Leslie Marmon Silko

**Ceremony** Leslie Marmon Silko, 2024-03-12 Tayo, a young Native American, has been a prisoner of the Japanese during World War II, and the horrors of captivity have almost eroded his will to survive. His return to the Laguna Pueblo reservation only increases his feeling of estrangement and alienation. While other returning soldiers find easy refuge in alcohol and senseless violence, Tayo searches for another kind of comfort and resolution. Tayo's quest leads him back to the Indian past and its traditions, to beliefs about witchcraft and evil, and to the ancient stories of his people. The search itself becomes a ritual, a curative ceremony that defeats the most virulent of afflictions—despair.

*Leslie Marmon Silko's Ceremony* Allan Chavkin, 2002 Along with Louise Erdrich's *Love Medicine*, Leslie Marmon Silko's *Ceremony* is one of the two most widely taught and studied Native American literature texts. This casebook includes a variety of theoretical approaches and provides readers with crucial information, especially on Native American beliefs, that will enhance their understanding and appreciation of this contemporary classic. This collection also includes two interviews with Leslie Marmon Silko in which she explains the importance of oral tradition and storytelling, along with the autobiographical basis of the novel.

As she mixes traditional and Western literary genres, Silko examines themes of memory, alienation, power, and identity; communicates Native American notions regarding time, nature, and spirituality; and explores how stories and storytelling shape people and communities. The Turquoise Ledge Leslie Marmon Silko,2010-10-07 A highly original and poetic self-portrait from one of America's most acclaimed writers. Leslie Marmon Silko's new book, her first in ten years, combines memoir with family history and reflections on the creatures and beings that command her attention and inform her vision of the world, taking readers along on her daily walks through the arroyos and ledges of the Sonoran desert in Arizona. Silko weaves tales from her family's past into her observations, using the turquoise stones she finds on the walks to unite the strands of her stories, while the beauty and symbolism of the landscape around her, and of the

snakes, birds, dogs, and other animals that share her life and form part of her family, figure prominently in her memories. Strongly influenced by Native American storytelling traditions, *The Turquoise Ledge* becomes a moving and deeply personal contemplation of the enormous spiritual power of the natural world--of what these creatures and landscapes can communicate to us, and how they are all linked. The book is Silko's first extended work of nonfiction, and its ambitious scope, clear prose, and inventive structure are captivating. *The Turquoise Ledge* will delight loyal fans and new readers alike, and it marks the return of the unique voice and vision of a gifted storyteller.

*Yellow Woman and a Beauty of the Spirit* Leslie Marmon Silko,2013-04-30 Bold and impassioned, sharp and defiant, Leslie Marmon Silko's essays evoke the spirit and voice of Native Americans. Whether she is exploring the vital importance literature and language play in Native American heritage, illuminating the inseparability of the land and the Native American people, enlivening the ways and wisdom of the old-time people, or exploding in outrage over the government's long-standing, racist treatment of Native Americans, Silko does so with eloquence and power, born from her profound devotion to all that is Native American. *Yellow Woman and a Beauty of the Spirit* is written with the fire of necessity. Silko's call to be heard is unmistakable; there are stories to remember, injustices to redress, ways of life to preserve. It is a work of major importance, filled with indispensable truths--a work by an author with an original voice and a unique access to both worlds.

**Yellow Woman** Leslie Marmon Silko,1993 Ambiguous and unsettling, Silko's *Yellow Woman* explores one woman's desires and changes--her need to open herself to a richer sensuality. Walking away from her everyday identity as daughter, wife and mother, she takes possession of transgressive feelings and desires by recognizing them in the stories she has heard, by blurring the boundaries between herself and the *Yellow Woman* of myth.

**Leslie Marmon Silko** David L. Moore,2016-09-22 A major American writer at the turn of this millennium, Leslie Marmon Silko has also been one of the most powerful voices in the flowering of Native American literature since the publication of her 1977 novel *Ceremony*. This guide, with chapters written by leading scholars of Native American literature, explores Silko's major novels *Ceremony*, *Almanac of the Dead*, and *Gardens in the Dunes* as an entryway into the full body of her work that includes poetry, essays, short fiction, film, photography, and other visual art. These chapters map Silko's place in the broad context of American literary history. Further, they trace her pivotal role in prompting other Indigenous writers to enter the conversations she helped to launch. Along the way, the book engages her historical themes of land, ethnicity, race, gender, trauma, and healing, while examining her narrative craft and her mythic lyricism.

**The Man to Send Rain Clouds** Kenneth Rosen,1992-12-01 Fourteen stories about the strength and passion of today's American Indian--including six from the acclaimed Leslie Marmon Silko. Anthropologists have long delighted us with the wise and colorful folktales they transcribed from their Indian informants. The stories in this collection are another matter altogether: these are white-educated Indians attempting to bear witness through a non-Indian genre,

the short story. Over a two-year period, Kenneth Rosen traveled from town to town, pueblo to pueblo, to uncover the stories contained in this volume. All reveal, to varying degrees and in various ways, the preoccupations of contemporary American Indians. Not surprisingly, many of the stories are infused with the bitterness of a people and a culture long repressed. Several deal with violence and the effort to escape from the pervasive, and so often destructive, white influence and system. In most, the enduring strength of the Indian past is very much in evidence, evoked as a kind of counterpoint to the repression and aimlessness that have marked, and still mark today, the lives of so many American Indians.

Living In-between: The Search for Identity in Leslie Marmon Silko's Ceremony Ariane Peters, 2007-09 Seminar paper from the year 2003 in the subject American Studies - Literature, grade: 1,3 (A), Ernst Moritz Arndt University of Greifswald (Institute for Anglistics/American Studies), language: English, abstract: Although Leslie Marmon Silko's complete works have received exemplary reviews, *Ceremony* seems to be the most talked about and recognized for its literary achievement. One reason for this large attention is the strange narrative form due to the combination of the Indian storytelling, myth, poetry and a plot that takes place in a modern western environment. Another reason for the remarkable success of this novel is Silko's way to show the negative repercussions on Native Americans caused by racism, alcoholism, dislocation, poverty as well as the industrial exploitation of the land. In this paper I will discuss one of the principal themes presented in Leslie Silko's *Ceremony*: the issue of Native American identity. In the first part I will briefly introduce the characters of Tayo and Rocky, two Native Americans who grew up on a reservation for the Laguna Pueblo in New Mexico. After that I will examine the similarities between these two young men who both take part in the Second World War and make horrible experiences. In the main part of this paper I will try to find out the differences between Tayo and Rocky in order to explain their different ways of searching their own identity. Furthermore I will explore the sources of Tayo's self-destructive behaviour and his problem of alienation. Therefore I will have to ponder on the following questions: How does the white culture influence these characters? Do both men suffer from the loss of Indian self-esteem? What are the effects of internalized racism and colonization on the health of Tayo? Why is Tayo able to return to the community to lead a stable and productive life? In the final comment there will be a concluding assessment and a summary of the theme.

**The Shade of the Moon** Susan Beth Pfeffer, 2013 In this eagerly awaited addition to the dystopian series begun with New York Times best-seller *Life As We Knew It*, Jon Evans is one of the lucky ones—until he realizes that escaping his safe haven may be the only way to truly survive.

*The Fifth Sacred Thing* Starhawk, 2011-08-10 An epic tale of freedom and slavery, love and war, and the potential futures of humankind tells of a twenty-first century California clan caught between two clashing worlds, one based on tolerance, the other on repression. Declaration of the Four Sacred Things The earth is a living, conscious being. In company with cultures of many different times and places, we name these things as sacred: air, fire, water, and earth. Whether we see them as the breath, energy, blood, and body of the Mother, or as the blessed

gifts of a Creator, or as symbols of the interconnected systems that sustain life, we know that nothing can live without them. To call these things sacred is to say that they have a value beyond their usefulness for human ends, that they themselves became the standards by which our acts, our economics, our laws, and our purposes must be judged. no one has the right to appropriate them or profit from them at the expense of others. Any government that fails to protect them forfeits its legitimacy. All people, all living things, are part of the earth life, and so are sacred. No one of us stands higher or lower than any other. Only justice can assure balance: only ecological balance can sustain freedom. Only in freedom can that fifth sacred thing we call spirit flourish in its full diversity. To honor the sacred is to create conditions in which nourishment, sustenance, habitat, knowledge, freedom, and beauty can thrive. To honor the sacred is to make love possible. To this we dedicate our curiosity, our will, our courage, our silences, and our voices. To this we dedicate our lives. Praise for *The Fifth Sacred Thing* "This is wisdom wrapped in drama."—Tom Hayden, California state senator "Starhawk makes the jump to fiction quite smoothly with this memorable first novel."—Locus "Totally captivating . . . a vision of the paradigm shift that is essential for our very survival as a species on this planet."—Elinor Gadon, author of *The Once and Future Goddess* "This strong debut fits well against feminist futuristic, utopic, and dystopic works by the likes of Charlotte Perkins Gilman, Ursula LeGuin, and Margaret Atwood."—Library Journal
