My Freshman Year Rebekah Nathan,2006-07-25 After fifteen years of teaching anthropology at a large university, Rebekah Nathan had become baffled by her own students. Their strange behavior—eating meals at their desks, not completing reading assignments, remaining silent through class discussions—made her feel as if she were dealing with a completely foreign culture. So Nathan decided to do what anthropologists do when confused by a different culture: Go live with them. She enrolled as a freshman, moved into the dorm, ate in the dining hall, and took a full load of courses. And she came to understand that being a student is a pretty difficult job, too. Her discoveries about contemporary undergraduate culture are surprising and her observations are invaluable, making *My Freshman Year* essential reading for students, parents, faculty, and anyone interested in educational policy.

Old Story Time Trevor Rhone,2021-03-25 There have been many great and enduring works of literature by Caribbean authors over the last century. The Caribbean Contemporary Classics collection celebrates these deep and vibrant stories, overflowing with life and acute observations about society. *Old Story Time* is a Caribbean classic, providing brilliantly entertaining theatre about race, identity, malice, and the redeeming power of love. In this enthralling drama, we progress with Len from poor scholarship boy to successful accountant. We see a similar but opposite shift in George, from wealthy, well-connected schoolboy to double-dealing crook. Len's mother Miss Aggy, the girls he first loves, and the woman he eventually marries, many destinies are entwined with Len's. Misunderstandings can be dangerous, and trust and love need some help to win through. With the help of Pa Ben, our far-seeing narrator, can things end well? Trevor Rhone was a leading dramatist in Jamaica. His sparkling and original talent has won acclaim from critics and audiences worldwide. Suitable for readers aged 14 and above.

Blood on the River Elisa Carbone,2007-09-20 Twelve-year-old Samuel Collier is a lowly commoner on the streets of London. So when he becomes the page of Captain John Smith and boards the *Susan Constant*, bound for the New World, he can't believe his good fortune. He's heard that gold washes ashore with every tide. But beginning with the stormy journey and his first contact with the native people, he realizes that the New World is nothing like he imagined. The lush Virginia shore where they establish the colony of James Town is both beautiful and forbidding, and it's hard to know who's a friend or foe. As he learns the language of the Algonquian Indians and observes Captain Smith's wise diplomacy, Samuel begins to see that he can be whomever he wants to be in this new land.

Global Investments Bruno Solnik,Dennis McLeavey,AIMR,2014-01-27 This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. For courses in International Investment. *Global Investments*, the Sixth Edition of the previously titled *International Investments*, provides accessible coverage of international capital markets using numerous examples to illustrate the applications of concepts and theories. The new title reflects the current understanding that the distinction between domestic and international is no longer relevant and that asset management is global. This book is ideal for CFA® (Chartered Financial Analyst) candidates, advanced finance undergraduates, and MBA individuals, and it has been selected by the CFA Institute as part of the curriculum to deliver the Candidate Body of Knowledge for the CFA. The text is also widely used by professionals working in the investments area, as the level is accessible to readers and portfolio managers without recent training in portfolio theory.

Football in France Geoff Hare,2003-04 Hare traces the gradual evolution of traditional French football values and considers the impact of new and controversial business practices. He asks what is peculiarly French about French football, and what does football tell us about France?.

The Reign of Mary I Robert Tittler,Judith Richards,2014-07-22 Until recently, the reign of Mary Tudor was generally seen as a 'sterile interlude' in the Tudor century, with Mary herself dismissed as 'Bloody Mary'. Extensive research in the past several decades has overturned these assumptions in almost every respect. In this succinct and up-to-date introduction to Mary's reign, Tittler and Richards provide new insight into the circumstances of Mary's accession and go on to show that her reign was a lot more stable, and her regime much more competent and innovative, than once believed. This fully revised third edition includes a diverse range of primary sources and sheds new light on a variety of topics, such as: · The complexities of Mary's relations with Philip of Spain · The restoration of Catholicism · The use of visual as well as literary means to legitimize and support Mary's rule · The context for the war with France This concise and thought-provoking introduction is ideal for students and interested readers at all levels.

Nine Days Toni Jordan,2012-08-22 It is 1939 and although Australia is about to go to war, it doesn't quite realise yet that the situation is serious. Deep in the working-class Melbourne suburb of Richmond it is business—your own and everyone else's—as usual. And young Kip Westaway, failed scholar and stablehand, is living the most important day of his life.

Understand the dynamics of price action trading and give yourself a significant trading advantage. Benefit from years of trading experience. Give yourself an advantage by learning from someone who has experience on a prop desk. Atanas will teach you what you need to know about different types of price action and how to trade it. Not sure where to start? Are you unsure about what it means to trade price action? Or maybe you don't understand how technical indicators work. This book will give your trading clarity. Understand different types of candlesticks and price action patterns so you can reduce your risk and be consistently profitable.. Easy to understand explanations of complex topics, this book will demystify price action trading once and for all. From Steve Burns of NewTraderU.com: Atanas writes about the topics that most traders are interested in, price action and the tools to trade it systematically. His insight on technical indicators, how to identify and trade a trend, and how to visually see chart patterns have been read by tens of thousands of readers. The work and effort Atanas puts into writing and custom illustration is a testament to his passion for trading. About the Author: Atanas Matov a.k.a. Colibri Trader (@priceinaction on Twitter) started his trading career as a retail trader in the early 2000's. After a few years of trading and investing his own funds, he won the KBC stock market challenge and shortly afterwards started working for a leading prop trading house in London. Currently he is trading his own account and trying to help other traders through his trading blog and social media. Major part of Atanas's philosophy is in giving back and helping others achieve their trading goals. In his own words: Judge your trading success by the things you have given up in order to get where you are now! Follow Atanas on Twitter @priceinactionwww.colibritrader.com
