El camino de los sabios es la contribución de un experimentado psicólogo clínico a la difusión de las ideas más importantes de los pensadores clásicos. En esta obra se transforman esas enseñanzas en una filosofía terapéutica, útil y pragmática aplicable a la vida cotidiana, capaz de generar un efecto transformador y altamente positivo para la existencia individual. En los comienzos de la historia del conocimiento hay una puerta a una vida plena que podemos abrir... y la sorpresa será enorme.

El camino de los sabios Walter Riso,2009 El camino de los sabios pretende recuperar y actualizar algunos principios básicos de la filosofía, entendiendo esta ciencia como una psicología práctica que nace de la capacidad y la virtud de “saber vivir” y que proporciona herramientas para desenvolverse en la vida cotidiana. Walter Riso rescata en esta obra a los más grandes filósofos clásicos y los traduce a un lenguaje sencillo y acorde a los avances de la psicología de hoy, para trasladarlos al aquí y al ahora y abordar los problemas del día a día. En los albores de la historia del conocimiento, hay una puerta a la vida plena que podemos abrir... y la sorpresa será mayúscula.

Self-Confidence Charles Pépin,2019-12-31 Inspired by great figures from Emerson and Nietzsche to Madonna and Serena Williams, this engaging philosophical essay explores the workings of self-confidence and how to develop it. Where does self-confidence come from? How does it work? What makes it stronger or weaker? Why are some people more confident than others? Is it only a question of temperament or the result of conscious self-improvement? How do you get closer to those who stand out thanks entirely to their confidence in themselves? Drawing on philosophical texts, ancient wisdom, positive psychology, and a wide range of case studies that feature famous thinkers, artists, and athletes, but also unsung heroes such as a fighter pilot and an urgent-care doctor, Charles Pépin brings to light the strange alchemy that is self-confidence. In doing so, he gives us the keys to having more confidence in ourselves.

The Art of Life Zygmunt Bauman,2013-05-20 In our individualized society we are all artists of life - whether we know it or not, will it or not and like it or not, by decree of society if not by our own choice. In this society we are all expected, rightly or wrongly, to give our lives purpose and form by using our own skills and resources, even if we lack the tools and materials with which artists' studios need to be equipped for the artist's work to be conceived and executed. And we are praised or censured for the results - for what we have managed or failed to accomplish and for what we have achieved and lost. In our liquid modern society we are also taught to believe that the purpose of the art of life should be and can be happiness - though it's not clear what happiness is, the images of a happy state keep changing and the state of happiness remains most of the time something yet-to-be-reached. This new book by Zygmunt Bauman - one of the most original and influential social thinkers writing today - is not a book of designs for the art of life nor a 'how to' book: the construction of a design for life and the way it is pursued is and cannot but be an individual responsibility and individual accomplishment. It is instead a brilliant account of conditions under which our designs-for-life are chosen, of the constraints that might be imposed on their choice and of the interplay of design, accident and character that shape their implementation. Last but not least, it is a study of the ways in which our society - the liquid modern, individualized society of consumers - influences (but does not determine) the way we construct and narrate our life trajectories.

Interior Freedom Jacques Philippe,2017-03-29 Interior Freedom leads one to discover that even in the most unfavorable outward circumstances we possess within ourselves a space of freedom that nobody can take away, because God is its source and guarantee. Without this discovery we will always be restricted in some way and will never taste true happiness. Author Jacques Philippe develops a simple but important theme: we gain possession of our interior freedom in exact proportion to our growth in faith, hope, and love. He explains that the dynamism between these three theological virtues is the heart of the spiritual life, and he underlines the key role of the virtue of hope in our inner growth. Written in a simple and inviting style, Interior Freedom seeks to liberate the heart and mind to live the true freedom to which God calls each one.

Literature and Historiography in the Spanish Golden Age Sofie Kluge,2021-09-30 Golden Age departures in historiography and theory of history in some ways prepared the ground for modern historical methods and ideas about historical factuality. At the same time, they fed into the period's own aesthetic-historical culture which amalgamated fact and fiction in ways modern historians would consider counterfactual: a culture where imaginative historical prose, poetry and drama self-consciously rivalled the accounts of royal chroniclers and the dispatches of diplomatic envoys; a culture dominated by a notion of truth in which skilful construction of the argument and exemplarity took precedence over factual accuracy. *Literature and Historiography in the Spanish Golden Age: The Poetics of History* investigates this grey area backdrop of modern ideas about history, delving into a variety of Golden Age aesthetic-historical works which cannot be satisfactorily described as either works of literature or works of historiography but which belong in between these later strictly separate categories. Everything You Want to Know about the Bible Peter Douglas Downey,Ben James Shaw,2010-05-11 It's the bestselling book ever. It's been translated into more than 2,000 languages. It's changed people's lives around the world. No, it's not *Thin Thighs in 30 Days* . . . it's the Bible! Yet the Bible remains about as well-understood to many people as your typical software license agreement—and about as exciting. That's too bad, because the Bible is exciting, and it doesn't have to be a mystery. Whether you're new to the Bible and think the book of Job is a guide to finding the perfect career, or your rusty Bible knowledge needs a spit-and-polish, or you just want a fresh look at the book you've read so many times, this is the book for you. No dry theological treatise, it's written in an engaging, humorous style you will enjoy. In short, readable chapters, the authors first answer some basic questions: Who wrote the Bible? Is it accurate? How do you find your way around it? And how did Noah fit all those animals into the ark anyway? (Well, maybe not that, but there's still plenty of trivia in there.) Then they take you on a guided tour from Genesis to Revelation, summarizing important people, events, and themes. You'll get a good foundation for understanding and an excitement for reading this most important of books, the Bible. "The title says it all! It's an inspiring trailer for the Best Book in the World. Read it front to back or just dip in—either way it does the biz." —Rob Lacey, author of the word on the street, actor and broadcaster

La mente humana no es exacta ni infalible a la hora de procesar la información; pero, afortunadamente, tenemos la facultad de darnos cuenta de nuestros errores y desaprender lo que aprendimos. En *Pensar bien, sentirse bien*, Riso nos ofrece una propuesta seria y fundamentada para empezar a pensar en uno mismo de una manera más racional y saludable, y lograr el desarrollo pleno de nuestro potencial humano.

To overcome challenges such as these, Day developed techniques, presented here, to create dazzling results in less time and with less work. You can initiate these techniques from your couch—by using your innate ability to utilize that knowledge that you have inside of you to transmit and receive information, and to build a new reality.

No Time Like the Present Jack Kornfield,2017-05-16 In this landmark work, internationally beloved teacher of meditation and "one of the great spiritual teachers of our time" (Alice Walker, author of *The Color Purple*) Jack Kornfield reveals that you can be instantly happy with the keys to inner freedom. Through his signature warmhearted, poignant, often funny stories, with their a-ha moments and O. Henry-like outcomes, Jack Kornfield shows how we can free ourselves, wherever we are and whatever our circumstances. Renowned for his mindfulness practices and meditations, Jack provides keys for opening gateways to immediate shifts in perspective and clarity of vision, allowing us to "grapple with difficult emotions" (Publishers Weekly, starred review) and know how to change course, take action, or—when we shouldn't act—just relax and trust. Each chapter presents a path to a different kind of freedom—freedom from fear, freedom to start over, to love, to be yourself, and to be happy—and guides you into an active process that engages your mind and heart, awakens your spirit, and brings real joy, over and over again. Drawing from his own life as a son, brother, father, and partner, and on his forty years of face-to-face teaching of thousands of people across the country, Jack presents "a consommé of goodness, heart, laughter, tears, and breath, nourishing and delicious" (Anne Lamott, author of *Bird by Bird*). His keys to life will help us find hope, clarity, relief from past disappointments and guilt, and the courage to go forward.
