City Guide to Tbilisi, Georgia Stephen Stocks, 2018-05-06 This easy-to-use city guide helps you to unearth Tbilisi's treasures. Organised around a series of leisurely walking tours and some further afield excursions, you will get in-depth information on all buildings, statues, parks, markets, places of worship and any other point of interest, researched through personal visits and by drawing on the expertise of locals. Every step of the way, uncluttered easy-to-follow maps guide you around the city. Tbilisi has an irresistible charm that is neither European nor Asian, but rather a unique blend of cultural influences concocted over centuries of turbulent history. Its setting is nothing short of dramatic, arrayed along the banks of the swiftly-flowing Mtkvari river, under the brooding battlements of Narikala fortress and the green slopes of Mtatsminda Park. In the old town, houses crowd the higgledy-piggledy alleyways, their ornate balconies jutting out precariously in varying degrees of decay. Centuries of religious tolerance becomes apparent when you stumble upon ancient churches, mosques, synagogues and even a Zoroastrian fire temple. Masseurs in sulphur bathhouses continue to scrub and pummel away, as they have done for centuries. Grand buildings line nineteenth-century boulevards, and everywhere the urban sprawl is broken up by leafy parks providing tired tourists with the chance to rest their weary feet. Neighbourhood bakeries and restaurants churn out endless supplies of khachapuri and khinkali, while cellars showcase their vintage Georgian wines. The city has come so far since Soviet times, and is still not overrun with tourists. So, now's the perfect time to visit. This book will be your companion as you explore the city, and is organised in readily digestible chunks: Getting to know Tbilisi gives a brief history of the city and examines its history, geography and demographics. Part 1 navigates north from Freedom Square and takes a walk up Tbilisi's grand thoroughfare, Rustaveli Avenue. Part 2 wanders west of the Mtkvari river and explores the winding alleyways and ancient churches of Tbilisi's historical heart. Part 3 steps south from Gorgasali Square to experience sulphur baths, hidden waterfalls and the lofty battlements of Narikala fortress. Part 4 crosses the river to the experience the atmospheric nineteenth-century streets of the east bank. Part 5 goes further afield on a day trip from Tbilisi, to see the UNESCO World Heritage sights of Mtskheta, and Gori, the birthplace of Stalin. Preparing for your visit gives you all the essential practical information needed to make your trip plain sailing.

Following My Thumb Gabriel Morris,2012-06-29 Following My Thumb follows the wandering, rambling, bumbling travels of Gabriel Morris from 1990-2000. In the summer of 1990, at the age of 18, he sets off to Europe with his over-sized backpack, thumb guiding the way. He hitchhikes the entire length of Great Britain, sleeps in barns, on bridges and beaches and under benches, explores the Greek Isles, sneaks into a Parisian movie theater, spends a night at the center of the Place de la Concorde roundabout, and more. In Part 2 of the book, he spends the bulk of the mid-1990s as a wandering traveler back home in the United States, searching for something elusive: a place to call home, a community, love, adventure, meaning, purpose. He both finds and loses all to varying degrees as he attends tribal Rainbow Gatherings in the woods, falls in and out of love on the road, lives on farms and communes, and spends several months in an idyllic valley, far from civilization in the Hawaiian rainforest. The book culminates with his amazing and thought-provoking travels in the mystical land of India. ,

The Book of Tbilisi Gela Chkvanava,Dato Kardava,Ina Archuashvili,Erekle Deisadze,Shota Iatashvili,Lado Kilasonia,Zviad Kvaratskhelia,Iva Pezuashvili,Bacho Kvirtia,Rusudan Rukhadze,2017-12-14 A rookie reporter, searching for his first big story, re-opens a murder case that once saw crowds of protestors surround Tbilisi's central police station... A piece of romantic graffiti chalked outside a new apartment block sends its residents into a social media frenzy, trying to identify the two lovers implicated by it... A war-orphaned teenager looks after his dying sister in an abandoned railway carriage on the edge of town, hoping that someday soon the state will take care of them... In the 26 years since Georgia declared independence from the Soviet Union, the country and its capital, Tbilisi, have endured unimaginable hardships: one coup d'état, two wars with Russia, the cancer of organised crime, and prolonged periods of brutalising, economic depression. Now, as the city begins to flourish again - drawing hordes of tourists with its eclectic architecture and famous, welcoming spirit - it's difficult to reconcile the recent past with this glamorous and exotic present. With wit, warmth, heartbreaking realism, and a distinctly Georgian sense of neighbourliness, these ten stories do just that. 'Acts as an introduction to a literature quite neglected by the Anglophone world... the language consistently has the direct, clean and unadorned quality of great fiction.' - Luke Kennard. 'A soaring, searing collection - important new stories that are sure to live long in the memory.' - Eley Williams, author of *Attrib*. Published with the support of the Georgian National Book Center and the Ministry of Culture and Monument Protection of Georgia.
