

Bridge At Andau

James Albert Michener

The Bridge at Andau James A. Michener, 2015-06-09

The Bridge at Andau is James A. Michener at his most gripping. His classic nonfiction account of a doomed uprising is as searing and unforgettable as any of his bestselling novels. For five brief, glorious days in the autumn of 1956, the Hungarian revolution gave its people a glimpse at a different kind of future—until, at four o'clock in the morning on a Sunday in November, the citizens of Budapest awoke to the shattering sound of Russian tanks ravaging their streets. The revolution was over. But freedom beckoned in the form of a small footbridge at Andau, on the Austrian border. By an accident of history it became, for a few harrowing weeks, one of the most important crossings in the world, as the soul of a nation fled across its unsteady planks. Praise for *The Bridge at Andau*

“Precise, vivid . . . immeasurably stirring.”—*The Atlantic Monthly*

“Dramatic, chilling, enraging.”—*San Francisco Chronicle*

“Superb.”—*Kirkus Reviews* “Highly recommended reading.”—*Library Journal*

The Bridge at Andau James A. Michener, 1983-11-12

At four o'clock in the morning on a Sunday in November 1956, the city of Budapest was awakened by the shattering sound of Russian tanks

tearing the city apart. The Hungarian revolution -- five brief, glorious days of freedom that had yielded a glimpse at a different kind of future -- was over. But there was a bridge at Andau, on the Austrian border, and if a Hungarian could reach that bridge, he was nearly free. It was about the most inconsequential bridge in Europe, but by an accident of history it became, for a few flaming weeks, one of the most important bridges in the world, for across its unsteady planks fled the soul of a nation.... Here is James A. Michener at his most gripping, with a historic account of a people in desperate revolt, a true story as searing and unforgettable as any of his bestselling works of fiction. Rascals in Paradise James A. Michener,A. Grove Day,2014-04-15 In a thrilling collection of nonfiction adventure stories, James A. Michener returns to the most dazzling place on Earth: the islands that inspired Tales of the South Pacific. Co-

written with A. Grove Day, *Rascals in Paradise* offers portraits of ten scandalous men and women, some infamous and some overlooked, including Sam Comstock, a mutinous sailor whose delusions of grandeur became a nightmare; Will Mariner, a golden-haired youth who used his charm to win over his captors; and William Bligh, the notorious HMS *Bounty* captain who may not have been the monster history remembers him as. From lifelong buccaneers to lapsed noblemen, in Michener and Day's capable hands these rogues become the stuff of legend. BONUS: This edition includes an excerpt from James A. Michener's *Hawaii*. Praise for *Rascals in Paradise* "The best book about those far-scattered islands that has appeared in a long time . . . a portfolio of rare and ruthless personalities that is calculated to make the curliest hair stand straight on end."—*The New York Times* "[Combines] research and scholarship (A. Grove Day was a professor at the University of Hawaii) with a gift for spinning a yarn and depicting character (Michener, journalist and novelist, needs no introduction)."—*Kirkus Reviews*

Kent State James A. Michener, 2015 *All of James A.*

Michener's storytelling and reportorial skills are brought to the fore in this stunning and heartbreaking examination of the events that

led to the 1970 shootings at Kent State, which shook the country to the roots and had a profound impact on the anti-war movement.

Twelve Days Victor Sebestyen, 2010-11-25 The defining moment of the Cold War: 'The beginning of the end of the Soviet empire.' (Richard Nixon) The Hungarian Revolution in 1956 is a story of extraordinary bravery in a fight for freedom, and of ruthless cruelty in suppressing a popular dream. A small nation, its people armed with a few rifles and petrol bombs, had the will and courage to rise up against one of the world's superpowers. The determination of the Hungarians to resist the Russians astonished the West. People of all kinds, throughout the free world, became involved in the cause. For 12 days it looked, miraculously, as though the Soviets might be humbled. Then reality hit back. The Hungarians were brutally crushed. Their capital was devastated, thousands of people were killed and their country was occupied for a further three decades. The uprising was the defining moment of the Cold War: the USSR showed that it was determined to hold on to its European empire, but it would never do so without resistance. From the Prague Spring to Lech Walesa's Solidarity and the fall of the Berlin Wall, the tighter the grip of the communist bloc, the more irresistible the popular demand for freedom.

The Bridges at Toko-Ri James A. Michener, 2015-05-05 In one of his beloved early bestsellers, Pulitzer Prize-winning author James A. Michener crafts a tale of the American men who fought the Korean War, detailing their exploits in the air as well as their lives on the ground. Young and innocent, they arrive in a place they have barely ever heard of, on a ship massive enough to carry planes and helicopters. Trained as professionals, they prepare for the rituals of war that countless men before them have endured, and face the same fears. They are American fighter pilots. Together they face an enemy they do not understand, knowing their only hope for survival is to win. Praise for *The Bridges at Toko-Ri* “A vivid and moving story, as well as an exciting one . . . The humanity of the people is deeply felt.”—Chicago Tribune “The Banshees screaming over Korea, the perilous landings on an aircraft carrier deck ‘bouncing around like a derelict rowboat,’ a helicopter rescue from the freezing waters . . . all are stirringly rendered.”—The Denver Post “Michener’s best . . . a story of action, ideas, and civilization’s responsibilities.”—Saturday Review

Shoes Along the Danube Phd T Zane Reeves, 2011-11-16

Shoes Along the Danube refers to the memorial of cast iron shoes that honor Hungarian Holocaust victims. Based on a true story, this

amazing book follows the lives of two extended Hungarian families, the R zlers and the F Ides, one gentile and the other Jewish, through three decades.-----The story begins in pre-World War II Budapest, as increasing fascism and anti-Semitism lead Hungary to become an ally of Germany. In 1944, Germany invades Hungary to exterminate Europe's last remaining group of Jews at the infamous Auschwitz death camp. The story builds through the siege of Budapest, the Russian occupation of Hungary, and separation by exile.-----Julius R zler is a rising star among Budapest academics and refuses to compromise his integrity. His American half-brother, Francis, is a diplomat helping democratic Hungarians fight Nazis, and later organizes covert activities against the communists. Agnes F Ides is a Jewish woman who fights to maintain her dignity during the Holocaust.-----Professor Reeves tells a fascinating story of two of his Hungarian-American friends, Julius and my cousin Agnes, who grew up between world wars in Gentile and Jewish families on Rose Hill, an affluent district of Budapest. Even though Hungary was forced to become Germany's wartime ally, it looked that Hungarian Jews would be spared the genocide occurring throughout Europe. Yet, in 1944 everything changed when the Germans occupy Hungary for the purpose of

exterminating its Jews. Reeves recounts the experiences of Holocaust victims and survivors, Righteous Gentiles who save Jews, as well as a dramatic ending in which a husband and wife are forced to choose between their vows and freedom. - S. A. Colman, Sydney, Australia -----A fascinating, honest look at lives intertwined with the history unfolding around them set against the very real backdrop of that tumultuous history itself. *The Shoes Along the Danube* is a most fitting allegory for all those that left their lives behind. Highly recommended - Bryan Dawson, Executive Chairman, American Hungarian Federation

The Hungarian Revolution George Mikes, 1957

Legacy James A. Michener, 2014-04-15 In this sweeping novel inspired by the Iran-Contra affair, master storyteller James A. Michener conjures the triumphs and tragedies of one family and their dynamic role in the history of the United States and its founding document. Over a tense weekend of reflection, Major Norman Starr of the National Security Council prepares to appear before a congressional committee to publicly account for his covert actions. Hoping to learn something from his proud, troubled heritage, Starr looks for guidance in the lives of his ancestors: all-Americans who weren't always right. From a framer of the

Constitution to a slave owner, from a Supreme Court justice to a courageous suffragist, each recalls an important legacy that Starr must somehow reconcile with his own perilous dilemma. **BONUS:** This edition includes an excerpt from James A. Michener's *Hawaii*. Praise for *Legacy* “Michener has left his own legacy. . . . [He] is an educator, not just in history but in ethics, and like any good educator, he’s not afraid to confront a complex world.”—Edward Rutherford, *Chicago Tribune* “Michener tells interesting stories about the Constitution, even if they are fiction. He brings the document alive. . . . Each tale is told with the Michener flair.”—*United Press International* “An impressive amount of historical drama . . . Captivating historical vignettes [are] woven skillfully within Starr’s talks with his loving wife and loyal attorney.”—*Kirkus Reviews* “A revealing book . . . about the forging of the Constitution and the crises that shaped it.”—*Associated Press*

The Source James Albert Michener, 2002 An archaeological excavation of Tell Makor launches a journey into the history and culture of the Jews that includes the early Hebrews, the impact of Christianity, the Spanish Inquisition, and the modern Middle East conflict.

Budapest 1900 John Lukacs, 2012-01-05 A distinguished historian and Budapest native offers a rich and eloquent portrait of one of the great European cities at the height of its powers. Budapest, like Paris and Vienna, experienced a remarkable exfoliation at the end of the nineteenth century. In terms of population growth, material expansion, and cultural exuberance, it was among the foremost metropolitan centers of the world, the cradle of such talents as Bartók, Kodály, Krúdy, Ady, Molnár, Koestler, Szilárd, and von Neumann, among others. John Lukacs provides a cultural and historical portrait of the city—its sights, sounds, and inhabitants; the artistic and material culture; its class dynamics; the essential role played by its Jewish population—and a historical perspective that describes the ascendance of the city and its decline into the maelstrom of the twentieth century. Intimate and engaging, *Budapest 1900* captures the glory of a city at the turn of the century, poised at the moment of its greatest achievements, yet already facing the demands of a new age. “Lukacs’s *Budapest*, like Hemingway’s *Paris*, is a moveable feast.” —Chilton Williamson “Lukacs’s book is a lyrical, sometimes dazzling, never merely nostalgic evocation of a glorious period in the city’s history.” —The New York Review of Books “A reliable account of a beautiful city at

the zenith of its prosperity.” –Publishers Weekly

Sports in America James A. Michener, 1987-07-12 Originally published in 1976, James A. Michener’s explosive, spectacular *Sports in America* is a prescient examination of the crisis in American sports that is still unfolding to this day. Pro basketball players are banned for narcotics use, while a Major League pitcher is arrested for smuggling drugs across the Mexican border. The NFL’s “injury report” grows longer every Sunday. Corruption and recruiting violations plague collegiate sports as the “winning is everything” mentality trickles down to the Little League level. With his lifelong enthusiasm for sports in evidence, the incomparable Michener tackles this subject thoroughly and leaves us amazed and appalled by what we’ve learned, yet still loving the games we grew up on. Praise for *Sports in America* “A comprehensive, controversial examination of sports as a major force in American life.”—Los Angeles Times “Michener’s life was saved by sports twice. In return, he has issued a long, lovingly critical, prodigiously researched account of the passions and politics of America at organized play. Rich in anecdote, source material and his own shrewd commentary.”—The New York Times Book Review “Like just about everything James Michener has produced, *Sports in*

America is a thoughtful, well-written document that's thoroughly researched. . . . For anyone interested in how the ball bounces in the U.S. of A., the answers are all here."—The Wall Street Journal
"Encyclopedic . . . amusing and sometimes alarming."—The Washington Post

Journey to a Revolution Michael Korda, 2006-09-19 The Hungarian Revolution of 1956 was not just an extraordinary and dramatic event—perhaps the most dramatic single event of the Cold War—but, as we can now see fifty years later, a major turning point in history. Here is an eyewitness account, in the tradition of George Orwell's *Homage to Catalonia*. The spontaneous rising of Hungarian people against the Hungarian communist party and the Soviet forces in Hungary in the wake of Stalin's death, while ending unsuccessfully, demonstrated to the world at large the failure of Communism. The Russians were obliged to use force on a vast scale against armed students, factory workers, and intellectuals in the streets of a major European capital to restore the Hungarian communist party to power. For two weeks, students, women, and teenagers fought tanks in the streets of Budapest, in full view of the Western media—and therefore the world—and for a time they actually won, deeply humiliating the men who succeeded Stalin.

The Russians eventually managed to extinguish the revolution with brute force and overwhelming numbers, but never again would they attempt to use military force on a large scale to suppress dissent in their Eastern European empire. Told with brilliant detail, suspense, occasional humor, and sustained anger, *Journey to a Revolution* is at once history and a compelling memoir—the amazing story of four young Oxford undergraduates, including the author, who took off for Budapest in a beat-up old Volkswagen convertible in October 1956 to bring badly needed medicine to Budapest hospitals and to participate, at street level, in one of the great battles of postwar history. Michael Korda paints a vivid and richly detailed picture of the events and the people; explores such major issues as the extent to which the British and American intelligence services were involved in the uprising, making the Hungarians feel they could expect military support from the West; and describes, day by day, the course of the revolution, from its heroic beginnings to the sad martyrdom of its end. *Journey to a Revolution* delivers a harrowing and horrifying tale told in spare and poignant prose—sometimes bitter, sometimes ironic, always powerful.* * Kirkus Reviews (starred)

Caribbean James A. Michener, 2014-02-18 In this acclaimed

classic novel, James A. Michener sweeps readers off to the Caribbean, bringing to life the eternal allure and tumultuous history of this glittering string of islands. From the 1310 conquest of the Arawaks by cannibals to the decline of the Mayan empire, from Columbus's arrival to buccaneer Henry Morgan's notorious reign, from the bloody slave revolt on Haiti to the rise of Cuba's Fidel Castro, Caribbean packs seven hundred dramatic years into a tale teeming with revolution and romance, authentic characters and thunderous destinies. Through absorbing, magnificent prose, Michener captures the essence of the islands in all of their awe-inspiring scope and wonder. BONUS: This edition includes an excerpt from James A. Michener's *Hawaii*. Praise for Caribbean "Michener is a master."—Boston Herald "A grand epic . . . [James A. Michener] sympathizes with the struggles of the region's most oppressed, and succeeds in presenting the Caribbean in its rich diversity."—The Plain Dealer "Remarkable and praiseworthy . . . utterly engaging."—The Washington Post Book World "Even American tourists familiar with some of the serene islands will find themselves enlightened. . . . In Caribbean, there appears to be a strong aura of truth behind the storytelling."—The New York Times

BITTERSWEET FREEDOM Judith Bognar Bean, 2018-04-05 A

1956 Hungarian Freedom Fighter, escaping a death sentence inflicted upon him by the Soviet Army, makes a death-defying escape with his wife and baby daughter, seeking a small bridge, shrouded amidst swampy marshland, whose rickety planks wait to lead the family into a vast void called Freedom.

The World Is My Home James A. Michener, 2014-04-15 Literary legend James A. Michener was “a Renaissance man, adventurous, inquisitive, unpretentious and unassuming, with an encyclopedic mind and a generous heart” (The New York Times Book Review). In this exceptional memoir, the man himself tells the story of his remarkable life and describes the people, events, and ideas that shaped it. Moving backward and forward across time, he writes about the many strands of his experience: his passion for travel; his lifelong infatuation with literature, music, and painting; his adventures in politics; and the hard work, headaches, and rewards of the writing life. Here at last is the real James Michener: plainspoken, wise, and enormously sympathetic, a man who could truly say, “The world is my home.” **BONUS:** This edition includes an excerpt from James A. Michener’s *Hawaii*. Praise for *The World Is My Home* “Michener’s own life makes one of his most engaging tales—a classic American success story.”—*Entertainment Weekly*

“The Michener saga is as full of twists as any of his monumental works. . . . His output, his political interests, his patriotic service, his diligence, and the breadth of his readership are matched only by the great nineteenth-century writers whose works he devoured as he grew up—Dickens, Balzac, Mark Twain.”—Chicago Tribune

“There are splendid yarns about [Michener’s] wartime doings in the South Pacific. There are hilarious cautionary tales about his service on government commissions. There are wonderful inside stories from the publishing business. And always there is Michener himself—analyzing his own character, assessing himself as a writer, chronicling his intellectual life, giving advice to young writers.”—The Plain Dealer

“A sweepingly interesting life . . . Whether he’s having an epiphany over a campout in New Guinea with head-hunting cannibals or getting politically charged by the melodrama of great opera, James A. Michener’s world is a place and a time worth reading about.”—The Christian Science Monitor

and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical

documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Bridge At Andau free PDF files is Open Library. With its vast collection of over 1 million eBooks,

Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For

those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Bridge At Andau free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file
