Boston Casualty David Taylor Johannesen,2019-04-24 Ten compelling stories transport the reader from Boston to Palm Springs, California, and Utah to Scotland, ever searching for love and lasting devotion. In *Four Twins and a Wedding Dress*, the complications of multiple marriages and shifting romances are explored with surprise and gratification. *Blaine and Blaine* traces the loves and lives of a Massachusetts prep school boy and a girl from an Utah ranching family. *Boston Casualty* explores a school reunion fraught with hope and discovery. *Scotland Hotel* portrays Solomon's ancestral pilgrimage leading him into a supernatural trek through hills of lavender and lochs as a Border collie.

*When a Moment Arrives Ten Stories* David Taylor Johannesen,2020-02-17 Twelve absorbing stories of love lost and found again set in captivating locations from Scotland and Norway to New England, and from Paris to the Pacific ocean. From *When a Moment Arrives* to *Tea Dance*, and ending with *The Golden State*, each story invites the reader to join in the characters' inner --and geographic-- journeys and yearning to be understood, surprised by their capacity for new love, and others still gripped by a longing to be loved and to love --without fear.

**Selected Poems of Amy Lowell** Amy Lowell,2002 Amy Lowell (1874-1925), American poet and critic, was one of the most influential and best-known writers of her era. Within a thirteen-year period, she produced six volumes of poetry, two volumes of criticism, a two-volume biography of John Keats, and countless articles and reviews that appeared in many popular periodicals. As a herald of the New Poetry, Lowell saw herself and her kind of work as a part of a newly forged, diverse, American people that registered its consciousness in different tonalities but all in a native idiom. She helped build the road leading to the later works of Allen Ginsberg, May Sarton, Sylvia Plath, and beyond. Except for the few poems that invariably appear in American literature anthologies, most of her writings are out of print. This will be the first volume of her work to appear in decades, and the depth, range, and surprising sensuality of her poems will be a revelation. The poetry is organized according to Lowell's characteristic forms, from traditional to experimental. In each section the works appear in chronological order. Section one contains sonnets and other traditional verse forms. The next section covers her translations and adaptations of Chinese and Japanese poetry, whereby she beautifully renders the spirit of these works. Also included here are several of Lowell's own Asian-influenced poems. Lowell's free, or cadenced verse appears in the third part. The last section provides samples of Lowell's polyphonic prose, an ambitious and vigorous art form that employs all of the resources of poetry. The release of *The Selected Poems of Amy Lowell* will be a major event for readers who have not been able to find a representative sampling of work from this vigorous, courageous poet who gave voice to an erotic, thoroughly American sensibility.

**Fox Tales: Selected Poetry and Essays** James R. Fox,2022-03-23 Jim Fox has been putting his thoughts onto paper for many years, both in poetry and as essays. Here are selected works that reflect his sensitivity as a poet and his straightforward opinions as an essayist. These are my favorite pieces that I have written from the time of my youth up to the present, says Fox. I touch upon many topics such as religion, music, family and friends, politics.

**R. O. A. M. Lyne: Collected Papers on Latin Poetry** R. O. A. M. Lyne,2007-05-17 This volume presents a wide range of pieces from a world-class Latinist which displays both his diverse interests as a scholar and his consistent concern with Augustan texts, their language and literary texture. The range of articles, written over more than three decades and including one previously unpublished piece, covers the same connected territory - largely Virgil, Horace, and elegy. R. O. A. M. Lyne's consistent approach of close reading means that the articles form a coherent whole, while his compelling style as an engaged literary analyst ensures that these are not dry or forbidding pieces.
