Before the bombs fell, and a deadly virus claimed the world's men. Now civilization's few surviving males are guarded by women warriors like Dian. When an unexpected convoy of strangers rides into her village, it is Dian who meets them, ready to do battle. To her surprise, the visitors come in peace and bear a priceless gift, whose arrival is greeted with as much suspicion as delight. It is up to Dian to discover their motive, in a journey that will cost her far more than she ever imagined, a journey from which she may never return.

In this new diary, author Richard Binder takes a radical new approach to telling the story of the worst conflict humanity has ever experienced. Instead of trying to cover everything, he relates the happenings of just 366 days, the length of a single year. Choosing events great and small from the beginning of the war to its bitter end, he gives you a fascinating and sometimes shocking look at things you know from your high-school history and things you may never have heard of.

**I Know What You Did Last Supper** Wayne Williams, Darren Allan, 2013-03-07 The price of betrayal is more than thirty pieces of silver. Two days after Jesus Christ's crucifixion, Judas Iscariot receives an anonymous note stating, I know what you did. Wrapped with it is an eye, complete with trailing optic nerve, and a splintered tooth - trophies ripped from two recently butchered friends. Someone, it seems, knows what Judas did on that fateful night following the Last Supper. And that someone is intent on exacting a bloody and gruesome revenge. As more acquaintances and family members die in increasingly brutal ways, Judas finds himself in a desperate race against time to make amends for his act of treachery, and to uncover the identity of the mysterious hooded killer. A relentlessly paced, gripping thriller, which further explores one of the darkest bargains in human history. You might just find yourself engaged in the unthinkable: rooting for the man who betrayed Christ.

**The Strix** Katalina Leon, 2016-09-07 Welcome to Villa Lupus Unguis, the house of the Wolf Fang. While getting her fortune told in a Wiccan shop in Salem, Massachusetts, Arcona's reality has a screaming meltdown. A past life as an obsessed Celtic witch awakens and she's flung headfirst into blood rites on a sacred island, captured by Romans, and sold in the markets of Pompeii as a pleasure slave to the sadistic owner of a gladiatorial school. Seeking revenge against Rome, Arcona lures a lonely Dacian gladiator into her bed and uses dark magic to turn him into an immortal blood-craving Slayer, a warlike vampire to be set loose on the Empire. Two millennia and an exploding Mount Vesuvius later, Tyr is still pissed off about being forced to spend eternity as a vampiric mercenary. Desperate to break the Slayer curse, he kidnaps Arcona, intent on learning the secrets carried in her blood. But they're in for a surprise. Once these two

damaged souls share their stories, the possibility of redemption—even love—is offered. When another Slayer tries to claim Arcona as his blood slave, Tyr has to be her hero one last time. He loved her once but can a vampiric Slayer ever forgive his maker? This is an epic tale of witchcraft, vampires, reincarnation, and a healing act of love. Note to my readers: The Strix is NOT a straightforward romance. The heroine's personality exists in two time frames. She is virtually two different women, sharing the same experiences and evolving from them. This story contains Upir Likhyi or warrior vampires, graphic violence, and sex scenes, blood sports in the arena, and past life mayhem messing up the present. Full-length novel, no cliffhanger, HEA.
