Fausto Avendaño

Drink Cultura José Antonio Burciaga, 1993 Presents the Chicano experience of living within, between, and sometimes outside two cultures, exploring the damnation, salvation, and celebration of it all.

The Last Supper of Chicano Heroes José Antonio Burciaga, 2008-09 Widely considered one of the most important voices in the Chicano literary canon, José Antonio Burciaga was a pioneer who exposed inequities and cultural difficulties through humor, art, and deceptively simple prose. In this anthology and tribute, Mimi Gladstein and Daniel Chacón bring together dozens of remarkable examples of Burciaga's work. His work never demonstrates machismo or sexism, as he believed strongly that all Chicano voices are equally valuable. Best known for his books *Weedee Peepo*, *Drink Cultura*, and *Undocumented Love*, Burciaga was also a poet, cartoonist, founding member of the comedy troupe *Cultura Clash*, and a talented muralist whose well-known work "The Last Supper of Chicano Heroes" became almost more famous than the man. This first and only collection of

Burciaga's work features thirty-eight illustrations and incorporates previously unpublished essays and drawings, including selections from his manuscript "The Temple Gang," a memoir he was writing at the time of his death. In addition, Gladstein and Chacón address Burciaga's importance to Chicano letters. A joy to read, this rich compendium is an important contribution not only to Chicano literature but also to the preservation of the creative, spiritual, and political voice of a talented and passionate man.

Spilling the Beans José Antonio Burciaga, 1995 The Chicano artist and journalist presents nearly two dozen short pieces, including essays on the Mambo dance of el Diablo, the 1943 Los Angeles Zoot Suit riots, NAFTA, and a defense of the jalapeno.

The Chicanos Fausto Avendaño, 2017 Thirteen Chicano scholars draw upon their personal experiences and expertise to paint a vivid, colorful portrait of what it means to be a Chicano. We have

come a long way, says Arnulfo D. Trejo, editor of this volume, from the time when the Mexicano silently accepted the stereotype drawn of him by the outsider. He identifies himself as a Chicano, and his promised land is Aztlán, home of the ancient Aztecs, which now provides spiritual unity and a vision of the future for Chicanos. In these twelve original compositions, says Trejo, our purpose is not to talk to ourselves, but to open a dialogue among all concerned people. The personal reactions to Chicano women's struggles, political experiences, bicultural education and history provide a wealth of information for laymen as well as scholars. In addition, the book provides the most complete recorded definition of the Chicano Movement, what it has accomplished, and its goals for the future.

Restless Serpents Bernice Zamora, José Antonio Burciaga, 1976

En Pocas Palabras José Antonio Burciaga, 1997 The author of *Drink Cultura* gathered this generous bilingual compilation of Latino folk sayings--dichos. Arranged by theme, these dichos express Latino wit and wisdom about subjects from Ability, Adversity, and Advice to Work, Writing, and Youth. José Antonio Burciaga was born in El Paso and taught at Stanford. His previous books include *Drink Cultura: Chicanismo*, *Spilling the Beans: Lotería Chicano*, and *Undocumented Love*. He was a Literature winner of the Hispanic Heritage Awards. He died in 1996 as this book was going to press. José Antonio Burciaga has done it again! His book of Latino folk sayings is a mesmerizing goldmine of the wisdom and wit of a people who can laugh off any hardships. As a true poet, Burciaga has come out with real jewels. Some can make us laugh; others can make us cry; all come from the deepest realm of our collective soul and heart.--Francisco X. Alarcón Our young people need to hear his voice and the older generation needs to remember the causes for our uproar.--Gary Soto

The Road to Tamazunchale Ron Arias, 1987 The road to Tamazunchale, which was nominated for the National Book Award, tells the story of Don Fausto, a very old man on the verge of death who

lives in the barrio of Los Angeles. Rather than resigning himself, he embarks on a glorious journey in and out of time, space and consciousness with a cast of companions that include his teenaged niece, a barrio street dude, a Peruvian shepherd, a group of mojudos, and others--Back cover.

Drink Cultura, Refrescante, C/s José Antonio Burciaga,1979

Hotel Juarez Daniel Chacón,2012 In this collection of short and flash fiction, Daniel Chacón examines peoples' interactions with each other, the impact of identity and the importance of literature, art and music. In one story, a girl remembers her father, who taught her to love books and libraries. A

book can whisper at you, call at you from the shelves. Sometimes a book can find you. Seek you out and ask you to come and play, he told her. Years later, she finds herself pulling an assortment from the shelves, randomly reading passages from different books and entering into the landscapes as if each book were a wormhole. Somehow one excerpt seems to be a continuation of another, connecting in the way that birds do when they fly from a tree to the roof of a house, making an idea, a connection, a tree-house., Misconceptions about people, the responsibility of the artist and conflicts about identity pepper these stories that take place in the U.S. and abroad. In *Mais, Je Suis Chicano*, a Mexican American living in Paris identifies himself as Chicano, rather than American. It's not my fault I was born on the U.S. side of the border, he tells a French Moroccan woman when she discovers that he really is American, a word she says as if it could be replaced with murderer or child molester. Many of the stories are very short and contain images that flash in the reader's mind, loop back and connect to earlier ones. Other stories are longer, like rooms, into which Chacón invites the reader to enter, look around and hang out. And some are more traditional. But whether short or long, conventional or

experimental, the people in these pieces confront issues of imagination and self. In *Sábado Gigante*, a young boy who is as big as a gorilla must face his best friend's disappointment that in spite of his size he's a terrible athlete, and even more confounding, he prefers playing dolls to baseball. Whether in Paris or Ciudad Juárez, Chacón reveals his characters at their most vulnerable in these powerful and rewarding stories, anti-stories and loops.

Spanish Loanwords in the English Language Félix Rodríguez Gonzáles, 2017-06-26 The future of English linguistics as envisaged by the editors of *Topics in English Linguistics* lies in empirical studies, which integrate work in English linguistics into general and theoretical linguistics on the one hand, and comparative linguistics on the other. The *TiEL* series features volumes that present interesting new data and analyses, and above all fresh approaches that contribute to the overall aim of the series, which is to further outstanding research in English linguistics. For further publications in English linguistics see also our *Dialects of English* book series. To discuss your book idea or submit a proposal, please contact Natalie Fecher.

Unending Rooms Daniel Chacón,2008 Daniel Chacon's collection of stories, set mainly in the southwest, digs deep into the lives of each character, laying bare their emotional distance, vulnerabilities and desires. Chacon's writing is deceptively simple, Carveresque at times in its plain talk. And yet, the narrative in each of these stories is dead-on-the-money, intimate and insightful.--

Tongue-tied Otto Santa Ana, 2004 Tongue-Tied is an anthology that gives voice to millions of people who, on a daily basis, are denied the opportunity to speak in their own language. First-person accounts by Amy Tan, Sherman Alexie, bell hooks, Richard Rodriguez, Maxine Hong Kingston and many other authors open windows onto the lives of linguistic minority students and their experience in coping in school and beyond. Selections from these writers are presented along accessible, abridged scholarly articles that assess the impact of language policies on the experiences and life opportunities of minority-language students. Vivid and unforgettable, the readings in Tongue-Tied are ideal for teaching and learning about American education and for spurring informed debate about the many factors that affect students and their lives. The Cholo Tree Daniel Chacón, 2017-05-31 “Do you know what a stereotype you are?” Jessica asks her son. “You’re the existential Chicano.” Fourteen-year-old Victor has just been released from the hospital; his chest is wrapped in bandages and his arm is in a sling. He has barely survived being shot, and his mother accuses him of being a cholo, something he denies. She’s not the only adult that thinks he’s a gangbanger. His sociology teacher once sent him to a teach-in on gang violence. Victor’s philosophy is that everyone is racist. “They see a brown kid, they see a banger.” Even other kids think he’s in a gang, maybe because of the clothes he wears. The truth is, he loves death (metal, that is), reading books, drawing, the cartoonist Lalo Alcaraz and the Showtime series *Weeds*. He likes school and cooking. He knows what a double negative is! But he can’t convince his mom that he’s not in a gang. And in spite of a genius girlfriend and an art teacher who mentors and encourages him to apply to art schools, Victor can’t seem to overcome society’s expectations for him. In this compelling novel, renowned Chicano writer Daniel Chacón once again explores art, death, ethnicity and racism. Are Chicanos meant for meth houses instead of art schools? Are talented Chicanos never destined to

study in Paris?
