The Helping Relationship Lawrence M. Brammer, 1973

Learn to Love Thomas Jordan, 2019-12-08 Learn to Love: Guide to Healing Your Disappointing Love Life is a book about learning to improve your love life. After 30 years of clinical research and treatment of patients with unhealthy love lives, I now recognize that most people are not in control of their love lives. Why? Because most people don't know what they've learned about and from the love relationships in the course of their lives.

Love relationships that started in their families of origin the moment they were born. If you don't know what you've learned about love relationships, then what you've learned is in control of your love life, healthy or unhealthy. If what you've learned was healthy, no problem. Chances are you'll simply replicate what you've learned about love relationships. If what you've learned was unhealthy, you could be unwittingly making the same love life mistakes over and over again because of what you've learned. Learn to Love will show you how to identify what you've learned about love relationships, how to unlearn what is unhealthy, and practice something new, healthy, and the opposite of what you've learned, now as a corrective in your adult love life. This simple learning formulate has helped many of my patients begin taking control of their own love lives, as well as helping me improve my own love life. Learn to Love will help you learn how to take control of your love life. Dr. Thomas Jordan
