are relieved of their prejudices by the gentle humour and insights coming from high above the altar in the village church. REVIEWS 'Written with such warmth and simplicity, so concerned with the trivialities of everyday life and giving us so shrewd a glimpse into the minds of the people . . .' London Evening News 'Charming and enchanting...witty and wise' -- Edinburgh Evening News 'You'll find Don Camillo not just enchanting and lovable, and at times hilariously funny, but also strangely moving in his simple but certain faith.' -- BBC Radio Books by the Fire ABOUT THE AUTHOR Giovannino Guareschi, known as Giovanni to his millions of English language readers, was born at Fontanelle in the Valley of the Po on the 1st of May, 1908. His father wanted him to become a naval engineer. He, for the very enjoyment of going the opposite way, determined to become a lawyer, but found his vocation when he sent some cartoons he had drawn to the satirical magazine, 'Bartoldo'. Later he founded a satirical magazine, 'Candido', and wrote 346 stories featuring Don Camillo, a character who has done for Italy what Cervantes Don Quixote did for Spain.

Don Camillo's Dilemma Giovanni Guareschi, 1954 The author's third book about the priest and the communist mayor in a small Italian town.

Comrade Don Camillo Giovanni Guareschi, 2000

**The Little World of Don Camillo** Giovanni Guareschi, 1951 Disaster threatens when a mild-mannered Italian priest wages a personal war against the village communists.

**The Little World of Don Camillo** Giovanni Guareschi, 1977 Disaster threatens when a mild-mannered Italian priest wages a personal war against the village communists.

Don Camillo Takes the Devil by the Tail Giovanni Guareschi, 1957 Don Camillo, fictional character, a pugnacious Italian village priest whose confrontations with his equally belligerent adversary, the local communist mayor Peppone, formed the basis for a series of popular, humorous short stories by Italian author Giovanni Guareschi.

Don Camillo Meets Hell's Angels Giovanni Guareschi, 2009-05-28

**Don Camillo and the Devil** Giovanni Guareschi, 1962 This collection of short stories set in the Valley of the River Po, Italy's widest and most fertile plain, with its unique atmosphere, culture, and natural history. The author was a native of this area, and these stories reflect his life of conflict, but also his search for enlightenment. In episode after episode, the hot-headed Catholic priest, Don Camillo, and the equally pugnacious Communist mayor, Peppone, confront one another, sometimes in a serious and violent manner. But the clever bit is the way Giovanni not only engineers a resolution to this, but transforms the situation to the great benefit of the local community, so that the two men put their political convictions aside, and however, begrudgingly, develop respect for each other (from Editor's preface).

Tales from the Little World of Don Camillo Giovanni Guareschi, 1981-02-01

**LITTLE WORLD OF DON CAMILLO.** GIOVANNI. GUARESCHI, 2014

The War of Don Emmanuel's Nether Parts Louis de Bernieres, 2012-06-20 This rambunctious first novel by the author of the bestselling *Corelli's Mandolin* is set in an impoverished, violent, yet ravishingly beautiful country somewhere in South America. When the haughty Dona Constanza decides to divert a river to fill her swimming pool, the consequences are at once tragic, heroic, and outrageously funny. Walks a precarious edge between slapstick and pathos, never once losing its balance.--Washington Post Book World.

**World of Don Camillo** Giovanni Guareschi,

The Sleeping Witness Fiorella De Maria,2017-02-10 In this unusual murder mystery, the tranquility of Saint Mary's Abbey is shattered by the discovery of a gruesome crime in a cottage on the abbey grounds. A foreign artist and war hero seeking refuge from the world has been murdered. Marie Paige, the frail, sickly wife of the village doctor, lies beside him beaten into a coma. The police arrest Marie's husband, convinced that they are looking at a crime of passion. But Dr. Paige finds himself with an unlikely champion: Fr. Gabriel, a blundering but brilliant Benedictine priest who believes in his innocence and feels compelled to search for the truth. In a country struggling to come to terms with the devastation of the Second World War, even a secluded English village has its share of secrets and broken lives. It is not long before Fr. Gabriel and his companions find themselves embarking on a dangerous journey into the victims' troubled war histories and a chapter of Europe's bloodiest conflict that is almost too terrible to be acknowledged.

**Monsignor Quixote** Graham Greene,2010-10-02 Driven away from his parish by a censorious bishop, Monsignor Quixote sets off across Spain accompanied by a deposed renegade mayor as his own Sancho Panza, and his noble steed Rocinante – a faithful but antiquated SEAT 600. Like Cervantes's classic, this comic, picaresque fable offers enduring insights into our life and times.

**The Leopard** Giuseppe Di Lampedusa,2007-11-06 Set in the 1860s, The Leopard tells the spellbinding story of a decadent, dying Sicilian aristocracy threatened by the approaching forces of democracy and revolution. The dramatic sweep and richness of observation, the seamless intertwining of public and private worlds, and the grasp of human frailty imbue The Leopard with its particular melancholy beauty and power, and place it among the greatest historical novels of our time. Although Giuseppe di Lampedusa had long had the book in mind, he began writing it only in his late fifties; he died at age sixty, soon after the manuscript was rejected as unpublishable. In his introduction, Gioacchino Lanza Tomasi, Lampedusa's nephew, gives us a detailed history of the initial publication and the various editions that followed. And he includes passages Lampedusa wrote for the book that were omitted by the original Italian editors. Here, finally, is the definitive edition of this brilliant and timeless novel. (Translated from the Italian by Archibald Colquhoun.)

My Home, Sweet Home Giovanni Guareschi,1966-01-01 Author of the Don Camillo stories presents a series of family vignettes.
