The Brooke Book Brooke Shields, 1982-11 Photographs by the world's great photographers combine with autobiographical information and Brooke's poetry, drawings, short stories, and scrapbook clippings to chronicle the life of the thirteen-year-old child-woman model and actress

There Was a Little Girl Brooke Shields, 2014-11-18 The perfect gift for Brooke Shields fans, *There Was a Little Girl* explores Brooke's relationship with her unforgettable mother, Teri, in this extraordinary, heartfelt memoir that became a New York Times bestseller. Brooke Shields never had what anyone would consider an ordinary life. She was raised by her Newark-tough single mom, Teri, a woman who loved the world of show business and was often a media sensation all by herself. Brooke's iconic modeling career began by chance when she was only eleven months old, and Teri's skills as both Brooke's mother and her manager were formidable. But in private she was troubled and drank heavily. As Brooke became an adult the pair made choices and sacrifices that would affect their relationship forever. And when Brooke's own daughters were born she found that her experience as a mother was shaped in every way by the woman who raised her. But despite the many ups and downs, Brooke was by Teri's side when she died in 2012, a loving daughter until the end. Only Brooke knows the truth of the remarkable, difficult, complicated woman who was her mother. And now, in an honest, open memoir about her life growing up, Brooke will reveal stories and feelings that are relatable to anyone who has been a mother or daughter.

Spiritual America Richard Prince, 1989 A distinction [Prince's] work brings out in particular is between pictures & what you do with pictures, between art & how art is used.—Stuart Morgan, Artscribe

Welcome to Your World, Baby Brooke Shields, 2008-06-24 A little girl welcomes her new baby sister home from the hospital and takes joy in telling and showing her all the activities and experiences they will share.

The Book with No Pictures B. J. Novak, 2014-09-30 A #1 New York Times bestseller, this innovative and wildly funny read-aloud by award-winning humorist/actor B.J. Novak will turn any reader into a comedian—a perfect gift for any special occasion! You might think a book with no pictures seems boring and serious. Except . . . here's how books work. Everything written on the page has to be said by the person reading it aloud. Even if the words say . . . BLORK. Or BLUURF. Even if the words are a preposterous song about eating ants for breakfast, or just a list of astonishingly goofy sounds like BLAGGITY BLAGGITY and GLIBBITY GLOBBITY. Cleverly irreverent and irresistibly silly, *The Book with No Pictures* is one that kids will beg to hear again and again. (And parents will be happy to oblige.)

Julian Wasser Brad Elterman, 2014 This long-overdue monograph presents an astonishing panorama of a bygone Los Angeles from photographer Julian Wasser. Some of the images are very well known—Joan Didion leaning against a Corvette Stingray in Hollywood, 1968; Marcel Duchamp playing chess at his seminal 1963 Pasadena exhibition—while many others, such as Barbara Hershey and David Carradine in bed in their Laurel Canyon house, Jack Nicholson and Angelica Huston at Jack's Mulholland Drive home, or the Fonda family lined up on the family sofa, paint a picture of a very private Hollywood of the 1960s and 70s, when privacy was possible and celebrity culture had not yet completely consumed the country. Mingled with these iconic faces are pictures of California counterculture such as the Hog Farm Commune in Sunland; surfers in Malibu Beach; musicians such as the Beatles, the Beach Boys, the Byrds, Frank Zappa, Crosby, Stills & Nash, Joni Mitchell and Elton John, documentation of events such as Robert Kennedy's campaign and the Watts riots; shots of Clint Eastwood on the set of *Magnum Force*, George and Marci Lucas with Martin Scorsese and Roman Polanski at Polanski's house on Cielo Drive after the murder of Sharon Tate in 1969. Julian Wasser started his career in photography as a copy boy in the Washington, DC bureau of the Associated Press. He was a contract photographer for *Time* magazine for many years, and his photographs have also appeared in (and on the covers of) *Life*, *Newsweek*, *People*, *Vanity Fair*, *Paris Match*, *Der Spiegel*, *Oggi*, *Hello*, *Playboy*, *Elle*, *Vogue* and *GQ*.

The Beauty of Living Twice Sharon Stone, 2021-03-30 NEW YORK TIMES BEST SELLER • Sharon Stone tells her own story: a journey of healing, love, and purpose. • “Not your typical Hollywood autobiography. Brutally honest, restless and questing.” —O, The Oprah Magazine Sharon Stone, one of the most renowned actresses in the world, suffered a massive stroke that cost her not only her health, but her career, family, fortune, and global fame. In *The Beauty of Living Twice*, Stone chronicles her efforts to rebuild her life and writes about her slow road back to wholeness and health. In a business that doesn't accept failure, in a world where too many voices are silenced, Stone found the power to return, the courage to speak up, and the will to make a difference in the lives of men, women, and children around the globe. Over the course of these intimate pages, as candid as a personal conversation, Stone talks about her pivotal roles, her life-changing friendships, her worst disappointments, and her greatest accomplishments. She reveals how she went from a childhood of trauma and violence to a career in an industry that in many ways echoed those same assaults, under cover of money and glamour. She describes the strength and meaning she found in her children, and in her humanitarian efforts. And ultimately, she shares how she fought her way back to find not only her truth, but her family's reconciliation and love. Stone made headlines not just for her beauty and her talent, but for her candor and her refusal to “play nice,” and it's those same qualities that make this memoir so powerful. *The Beauty of Living Twice* is a book for the wounded and a book for the survivors; it's a celebration of women's strength and resilience, a reckoning, and a call to activism. It is proof that it's never too late to raise your voice and speak out.

Always Young and Restless Melody Thomas Scott, Dana L. Davis, 2020-08-18 The renowned actress who played Nikki Newman on *The Young and the Restless* opens up about her sixty-year career in this scintillating memoir. Melody Thomas Scott admits she is nothing like her character on *The Young and the Restless*, who's seen it all in her forty-year tenure on America's highest-rated daytime serial. But there's plenty of drama beyond her character's plotlines. In this captivating memoir, Melody reveals the behind-the-scenes saga of her journey to stardom and personal freedom. As Nikki went from impoverished stripper to vivacious heroine, Melody underwent her own striking transformation, becoming a household name in the process. Raised by her abusive grandmother, Melody acted in feature films with Alfred Hitchcock, John Wayne, and Clint Eastwood—and endured abuse of industry men before taking control of her life and career in a daring getaway move. Melody shares all this, plus juicy on-and-off-set details of what it's like to be one half of the show's most successful supercouple, “Niktor.” In witty, warm prose, readers meet the persevering heart of an American icon. Prepare to be moved by a life story fit for a soap opera star.

Beautiful Old Dogs David Tabatsky, 2013-11-05 A charming, delightfully photographed tribute to the older dog, with essays and poetry. Gandhi once said, The greatness of a nation and its moral progress can be judged by the way that its animals are treated. How people regard older animals is especially revealing. *Beautiful Old Dogs* is a heartfelt, emotional, passionate tribute to old dogs. It will inspire many readers to get involved in senior dog rescue and adoption, as it honors our senior best friends and explores their current state of care and custody in an informative appendix. This book features the exquisite photography of the late Garry Gross, a noted fashion photographer during the 60s, 70s and 80s who, after becoming a highly successful dog trainer in New York City, turned his camera lens towards dogs. Gross, along with Victoria Stilwell from *Animal Planet's It's Me or the Dog*, founded *Dog Trainers of New York* in 2002, and became devoted to highlighting the plight and value of senior dogs. The older the better, Gross said. Dogs with soul in their eyes. David Tabatsky has collected Gross's photographs here, and carefully curated an accompanying selection of moving, insightful, funny, and uplifting essays and short pieces by a range of writers, with contributions from Anna Quindlen, Ally Sheedy, Christopher Durang, Doris Day, Dean Koontz, Marlo Thomas, and many more.

Face of Fashion Susan Bright, Vince Aletti, 2007 This text explores the symbiotic relationship between contemporary portrait photography and fashion. It presents the intensely unconventional, often unnervingly

intimate portraiture being made by five of the most creative and original fashion photographers in the world today.

Words Without Pictures Charlotte Cotton, Alex Klein, 2010 Words Without Pictures was originally conceived of by curator Charlotte Cotton as a means of creating spaces for thoughtful and urgent discourse around current issues in photography. Every month for a year, beginning in November 2007, an artist, educator, critic, art historian, or curator was invited to contribute a short, un-illustrated, and opinionated essay about an aspect of photography that, in his or her view, was either emerging or in the process of being rephrased. Each piece was available on the Words Without Pictures website for one month and was accompanied by a discussion forum focused on its specific topic. Over the course of its month-long life, each essay received both invited and unsolicited responses from a wide range of interested parties: students, photographers active in the commercial sector, bloggers, critics, historians, artists of all kinds, educators, publishers, and photography enthusiasts alike all coming together to consider the issues at hand. All of these essays, responses, and other provocations are gathered together in a volume designed by David Reinfurt of Dexter Sinister. Previously issued as a print-on-demand title, Aperture is pleased to present Words Without Pictures to the trade for this first time as part of the Aperture Ideas series.

Avedon Gideon Lewin, 2019-11-26 This monograph on the work of Gideon Lewin, master printer and assistant to Richard Avedon, reveals moments never told, stories never heard, and a life that only a few ever experienced. It is a story of a close working relationship and collaboration with a master. *Avedon: Behind the Scenes, 1964-1980* relates Lewin's personal experiences working with Richard Avedon for 16 years. It is about the hard work, the intrigues, the energy, the mysteries, the humor, and the commitment to creating images that were larger-than-life and will last for generations. This book illuminates many details about preparations for Avedon's major exhibitions, the master classes he was a part of, and many behind-the-scenes stories working on fashion collections in Paris and in New York for Harper's Bazaar and Vogue, photographing the world's most famous personalities and most beautiful women: Sophia Loren, Audrey Hepburn, Catherine Deneuve, Cher, Jean Shrimpton, Veruschka, Twiggy, Rene Russo, Patti Hansen, and Lauren Hutton. Finally, this book opens a window on the lighter side of Richard Avedon, as well as his total dedication to the art of photography in his determination to leave a legacy unlike that of any other photographer. With about 200 photographs *Avedon: Behind the Scenes, 1964-1980* is a singular and remarkable journey.

Down Came the Rain Brooke Shields, 2005-05-03 In this compelling memoir, Brooke Shields talks candidly about her experience with postpartum depression after the birth of her daughter, and provides millions of women with an inspiring example of recovery. When Brooke Shields welcomed her newborn daughter, Rowan Francis, into the world, something unexpected followed--a crippling depression. Now, for the first time ever, in *Down Came the Rain*, Brooke talks about the trials, tribulations, and finally the triumphs that occurred before, during, and after the birth of her daughter.

Disco Years Ron Galella, 2006 The definitive visual diary of the New York club scene in the 70s, *Disco Years* presents an astounding collection of photographs from America's premier nightlife photographer, Ron Galella. His candid shots of the era's fabulous fashionistas, indulgent rock idols, outlandish artists, mystical muses, jet-setting socialites and fantastic freaks reveal the delicious decadence that defined the decade. *Disco Years* brings viewers the high life, literally and figuratively. It takes people back to a time when skiing was an indoor activity, velvet ropes were high security, and incredible style was the only requirement.

Communication Law in America Paul Siegel, 2008 Siegel's student-friendly approach, lively writing style, and extensive illustrations including case-specific photos and one-of-a-kind cartoons present communication law in a highly accessible way. He gives a clear overview of the American judiciary system and covers the key areas, including First Amendment principles, common laws, constitutional considerations, libel laws, privacy factors, copyright and trademark, advertising, protecting news sources, obscenity laws, broadcast regulations, the Internet, and more. This is an engaging text for courses in communication law and media law.

Media & Entertainment Law 2/e Ursula Smartt, 2014-03-21 *Media and Entertainment Law* presents a contemporary analysis of the law relating to the media and entertainment industry both in terms of its practical application and its theoretical framework. It provides a clear, current and comprehensive account of this exciting subject. Fully updated and revised, this second edition is one of the first texts to contain a full analysis of the Leveson Inquiry and the implications for our press and media that are arising from it. The new edition contains; a new chapter analysing the Defamation Act 2013; the Digital Economy Act 2010 which aimed to toughen up against copyright infringement online and has been subject to parliamentary review since coming into power; and the liability of internet service providers, including recent cases such as *Tamiz vs Google* 2012, which goes some way to define the extent to which an ISP may or may not be found liable for their bloggers content. With integrated coverage of Scots and Northern Irish law, *Media and Entertainment Law* also highlights comparisons with similar overseas jurisdictions, such as with the liability of ISPs where there are differences in both US and European law, in order to help students demonstrate an awareness of media laws, which may then influence UK legislation. Looking at key aspects such as TV and radio broadcasting, the print press, the music industry, online news and entertainment and social networking sites, this text provides detailed coverage of the key principles, cases and legislation as well as a critical analysis of regulatory bodies such as OFCOM and the new regulator for the UK's newspapers and magazines (and online editions), the Independent Press Standards Organisation (IPSO). The text also provides the most comprehensive and up to date coverage of the law relating to Intellectual Property law for the entertainment industry with recent changes in EU law relating to performers' rights. Handbook of Children, Culture, and Violence Nancy E. Dowd, Dorothy G. Singer, Robin Fretwell Wilson, 2006 Each chapter contains recommendations for legislators, policy makers, researchers, and families. This book should be on the desk, and minds, of legislators, attorneys, social workers and other mental health professionals who encounter and wish to ameliorate the effects of violence in the lives of their young constituents, clients, and patients. - JOURNAL OF CHILD AND FAMILY STUDIES Questions relating to violence and children surround us in the media: should V-chips be placed in every television set? How can we prevent another Columbine school shooting from occurring? How should pornography on the internet be regulated? The *Handbook of Children, Culture and Violence* addresses these questions and more, providing a comprehensive, interdisciplinary examination of childhood violence that considers children as both consumers and perpetrators of violence, as well as victims of it. The Handbook offers much-needed empirical evidence that will help inform debate about these important policy decisions. Moreover, it is the first single volume to consider situations when children are responsible for violence, rather than focusing exclusively on occasions when they are victimized. Providing the first comprehensive overview of current research in the field, the editors have brought together the work of a group of prominent scholars whose work is united by a common concern for the impact of violence on the lives of children. The *Handbook of Children, Culture and Violence* is poised to become the ultimate resource and reference work on children and violence for researchers, teachers, and students of psychology, human development and family studies, law, communications, education, sociology, and political science/ public policy. It will also appeal to policymakers, media professionals, and special interest groups concerned with reducing violence in children's lives. Law firms specializing in family law, as well as think tanks, will also be interested in the Handbook.
