Spirit Lake Christopher Ross,2016-06-10

Spirit Lake Christopher Ross,2016-06-10 Spirit Lake ist der Name des Indianerortes, in dem Allie McCormick nach einem Flugzeugabsturz strandet. Schnell merkt sie, dass es dort nicht mit rechten Dingen zugeht: Leute verschwinden, die Bewohner benehmen sich seltsam und im Internet existiert der Ort nicht. Als Allie durch den Indianerjungen Chris von der Legende des Wendigo erfährt, wird klar, dass sie es mit einem übermächtigen Gegner zu tun haben. Denn dieses Wesen hat ein Herz aus Eis, das nichts als Feuer fürchtet ...

The Wendigo Algernon Blackwood,Kurt Singer,Joachim A. Frank,2015-10-22 In the morning the camp was astir before the sun. There had been a light fall of snow during the night and the air was sharp. Punk had done his duty betimes, for the odors of coffee and fried bacon reached every tent. All were in good spirits. Wind's shifted! cried Hank vigorously, watching Simpson and his guide already loading the small canoe. It's across the lake—dead right for you fellers. And the snow'll make bully trails! If there's any moose mussing around up thar, they'll not get so much as a tail-end scent of you with the wind as it is. Good luck, Monsieur Défago! he added, facetiously giving the name its French pronunciation for once, bonne chance! Défago returned the good wishes, apparently in the best of spirits, the silent mood gone. Before eight o'clock old Punk had the camp to himself, Cathcart and Hank were far along the trail that led westwards, while the canoe that carried Défago and Simpson, with silk tent and grub for two days, was already a dark speck bobbing on the bosom of the lake, going due east. The wintry sharpness of the air was tempered now by a sun that topped the wooded ridges and blazed with a luxurious warmth upon the world of lake and forest below; loons flew skimming through the sparkling spray that the wind lifted; divers shook their dripping heads to

the sun and popped smartly out of sight again; and as far as eye could reach rose the leagues of endless, crowding Bush, desolate in its lonely sweep and grandeur, untrodden by foot of man, and stretching its mighty and unbroken carpet right up to the frozen shores of Hudson Bay....

Mysterious Creatures G D Pickering, 2023-09-17 For centuries, indigenous tribes across North America have passed down stories of the Wendigo - a creature and spirit born of hunger and desperation, a presence that dwells in the darkest corners of the North American forests. But what exactly is the Wendigo? Is it merely a creature of folklore, a cautionary tale against the depths of human depravity? Or does it lurk, even now, in the remote and frozen expanses of the northern forests, waiting for the right moment to present itself? In *Wendigo: The Madness Spirit*, I promise to take you on a journey of curiosity and discovery beyond the surface of this chilling legend, peeling back the layers of myth and history to reveal the secrets around the Wendigo. Together, we would explore the intricate web of indigenous folklore, all the different narratives and elements that thicken that web in a bid to understand, even if it is just a little bit more, the unique beliefs and traditions of Native American folklore. Our journey takes us through different perspectives such as the influence of the early Christian missionaries in helping to preserve tales of Native American legends such as the Wendigo and the scientific and psychological undertones that render themselves to these narratives. We encounter the eerie phenomenon of Wendigo Psychosis, where the fear of becoming a Wendigo drives individuals to the brink of madness. As we delve into the psychological and cultural nuances that make the Wendigo legend more than just a ghost story, we will come to a realization together. The Wendigo is a reflection of the intricate relationship between belief, culture, and the human psyche and when it comes to these things, no single answer ever suffices. Throughout *Wendigo: The Madness Spirit* we encounter the voices of indigenous communities who

have lived in harmony with the land and its legends for generations without the interference of the white man. We hear their stories of encounters with the Wendigo, their cautionary tales, and their insights into the enduring power of this legend. We also touch upon modern interpretations of the legend as Christianity and popular culture make their own contributions to the web of stories that make up this book. And finally, we will understand how the legend of the Wendigo continues to shape our understanding of the world and ourselves. But before we get there.....

Iron Lake William Kent Krueger,2009-06-09 William Kent Krueger joined the ranks of today's best suspense novelists with this thrilling, universally acclaimed debut. Conjuring a sense of place he's plainly honed firsthand in below-zero prairie (Kirkus Reviews), Krueger brilliantly evokes northern Minnesota's lake country -- and reveals the dark side of its snow-covered landscape. Part

Irish, part Anishinaabe Indian, Corcoran Cork O'Connor is the former sheriff of Aurora, Minnesota. Embittered by his former status, and the marital meltdown that has separated him from his children, Cork gets by on heavy doses of caffeine, nicotine, and guilt. Once a cop on Chicago's South Side, there's not much that can shock him. But when the town's judge is brutally murdered, and a young Eagle Scout is reported missing, Cork takes on a mind-jolting case of conspiracy, corruption, and scandal. As a lakeside blizzard buries Aurora, Cork must dig out the truth among town officials who seem dead-set on stopping his investigation in its tracks. But even Cork freezes up when faced with the harshest enemy of all: a small-town secret that hits painfully close to home.

Men and Gods Rex Warner,2008-01-08 This outstanding collection brings together the novelist and scholar Rex Warner's knack for spellbinding storytelling with Edward Gorey's inimitable talent as an illustrator in a memorable modern recounting of the most beloved myths of ancient Greece. Writing in a relaxed and winning colloquial style, Warner vividly recreates the classic stories of Jason and the Argonauts and Theseus and the Minotaur, among many others, while Gorey's quirky pen-and-ink sketches offer a visual interpretation of these great myths in the understated but brilliantly suggestive style that has gained him admirers throughout the world. These tales cover the range of Greek mythology, including the creation story of Deucalion and Pyrrha, the heroic

adventures of Perseus, the fall of Icarus, Cupid and Psyche's tale of love, and the tragic history of Oedipus and Thebes. *Men and Gods* is an essential and delightful book with which to discover some of the key stories of world literature.
