Dirty Pictures Kaley Whitlock,2018-03-29 Dirty Pictures is an introduction novel with an overplaying plot that extends to the story And They Played Loneliness. Its about an Italian woman, Regina, thirty-two, a massage technician for the Hot Tub Place, who gets so involved into bisexuality that she realizes almost too late that there is a new kind of girl out there and those girls are scaring her. She meets Tess, a woman who rejects her and teases her with other women. Regina is so upset by her actions and casual encounters with other women that one gets her into trouble with mind control and another attacks her. All the while, her roommate, the beautiful, charming young Italian, Gloria, is trying to get her to quit having affairs with women altogether and bails her out of trouble when she falls victim into a mystery of a sex scam. Regina is brought up the hard way in life and does her early years as a table dancer. She has very little problems making friends, and she carries with her good ideas for others to use to better their life. She loves people in general, but these trying situations force her to look at herself. If you're searching for something different to read, Dirty Pictures may fill that void.

Picture Perfect Jade C. Jamison,2017-11-13 It was supposed to be just another photo shoot, just another hot guy and me for the cover of some romance book. It wasn't supposed to feel real. It wasn't supposed to be real. But Shane was so hot and so good looking, he was picture perfect—and irresistible. So when he invited me to his place for coffee, I didn't worry about all the reasons why we shouldn't. Little did I know Shane would completely change my whole world, but I just couldn't say no... ***Based on the short story A Picture is Worth a Thousand Words that appeared in the FORBIDDEN LOVE anthology, this novella continues what Shane and Ivy started... only steamier!***

Baby Pictures Rick Fontes,2012-01-05 Baby Pictures is a look into the little known world of child care photography. Kid Star Portraits, a fictional company located in St. Louis, Missouri, operates cameras across the country. Its far-flung empire is staffed and managed by people whose personal lives are intertwined in many strange and forbidden relationships. Explore the world that lies within these pages and you will never look at your child's school photographer in quite the same way again.

Strip Cultures The Project on Vegas,2015-09-07 On the Las Vegas Strip, blockbuster casinos burst out of the desert, billboards promise hot babes, actual hot babes proffer complimentary drinks, and a million happy slot machines ring day and night. It's loud and excessive, but, as the Project on Vegas demonstrates, the Strip is not a world apart. Combining written critique with more than one hundred photographs by Karen Klugman, Strip Cultures examines the politics of food and water, art and spectacle, entertainment and branding, body and sensory experience. In confronting the ordinary on America's most famous four-mile stretch of pavement, the authors reveal how the Strip concentrates and magnifies the basic truths and practices of American culture where consumerism is the stuff of life, digital surveillance annuls the right to privacy, and nature—all but destroyed—is refashioned as an element of decor.

Stillborn Gallery Axl Barnes,2021-05-06 Welcome to a grotesque universe where strangulation is the ultimate proof of love, youngsters morph into something less than zombies, happiness is but an invitation to suicide, and children beg to be smothered in their cribs. Mindless work provides no escape from this nightmare, as alienation can turn you into rotted produce or a blubbery mass of boneless flesh. Stillborn Gallery collects nine nihilistic tales centered around the theme of mortality. Axl Barnes mercilessly uncovers the nest of maggots infesting the core of life. Each story comes with its own illustration by visionary artist Thomas Stetson, fitting together for a uniquely bleak and dazzling experience. **Reader discretion advised. This collection is intended for adults only. It contains violent, graphic imagery which may not be suitable for all readers.
