

Addiction And Grace Love And Spirituality In The

Gerald G. May

Addiction and Grace Gerald G. May, 2009-03-31 Addiction and Grace offers an inspiring and hope-filled vision for those who desire to explore the mystery of who and what they really are. May examines the processes of attachment that lead to addiction and describes the relationship between addiction and spiritual awareness. He also details the various addictions from which we can suffer, not only to substances like alcohol and drugs, but to work, sex, performance, responsibility, and intimacy. Drawing on his experience as a psychiatrist working with the chemically dependent, May emphasizes that addiction represents an attempt to assert complete control over our lives. Addiction and Grace is a compassionate and wise treatment of a topic of major concern in these most addictive of times, one that can provide a critical yet hopeful guide to a place of freedom based on contemplative spirituality.

Care of Mind/Care of Spirit Gerald G. May, 1992-05-08 Although secular psychology addressed a great deal about how we come to be the way we are and how we might live more efficiently, it can offer nothing in terms of why we exist or how we should use our lives, writes Gerald May in this classic discussion of the nature of contemporary spiritual guidance and its relationship to counseling and psychiatry. For millions turning for answers to the world of the spirit, May shows how psychiatry and spiritual direction are alike, how they complement one another, and how they ultimately diverge.

Addiction and Virtue Kent Dunnington, 2011-07-26 In this interdisciplinary work, Kent Dunnington brings the neglected resources of philosophical and theological analysis to bear on the problem of addiction. Drawing on the insights of Aristotle and Thomas Aquinas, he formulates a compelling alternative to the two dominant models of addiction--addiction as disease and addiction as choice.

The Dark Night of the Soul Gerald G. May, 2009-03-31 Now in paperback: a distinguished psychiatrist, spiritual counsellor and bestselling author shows how the dark sides of the spiritual life are a vital ingredient in deep, authentic, healthy spirituality. Gerald G. May, MD, one of the great spiritual teachers and writers of our time, argues that the dark 'shadow' side of the true spiritual life has been trivialised and neglected to our serious detriment. Superficial and naively upbeat spirituality does not heal and enrich the soul. Nor does the other tendency to relegate deep spiritual growth to only mystics and saints. Only the honest, sometimes difficult encounters with what Christian spirituality has called and described in helpful detail as 'the dark night of the soul' can lead to true spiritual wholeness. May emphasises that the dark night is not necessarily a time of suffering and near despair, but a time of deep transition, a search for new orientation when things are clouded and full of mystery. The dark gives depth, dimension and fullness to the spiritual life.

The Book of Waking Up Seth Haines, 2020-01-07 The Book of Waking Up invites you to wake to your coping mechanisms, find the why behind your pain, and walk into the Divine Love of God. The inevitable pain of life gives us many reasons to check out--and many ways to do it. Alcohol, entertainment, pills, shopping, porn, chasing success, cashing checks, and collecting social media likes--these and so many other things anesthetize us from the wounds of everyday living. As Seth Haines wrote in his award-winning book, *Coming Clean*, We're all drunk on something. In his compelling follow-up, *The Book of Waking Up*, Seth invites you into the story of healing. He invites you to see your coping mechanisms for what they are--lesser lovers, which cannot bring the peace, freedom, and wholeness you crave. Through guided reflections, sustainable soul practices, and stories from Seth's life and others, *The Book of Waking Up* points you toward the Divine Love of God that has the power to transform your life. As Seth writes, Addiction is misplaced adoration. Now, join him on a journey toward the only Love worth adoring, the only Love that cures a soul. Join him on the journey to waking up.

Simply Sane Gerald May, Gerald G. May, 1993 In new chapters Dr. May talks about his own journey along the trail connecting psychology and spirituality during the past seventeen years, and offers fresh new insights on trust, solitude, and prayer.

Holy Hunger Margaret Bullitt-Jonas, 2000-04-11 A wrenchingly honest, eloquent memoir "about true nourishment that comes not from [eating] but from engaging on a spiritual path.—Los Angeles Times In this brave and perceptive account of compulsion and the healing process, Bullitt-Jonas describes a childhood darkened by the repressive shadows of her alcoholic father and her emotionally reclusive mother, whose demands for excellence, poise, and self-control drove Bullitt-Jonas to develop an insatiable hunger. What began with pilfering extra slices of bread at her parents' dinner table turned into binges with cream pies and pancakes, sometimes gaining as much as eleven pounds in four days. When the family urged her father into treatment, the author recognized her own addiction and embarked on the path to recovery by discovering the spiritual hunger beneath her craving for food.

Addiction and Recovery Martha Postlethwaite, 2019-02-01 Companionship for the lifelong journey of recovery In *Addiction and Recovery: A Spiritual Pilgrimage*, Martha Postlethwaite--pastor and a person in recovery--reflects on her pilgrimage of healing through valleys of despair and vistas of resurrection. *Addiction and Recovery* is not just Postlethwaite's story, though. She also draws on the wisdom of pilgrims who have walked other paths to explore themes such as surrender, truth telling, shame, powerlessness, grace, forgiveness, and resurrection. Together, these chronicles bring hope to people who struggle with the disease of addiction and to those who love them. Each chapter ends with questions to reflect on with conversation partners or in a journal, and a spiritual practice. The spiritual practices are related to the chapter themes and serve as samplers, but they can be woven into the reader's own pilgrimage. Readers will recognize themselves in these stories and reflections, learn that they are not alone, and find reasons to hope as they make their own pilgrimage.

The Spiritual Paradox of Addiction Ashok Bedi, Joseph Pereira, 2020-03-15 Addicts and alcoholics are often highly spiritualized individuals who lack the faith apparatus to make a healthy connection with their spiritual drive. As such, they turn to negative behavior patterns to fulfill that hunger: alcohol, drugs, food, sex, gambling, pornography, social media, and dysfunctional relationships. This book offers a series of insights and methods whereby faith may be restored and positively channeled into life-sustaining behaviors. It is addressed to addicts, their families and friends, as well as interested laypeople, government policymakers, and treatment professionals. The authors include instruction in yoga and breathing exercises, meditation, and mindfulness, as well as case studies and medical guidance for detoxification.

Will and Spirit Gerald G. May, 2009-03-31 A rich book covering many areas of human experience. . . . For the person looking for an intelligent and clear presentation of the relationship between psychological and spiritual growth, this is the book to read.'--America

Addiction and God Michael K. Mason, 2016-01-21 The roots of the modern disease theory of addiction can be traced back to the archaic medical philosophies of the eighteenth century. This popular theory is based primarily on the assumption that so-called addicts are physically unable to resist the call of addictive chemicals. They are presumably stricken from birth with this unlucky condition and all but helpless in the fight against the unhealthy symptoms of the so-called disease. The problem is that contemporary addiction research shows that substance abusers are not genetically or biologically different from anyone else. In fact, a growing group of physicians and researchers contend that addicts are simply guilty of making self-destructive choices in response to the commonplace stresses of everyday life. When addicts begin to take responsibility for their calculated chemical choices, they ultimately come to view their abusive behaviors in terms of not sickness but sin. They can then learn how to achieve forgiveness of their sins and deliverance from their addictions by offering their hearts, minds, and bodies to Jesus Christ. This is a skillfully written and powerful book about addiction and recovery. Having seen the devastating effects of addiction first hand, Mr. Mason was able to use his own personal experiences to develop a one of a kind text that dispels the myths about addiction and beautifully outlines the connection between the Spirit and recovery. After 14 years of working in the field of chemical dependency, I have never found a more complete and insightful view of addiction, recovery, and spirituality. Cindy Tidwell, MS, LPC Professional Addiction Counselor

The Last Addiction Sharon Hersh, 2010-07-07 In an age of tell-all addiction memoirs and reality television programs, we gulp down the stories of others in the hope that we, too, can be overcomers--even as we continue to love a person, substance, activity, or ideology too much. As Sharon Hersh writes, "We all suffer from the same condition." In *The Last Addiction*, she explores why we are prone to addiction--to make one thing in our lives more central than it should be--and how we can break free of our compulsions. This is not a book of "self-help" answers or "how-to" steps. It is a book about falling down and getting up again, about realizing that we need more than ourselves to be saved. The truth is, we're not as bad as we

think we are—and we are worse than we ever dreamed. When we live between those two realities, we are ready to let go of the last idol: the belief that we can save ourselves. The Last Addiction invites you to see your own story more clearly as you better understand your longing for intimacy. It invites you to love boldly and receive love in return. It invites you to the freedom of redemption.

Helping Others Overcome Addictions Steve McVey, Mike Quarles, 2012-08-01 Does Christianity have an answer for addiction? As longtime pastor Mike Quarles's alcoholism worsened over eight years, churches and Christians referred him to treatment, 12-Step programs, therapy...nothing worked. Steve McVey, also a pastor, repeatedly dished out the same advice Mike received, with similarly poor results... ..Until, in their frustration, God led them back to basic, addiction-breaking truths of His Word. The authors explain these for readers who want to help someone or who struggle themselves, because freedom from addiction is found only when Christians fully believe what God says about their identity move beyond the 12-Step concept of inescapable "addict identity" stop harboring unforgiveness, get radically right with God, and dwell in who they are in Christ, which excludes engaging in addictive behaviors as a lifestyle. Material on codependency is included, as is information on implementing recovery/support groups for those leaving addiction and starting to live in God's glorious freedom.

Witness to the Fire Linda Schierse Leonard, 2001-06-05 In *Witness to the Fire*, Linda Schierse Leonard, Ph.D., explores the dark and fiery journey of transformation from the bondage of addiction to the freedom of recovery through creativity. A Jungian analyst, Leonard studies the relationship of creativity and addiction in the lives of writers such as Fyodor Dostoevsky, Eugene O'Neill, Jean Rhys, and Jack London, as well as the experiences of ordinary men and women. Leonard holds out the hope that anyone bound by addiction can reclaim the power that fuels dependency for a life of joy and creativity.

Addictions Counseling Dianne Doyle Pita, 2004 'Addictions Counseling' has been thoroughly updated to reflect changes in the field during the past ten years. However, the focus remains on helping the 'whole person'.

Grace in Addiction John Z., 2012-09-01 Church basements are curious places. Playing host to the vibrant world of 12 Step Recovery, they witness the sort of healing and redemption that would make those on the ground floor proud, and maybe even envious. Yet despite the Church and Alcoholics Anonymous both being in the business of bringing hope to the hopeless, the two worlds seldom seem to interact. Packed with vivid illustrations, good humor, and practical wisdom, *Grace in Addiction* attempts to bridge this divide and carry the unexpected good news of AA out of the basement and into the pews--and beyond! Recommended for anyone who has struggled with addiction, knows someone who has struggled with addiction, or spent any time living and/or breathing.

Addiction Nation Timothy McMahan King, 2019-06-11 "Opioids claim the lives of 115 people per day. One of them could have been me." When a near-fatal illness led his doctors to prescribe narcotics, media consultant Timothy McMahan King ended up where millions of others have: addicted. Eventually King learned to manage pain without opioids—but not before he began asking profound questions about the spiritual and moral nature of addiction, the companies complicit in creating the opioid epidemic, and the paths toward healing and recovery. We have become a society not only damaged by addiction but fueled by it. In *Addiction Nation*, King investigates the ways that addiction robs us of freedom and holds us back from being fully human. Through stories, theology, philosophy, and cultural analysis, King examines today's most common addictions and their destructive consequences. In stark yet intimate prose, he looks not only at the rise of opioid abuse but at policy, pain, virtue, and habit. He also unpacks research showing patterns of addiction to technology, stress, and even political partisanship. Addiction of any kind dims the image of God and corrupts who we were created to be. *Addiction Nation* nudges us toward healing from the ravages of addiction and draws us toward a spirituality sturdy enough to sate our deepest longings.

Hangover Wisdom, 100 Thoughts on Addiction and Grace Jonathan Brock, 2013-03 In this book, we have hand-picked the most sophisticated, unanticipated, absorbing (if not at times crackpot!), original and musing book reviews of *Addiction and Grace: Love and Spirituality in the Healing of Addictions*. Don't say we didn't warn you: these reviews are known to shock with their unconventionality or intimacy. Some may be startled by their biting sincerity; others may be spellbound by their unbridled flights of fantasy. Don't buy this book if: 1. You don't have nerves of steel. 2. You expect to get pregnant in the next five minutes. 3. You've heard it all.

Addiction and Grace Gerald G. May, 1991

Grace Lost and Found Mary Cook, 2010-03-01 "Provides a process for personal reflection and a deeper understanding of addictive behavior and recovery."—Stephanie S. Covington, PhD, author of *A Woman's Way Through the Twelve Steps* Many recovery books are for the beginner, and that makes sense. But then what? This grace-filled book is for people at later stages in their recovery who are looking to uncover the underlying causes for their addiction and heal the psychological and spiritual pain, often lingering from childhood that many addicts bear. *Grace Lost and Found* is an inspirational and deep exploration of problems and pain—providing a compassionate approach to healing addictions, compulsions and other unhealthy habits. The 40 essays, each with their own set of practices and affirmations, engage readers on a journey through body, mind and spirit, symbolic symptoms, pain messages, levels of consciousness, and an expanded view of identity and life. The essays reach right to the bottom of the addict's bag of tricks—lack of accountability, the tendency to externalize blame, willfulness, defending and pretending, immaturity, denial—and offer wise, compassionate, and get-real spiritual counsel. As Cook reminds us, we tend to grow most from pain and crisis: "I help people find the ultimate treasure in their problems, the messages in their pain and the metaphors in their symptoms. We are all being guided to a higher, healthier path, when we pay attention." "An empowering resource for healing the wounds of the past, thriving in the face of adversity and rejection, and creating your authentic self."—Bernie Siegel, MD, #1 New York Times bestselling author of *Peace, Love and Healing*

Eventually, you will enormously discover a further experience and skill by spending more cash. still when? pull off you allow that you require to acquire those every needs in the same way as having significantly cash? Why dont you try to get something basic in the beginning? Thats something that will lead you to understand even more something like the globe, experience, some places, taking into consideration history, amusement, and a lot more?

Addiction And Grace Love And Spirituality In The Introduction

In the digital age, access to information has become easier than ever before. The ability to download Addiction And Grace Love And Spirituality In The has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid

reader searching for your next favorite book, or a professional seeking research papers, the option to download Addiction And Grace Love And Spirituality In The has opened up a world of possibilities. Downloading Addiction And Grace Love And Spirituality In The provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Addiction And Grace Love And Spirituality In The has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Addiction And Grace Love And Spirituality In The. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Addiction And Grace Love And Spirituality In The. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Addiction And Grace Love And Spirituality In The, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Addiction And Grace Love And Spirituality In The has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Addiction And Grace Love And Spirituality In The Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Addiction And Grace Love And Spirituality In The is one of the best book in our library for free trial. We provide copy of Addiction And Grace Love And Spirituality In The in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Addiction And Grace Love And Spirituality In The. Where to download Addiction And Grace Love And Spirituality In The online for free? Are you looking for Addiction And Grace Love And Spirituality In The PDF? This is definitely going to save you time and cash in something you should think about.
