Searching for Someday Jennifer Probst, 2013-11-26 From "one of the most exciting breakout novelists" (USA TODAY) comes the first novel in an irresistible new series—a spin-off of the bestselling Marriage to a Billionaire series—featuring a matchmaker who falls for a man who doesn't believe in love. In charming Verily, New York, Kate Seymour has a smashing success with Kinnections, the matchmaking service she owns with her two best girlfriends. But Kate's more than a savvy businesswoman: She's gifted with a secret power, a jolting touch that signals when love's magic is at work. It rocked her when she picked up a strange volume of love spells in the town's used bookstore...and it zapped her again when she encountered Slade Montgomery, the hot-tempered—and hot-bodied—divorce lawyer who storms into Kinnections demanding proof that playing Cupid won't destroy his vulnerable sister, Kate's newest client. The only way to convince this cynic that she's no fraud, and that love is no mirage, is for Kate to meet his audacious challenge: find him his dream woman. Can Kate keep their relationship strictly business when her electrifying attraction nearly knocked her off her feet? Or has the matchmaker finally met her match?

Sidney Sheldon's After the Darkness LP Sidney Sheldon, Tilly Bagshawe, 2010-05-25 Following the success of the New York Times bestseller *Sidney Sheldon's Mistress of the Game*, this sweeping tale of love and betrayal, vengeance and redemption, will leave you racing to its shocking, triumphant end. What happens when a woman who has everything loses everything? And when a woman who has nothing realizes she has nothing to lose? Blessed with the face of an

angel and the guileless, trusting nature of a child, Grace Brookstein is the prized wife of the king of Wall Street, Lenny Brookstein. A billionaire many times over, with estates around the world, a fleet of yachts, and a life that is the stuff of fantasies, the revered financial wizard made his fortune tending the nest eggs of ordinary people—the elderly, blue-collar workers, small charities, and working families struggling to make a better life for themselves and their children. The embodiment of America itself—ambitious, hardworking, generous, and warmhearted—Lenny is a fixture of the business pages and the society columns, where he and Grace are celebrated for their philanthropic contributions and their lavish annual fund-raising ball. Despite the stock market's terrifying collapse, the Brooksteins' glamorous lifestyle of Palm Beach polo tournaments and G5 jets remains untouched—until the day Lenny goes sailing from their Nantucket beach estate and never comes home. When his abandoned yacht is found far out at sea, Grace is devastated. Lenny was her world. She has no idea that his disappearance is just the beginning of a dark, terrifying nightmare of murder, lies, greed, and betrayal that will shatter her life and destroy everything she has ever known. . . . Before she can begin to grieve, the shocking news breaks that the \$75 billion invested in Quorum, Lenny's hedge fund, is gone—and everyone believes that Grace has stolen the money. Overnight, the delicate beauty who was once the toast of moneyed society has become a reviled modern-day Marie Antoinette, alone and power-less to stop her infamous fall. Grace is certain someone is framing her, and she'll do whatever it takes to prove it, even if it means taking the law into her own hands. Surrounded by enemies, with no one to turn to, Grace must learn to rely on herself—a bold, dangerous journey that will transform her in ways she never thought possible and lead her to a startling new life. Filled with the passion, glamour, twists, and driving suspense that made Sidney Sheldon a bestselling legend, Sidney Sheldon's *After the Darkness* is an entertaining thrill ride that continues the grand tradition set by the master himself.

Stolen Innocence Melody Anne, 2016-01-22 Every master was once a student - every woman was once a child ... What makes a person forget their entire identity? What makes them become someone else? What makes them desire pain ... control ... and ultimately pleasure? It's not anything that happens overnight, over even in a few weeks. Tragedy beyond what a human can possibly imagine will forever alter Mary's future. Mary's life is boring, conservative and typical. She wants adventure, thrills and so much more. But she will soon learn to be careful what to wish for when she's taken against her will and thrust into the twisted world of a powerful man who doesn't care if she lives or dies. When Mary starts becoming Elena, she does find a savior, but is he truly the person who will protect her, or will he be the one to escort her straight into the pits of hell? Forgetting who she is or where she belongs, she learns she can trust no one, rely on only herself, and fall further than she ever thought possible. She will become someone else and the cycle will begin. She will become the person who will eventually change the life of so many others. Some might say the change is good, the violence is necessary. And some will cry for this tragedy that should have been stopped. Just when you think you know how it all came about, how it will end, you will be floored again by who can be trusted ... and who can't. Note from the author: This book isn't anything like what I've written before. I had a dream, the opening scene of this book, actually. And I woke up and lay there for a while, and still couldn't push it away, so I got up, wrote the first chapter. Then I lay back down and was back out of bed within fifteen minutes, where I gave up on sleep and sat at my computer all night and all the next day until my eyes wouldn't stay open anymore. Then for the next week, all I did was eat and sleep (minimally) and the first draft was born. I was so emotionally drained from it, I put it away for a month, and then came back to it and went back into the world of Elena. My question was, what makes someone enter into a lifestyle of BDSM? What makes them enjoy pain? Enjoy being degraded? Then I realized, it's not a matter of enjoyment necessarily. It's a matter of your world spinning out of control. And this is a way to ground yourself. Elena has become so special to me. The first book is tragic and I cried several times while writing it. The second book, she starts to find herself, and in the third book ... well, the third book leaves your mouth hanging open. I hope you enjoy this journey with me. It's been an emotional one. This book is intended for mature audiences only. There are explicit scenes of abuse, language and questionable sexual situations. Eighteen and older only. This story is about a woman so abused she turns into a person most wouldn't even fathom becoming.

Ehd's a caveman living on his own in a harsh wilderness. He's strong and intelligent, but completely alone. When he finds a beautiful young woman in his pit trap, it's obvious to him that she is meant to be his mate. He doesn't know where she came from, she's wearing some pretty odd clothing, and she makes a lot of noises with her mouth that give him a headache. Still, he's determined to fulfill his purpose in life - provide for her, protect her, and put a baby in her. Elizabeth doesn't know where she is or exactly how she got there. She's confused and distressed by her predicament, and there's a caveman hauling her back to his cavehome. She's not at all interested in Ehd's primitive advances, and she just can't seem to get him to listen. No matter what she tries, getting her point across to this primitive but beautiful man is a constant - and often hilarious - struggle. With only each other for company, they must rely on one another to fight the dangers of the wild and prepare for the winter months. As they struggle to coexist, theirs becomes a love story that transcends language and time.
