2am Thoughts Makenzie Campbell,2020-02-28 Today I inked my skin with your name Not because I like the look and not because I love you I got a tattoo because I enjoy the feeling of knowing it will never leave me even if you decide to The poetry of 2am Thoughts condenses an entire relationship, with all its untamed emotions and experiences, into a single day. As the long hours of the night drag on, we experience the obsession, fear, neuroticism, and the deep, universal longing for love: All I've ever wanted is to feel wanted by you When the dawn breaks, the morning sun brings acceptance, healing, and recovery: One day you too will have stopped searching strangers' eyes for companionship. You won't lie in a cold bed with nothing but dark thoughts to warm you. You will not order a pizza for yourself in an empty apartment. One day you will look into your lover's eyes... You will no longer feel alone

2am Thoughts Makenzie Campbell,2020-02-28 The poetry of 2am Thoughts condenses an entire relationship with its untamed emotions and experiences to a single day. As the long hours of the night drag on, so does the love, heartache, and loss. When the dawn breaks, the morning sun brings acceptance, healing, and recovery.

Nineteen Makenzie Campbell,2020-03-03 A necessary reminder that whatever we are feeling, we are never feeling it alone. —Trista Mateer, author of *Aphrodite Made Me Do It* There are defining moments in our lives that we often experience in certain places. It's in these places, that we feel particular emotions, which help shape who we become. For anyone whose emotions are tied to places, this book is for you.—Courtney Peppernell, author of *Pillow Thoughts* By the author of the wildly successful *2am Thoughts*, comes *Nineteen* — titled after the poet's age when she wrote this new book. *Nineteen* is a collection of poetry that broaches heartbreak, love, loss, war, peace, and healing. For every place we go, there is a feeling or memory that's been painted on the walls. You can paint over it, but it will always be there. Even if you can't see it, you know. You can feel the heartbreak inside the bedroom where you lost a love. You can feel the hope at the coffee shop where a beginning happened. You can feel the healing as you sit in the driver's seat, in charge of your own life. A journey. An exploration. A reminder to put one foot in front of the other even when it's dark because there is always a light waiting for you in the distance.—Wilder, Author of *Nocturnal* In spare poems with aphoristic lines and short prose segments, the book speaks to adolescent pain and suffering.—Publishers Weekly Check out Makenzie Campbell's other hit poetry book *2am Thoughts*

Rooms of the Mind Makenzie Campbell,2021-09-14 From the author of the wildly successful *2am Thoughts* and *Nineteen* comes *Rooms of the Mind* — a journey into the parts of our psyche that can either hide and protect us or expose us to all that exists. Here you'll find an exploration of pain, heartbreak, and wonder at what the world might bring us next.

The 2 AM Principle Jon Levy,2016-11-08 “Jon Levy is what happens when you mix a behavioral scientist like Robert Cialdini with Indiana Jones.” —Lewis Howes, *New York Times* bestselling author of *The School of Greatness* Jon Levy used to be a nerd. Now, he runs with the bulls in Pamplona, battles Kiefer Sutherland in Jenga, and crashes million-dollar weddings. How did he do it? The E.P.I.C. Model of Adventure, a breakthrough four-step process (Establish, Push Boundaries, Increase, Continue) for building the perfect adventure, from picking the right team, to choosing the right mission, and taking the right risks—with plenty of stories from his own exploits to show you how it's done. With the mold-breaking brilliance of Timothy Ferriss's *The 4-Hour Work Week*, and the geeky enthusiasm of a TED Talk, this book is your ticket to the next level. You'll learn plenty, but the first lesson is easy: nothing good happens after 2 AM—except the most EPIC experiences of our lives

Tales of Lacrimosa S a Quinox,2020-07-17 *Lacrimosa* is Latin for 'weeping', or 'sorrow'. This is what this book is all about. Nothing is sugar-coated, and you might find this book to

be both brutal and raw. This is what healing looks like. Despite the many angry words and deep eloquence of what may feel like hatred, I have long forgiven the people that have wronged me, and I have never held any grudges against them. The only grudges I have sadly always harboured unquestionably, are the ones I held against my own flesh and bones. This book is my way of opening the doors to forgiving myself for having harboured such feelings. There is no such thing as light without darkness. The question is not if, but when our personal darkness will eventually surface. And when it does, how will you cope? Will you glue yourself to a piece of wood drifting aimlessly in an ocean which is unafraid of swallowing you? Some things just need the right amount of patience. Just like you would wait for your coffee to fill your mug before you lift it, you should practise patience as you walk the shores of healing. Allow the ache to unravel. Allow it to take a seat next to you while you wait for your coffee to run. Treat healing like a daily habit and you will never have to succumb to the heavy mountains of untreated wounds weighing down on your shoulders. Please do not wait to live your life until the icy shivers of death come knocking at your door. Live unapologetically. Rid yourself of the shame that comes with shaping your own future. Do not allow yourself to sink so far into the abyss that one day you'll look back with regret spilling from your fingers, no longer able to do what you are capable of doing today. You are deeply loved and you are as beautiful as sunrise, and that electrifying moment when the moon appears full on a clear summer night. You are worthy of rising, just like the sun. Rise, even when it rains. Rise, even when nothing and nobody else rises with you. Rise. Take a deep breath before turning these pages. Inhale and let go when you are ready. I think it is a huge milestone for any poet to find ways into writing about what truly lingers inside their bones. While I admit that I have tried to write about honey and butterflies many of the times when I thought about writing, it did not always resonate as deeply as the poetry I have finally been able to write down onto these pages today. *Tales of Lacrimosa* is the door to letting go of all that's been weighing at my soul ever since I stepped foot onto this physical plane of existence, and your hands are now the key. This is my book of healing, but it is also much more than that. It is a book of yearning, a book of madness, and the embrace of the dark night of the soul. Dip your toes inside. Know that it is safe. Realise that you are not alone, and know that everything you feel is valid. There is deep reasoning behind every word we speak and every action we take.

2AM THOUGHTS ADITHYA JAYADEVAN, 2023-11-16 Every pain changes people Its not about the pain , but what you learn from it Your at the perfect place , lets heal together Believe in yourself , you are stronger than you believe God fixes you in front of people who broke you . There is no wounds that time cant heal

Sea of Scars Adriana Mara, 2019-02-15 When you are drowning in a broken heart, how do you feel love again? *Sea of Scars* is the debut book of contemporary Canadian poet, Adriana Mara. Divided into four chapters, she shares a collection of poems on drowning, sinking, rising, and swimming in the sea of love. Based on her depth of personal experience in heartbreak, depression, lust, and passion, she teaches you to find beauty in your scars. You'll feel and embrace your own experiences as you read these verses and find hope and excitement in the power of your heart.

Different Shades of Love Komal, 2018-09-20 Megha is a 24-year-old working girl. To society, she is independent, the only child in her family and has everything that anybody could desire. But life is not as simple as it seems. She is constantly lost in her thoughts. Even her friend Riya is unable to understand her. Her colleagues think she is a weirdo. A new person, Samir, enters the office and Megha's life. He is the complete opposite of Megha. They become friends, but will he be able to change Megha's strange behavior? What will happen to this new wave of friendship between Samir and Megha?

The Origin of Consciousness in the Breakdown of the Bicameral Mind Julian Jaynes, 2000-08-15 National Book Award Finalist: "This man's ideas may be the most

influential, not to say controversial, of the second half of the twentieth century.”—Columbus Dispatch At the heart of this classic, seminal book is Julian Jaynes's still-controversial thesis that human consciousness did not begin far back in animal evolution but instead is a learned process that came about only three thousand years ago and is still developing. The implications of this revolutionary scientific paradigm extend into virtually every aspect of our psychology, our history and culture, our religion—and indeed our future. “Don’t be put off by the academic title of Julian Jaynes’s *The Origin of Consciousness in the Breakdown of the Bicameral Mind*. Its prose is always lucid and often lyrical...he unfolds his case with the utmost intellectual rigor.”—The New York Times “When Julian Jaynes . . . speculates that until late in the twentieth millennium BC men had no consciousness but were automatically obeying the voices of the gods, we are astounded but compelled to follow this remarkable thesis.”—John Updike, *The New Yorker* “He is as startling as Freud was in *The Interpretation of Dreams*, and Jaynes is equally as adept at forcing a new view of known human behavior.”—*American Journal of Psychiatry*

Detaching Roots Beverly Maier,2019-03-20 *Detaching Roots* extracts the pain that we all experience and bleeds it onto paper, spilling out words that everyone can understand. This book targets anyone who has dealt with the atrocities of life and faced most of them alone. It is divided into four sections: Detaching, Hurting, Healing, and Falling. *Detaching Roots* will take you on an emotional journey as you read this unfeigned collection of raw and truly unfiltered poetry.

A Little Life Hanya Yanagihara,2016-01-26 NEW YORK TIMES BESTSELLER • A stunning “portrait of the enduring grace of friendship” (NPR) about the families we are born into, and those that we make for ourselves. A masterful depiction of love in the twenty-first century. NATIONAL BOOK AWARD FINALIST • MAN BOOKER PRIZE FINALIST • WINNER OF THE KIRKUS PRIZE *A Little Life* follows four college classmates—broke, adrift, and buoyed only by their friendship and ambition—as they move to New York in search of fame and fortune. While their relationships, which are tinged by addiction, success, and pride, deepen over the decades, the men are held together by their devotion to the brilliant, enigmatic Jude, a man scarred by an unspeakable childhood trauma. A hymn to brotherly bonds and a masterful depiction of love in the twenty-first century, Hanya Yanagihara’s stunning novel is about the families we are born into, and those that we make for ourselves. Look for Hanya Yanagihara’s latest bestselling novel, *To Paradise*.

Letters from My Father's Murderer Laurie Coombs,2015-06-25 An extraordinary true story of grace, mercy, and the redemptive power of God When her father was murdered, Laurie Coombs and her family sought justice—and found it. Yet, despite the swift punishment of the killer, Laurie found herself increasingly full of pain, bitterness, and anger she couldn’t control. It was the call to love and forgive her father’s murderer that set her, the murderer, and several other inmates on the journey that would truly change their lives forever. This compelling story of transformation will touch the deepest wounds and show how God can redeem what seems unredeemable.

The Story Keeper Lisa Wingate,2020-03-17 She'd noticed immediately that I understood the lure of a good story. Sometimes a world that doesn't exist is the only escape from the one that does. When successful New York editor Jen Gibbs discovers a decaying slush-pile manuscript on her desk, she has no idea that the story of Sarra, a young mixed-race woman trapped in Appalachia at the turn of the twentieth century, will both take her on a journey and change her forever. Happy with her life in the city, and at the top of her career with a new job at Vida House Publishing, Jen has left her Appalachian past and twisted family ties far behind. But the search for the rest of the manuscript, and Jen's suspicions about the identity of its unnamed author, will draw her into a mystery that leads back to the heart of the Blue Ridge Mountains . . . and quite possibly through the doors she thought she had closed forever.

Phosphenes (n.) Meghna Saraf,2020-07-04 *Phosphenes (n.)* is an attempt to soothe an aching soul and voice the suppressed emotions. It tries to set free the caged birds of thoughts and weaves imagination into poetry. It is not just a book but a map that traces the journey of a poet's heart that dances to the tunes of eerie silence of the night and rejuvenates in the exquisite sunrise.

Pillow Thoughts III Courtney Peppernell,2019-08-06 A beautifully raw and poignant collection of poetry and prose, *Pillow Thoughts III* continues the series from poet Courtney Peppernell. Fix yourself a warm drink and settle into Peppernell's words as she pens a tribute to her readers who are bravely continuing their journey from hurt to healing.

She Wears Pain Like Diamonds Alfa,2020-05-05 From the best-selling author of *I Find You in the Darkness* She's been through more hell than you'll ever know. But that's what gives her beauty an edge. You can't touch a woman who can wear pain like the grandest of diamonds around her neck. —Alfa *She Wears Pain Like Diamonds* is a book of poetry about finding beauty in a buried past and unearthing the treasures of strength and resilience.

Who was that Man? Neil Bartlett,1988 Sitting up reading late at night, the author reflects on the links between the homosexual of the 1980s and his counterparts of a century ago, between gay lives today and those of Oscar Wilde, his friends, lovers and acquaintances. Many books have been written about Oscar Wilde. *Who Was That Man?* is unique - the acting out of a love-hate relationship between Wilde and a gay Londoner of today. Neil Bartlett has grabbed history by the collar and made bitter love to it. I can think of no other way to describe this fantastic personal meditation on Oscar Wilde and the last hundred years of English homosexuality. At the very moment gay existence is endangered by disease and a renewed puritanism, Bartlett has embraced what was alien and criminal or merely clinical and loved it into poignant life - Edmund White

Coffee Days, Whiskey Nights Cyrus Parker,2020-09-11 *Coffee Days, Whiskey Nights* is a collection of poetry, prose, and aphorisms that juxtaposes the hopefulness a brand new day can bring with the lingering thoughts that keep us up into the late-night hours.

Things We Don't Talk about Pandora Owl,2019-01-27 *Things we don't talk about* is a collection of words, thoughts and poetry about love, anxiety, depression and overall mental health. It can get a little too raw for some and a little too real for others.
