

Die Neuen Paten Trump Putin Erdogan Orban Co Wie

Jürgen Roth

Die neuen Paten Jürgen Roth, 2017-11-27 Wenn Mafiamethoden offizielle Regierungspolitik werden Sie sind die »neuen Paten«: rechtspopulistische und rechtsradikale Politiker wie Viktor Orbán in Ungarn, Recep Tayyip Erdogan in der Türkei, Wladimir Putin in Russland, Donald Trump in den USA. Ihr Ziel: eine neue politische Ordnung. Ihr ideologisches Arsenal: Nationalismus, Rassismus und Religion. Sie sind demokratisch gewählt, doch sie unterwerfen den Staat und seine Institutionen, um sich selbst, ihre Familien und Gefolgsleute hemmungslos zu bereichern - mit Mafiamethoden. Die Grenze zwischen den klassischen Aktivitäten des Staates und denen des organisierten Verbrechens verschwimmt, Mafia-Staaten entstehen. Weit nach Deutschland hinein reichen die Verbindungen: Hier werden Allianzen geschmiedet, Geschäfte gemacht, Profite eingestrichen. Erstmals deckt Jürgen Roth die Strukturen und Hintergründe auf - und die Verflechtungen dieser autoritären Herrscher mit der Mafia und der organisierten Kriminalität.

Die neuen Paten Jürgen Roth, 2017-11-27

Machtbeben Dirk Müller, 2018-08-27 Crash oder Jahrhundertchance? Dirk Müller ist sich sicher: Wir stehen vor der nächsten Weltwirtschaftskrise und einer gigantischen Umverteilung. Ob China, Russland, Nordkorea, Naher und Mittlerer Osten oder USA und Europa - Müller erklärt in seiner gewohnt verständlichen Art Hintergründe, Zusammenhänge und Konsequenzen der aktuellen Konflikte. Klug und glaubhaft schildert er den voraussichtlichen Ablauf dieser kommenden Weltwirtschaftskrise. Er zeigt, welche Rolle Digitalisierung und Automatisierung spielen, wo die Zukunft des Geldes, der Arbeit und der Gesellschaft liegt, und gibt wertvolle Tipps, wie wir diesen Umbruch nicht nur unbeschadet überstehen, sondern auch noch davon profitieren können - aktuell und hochspannend!

Eine Chance für die Demokratie Michael Ghanem, 2018-12-04 Angesichts der Zunahme von politischen Antisystemen in Europa

und weltweit, sei es, dass sie Populisten sind, Autokraten oder Diktatoren, scheinen die Bevölkerungen der sogenannten entwickelten Länder die Umbrüche der 19. Und des 20. Jahrhunderts in allen ihren Konsequenzen vergessen zu haben und die Kriege, die daraus folgten, mit all dem Tod und Leid. Anscheinend reichen die Erfahrungen und Erkenntnisse lediglich für zwei Generationen. Die danach kommenden Generationen scheinen den Wert der errungenen Freiheit und Demokratie nicht mehr zu schätzen. Äußerst problematisch ist, dass Demokratie und Freiheit scheinbar viele Gesellschaften überfordern, da sie durchaus bei ihrer Umsetzung strukturelle Verwerfungen erfordern. Der Wert, der jedoch daraus entsteht, wird dann als Selbstverständlichkeit angenommen. Insbesondere die zunehmenden sogenannten populistischen Bewegungen mit stark regionalen und nationalistischen Hintergründen sowie xenophoben Grundlagen sind nach Meinung des Autors sehr gefährlich und zerstörend. Gerade Pseudo-Politiker, die diese Parteien führen oder steuern, haben ihre Geschichte scheinbar gelernt und trotzdem versuchen sie, durch Spaltung der Gesellschaft an die Macht zu kommen (so wie übrigens Hitler). Dies wäre jedoch nicht so problematisch, wenn die demokratischen Parteien auf einer gesunden Basis stehen würden und wenn sie nicht zu lange gewartet hätten, um den Aufstieg dieser Bewegungen zu verhindern. Neben der Unterschätzung dieser politischen Bewegungen haben es die jetzigen politischen Parteien, insbesondere in Deutschland, versäumt, sich ihrer Ur-Aufgabe zu widmen, nämlich dem Volk zu dienen. Um dem Volk dienen zu können, muss man jedoch zuhören. Politische Eliten, die meinen, voll informiert zu sein und nicht der Bevölkerung nahe stehen zu müssen, sind fehl am Platz. Sie sind die Mit-Verursacher dieser Entwicklung in Europa und Deutschland.

Stephen Bannon Tilman Jens, 2017-08-28 Was ist von den USA noch zu erwarten? Als Chefstrategie von Donald Trump hat Stephen Bannon die Politik des US-Präsidenten beeinflusst wie

kein Zweiter: Ausstieg aus dem Klimaschutzabkommen; Einreiseverbot für Muslime; Abschaffung von Obamacare; Grenzmauer zu Mexiko; die Androhung von Strafzöllen – das alles trägt seine Handschrift. Jetzt sitzt er zwar nicht mehr im Weißen Haus, ist aber als Chef der Propagandaplattform »Breitbart News« womöglich nur noch gefährlicher geworden. Denn inhaltlich weiß er sich mit Trump völlig einig – aber Rücksichten braucht Bannon jetzt nicht mehr zu nehmen. Tilman Jens schildert den Werdegang des Mannes, der die Plattform »Breitbart News« zu einer entscheidenden Größe in Trumps Wahlkampf machte, und legt den beunruhigenden Kern von Bannons Denken bloß: ein Weltbild, das auf Konfrontation und Zerstörung setzt. Wer Trumps Politik begreifen will, muss die Ziele von Stephen Bannon kennen.

Der stille Putsch Jürgen Roth, 2014-03-24 Sparen, sparen, sparen ist die Devise der meisten europäischen Politiker, denn nur dadurch sei die Krise zu bewältigen und der Wohlstand zu sichern. In Wirklichkeit geht es aber um etwas ganz anderes: Unter dem Deckmantel der Krisenbewältigung findet ein stiller Putsch gegen die europäischen Bürger statt. Bestsellerautor Jürgen Roth zeigt, wer die Putschisten sind und was sie bezwecken, was das für Deutschland und Europa bedeutet und wie wir uns dagegen wehren können – und müssen. Was derzeit in Griechenland, Portugal, Spanien und Italien passiert, ist erst der Anfang. Auch Deutschland und anderen europäischen Staaten soll es so ergehen: Durch drastische Sparprogramme werden die Löhne gesenkt, Einschnitte in die Sozial-, Gesundheits- und Bildungssysteme durchgesetzt, die Arbeitnehmerrechte reduziert und der Verkauf öffentlichen Eigentums vorangetrieben. Unter dem Vorwand der Krisenbewältigung geht es um die gnadenlose Durchsetzung einer marktfundamentalen Politik – ein kalter Putsch gegen die europäische Zivilgesellschaft. Doch wer steckt dahinter? Eine mächtige Elite aus Wirtschaft und Politik, der nur ausgewählte Personen angehören und deren Ziel die

Durchsetzung langfristiger wirtschaftsfreundlicher Strategien und die Entmachtung des Staates ist. Jürgen Roth nennt die Putschisten und ihre Helfershelfer beim Namen, er deckt auf, wie sie über das Schicksal Europas entscheiden, und zeigt, warum wir uns nicht länger belügen und täuschen lassen dürfen. – Ein brisantes Enthüllungsbuch.

Der tiefe Staat Jürgen Roth, 2016-01-25 Wo dubiose Absprachen und schattenhafte Institutionen beginnen, endet unsere Demokratie Gibt es einen Staat im Staat? Verborgene Strukturen, die ihre eigenen Ziele verfolgen? Die jüngsten Erkenntnisse im NSU-Prozess lassen ein geheimes Geflecht rechtsextremer Verbindungen erahnen, das die staatlichen Institutionen durchzieht. Welche Rolle spielen dabei die bundesdeutschen Geheimdienste? Herrscht eine stille Komplizenschaft zwischen antidemokratischen Gruppen und öffentlichen Behörden? Es sind solche Entwicklungen, aus denen der zunehmende Vertrauensverlust der Bürger in eine staatliche Politik resultiert, deren Motive und deren Handeln immer intransparenter werden. Bestsellerautor Jürgen Roth deckt diese verborgenen Netzwerke auf: einen »tiefen Staat«, in dem Geheimdienstagenten, Politiker und Kriminelle zusammenwirken. Sie agieren außerhalb jeglicher Legalität und sind für keine parlamentarische Kontrolle zu fassen – schattenhafte Strukturen, die ans Licht gebracht werden müssen.

Nationalism in a Transnational Age Frank Jacob, Carsten Schapkow, 2021-11-22 Nationalism was declared to be dead too early. A postnational age was announced, and liberalism claimed to have been victorious by the end of the Cold War. At the same time postnational order was proclaimed in which transnational alliances like the European Union were supposed to become more important in international relations. But we witnessed the rise a strong nationalism during the early 21st century instead, and right wing parties are able to gain more and more votes in elections that are often characterized by nationalist agendas. This

volume shows how nationalist dreams and fears alike determine politics in an age that was supposed to witness a rather peaceful coexistence by those who consider transnational ideas more valuable than national demands. It will deal with different case studies to show why and how nationalism made its way back to the common consciousness and which elements stimulated the re-establishment of the aggressive nation state. The volume will therefore look at the continuities of empire, actual and imagined, the role of foreign- and otherness for nationalist narratives, and try to explain how globalization stimulated the rise of 21st century nationalisms as well.

Glaube wenig, hinterfrage alles, denke selbst Albrecht Müller, 2022-05-09 Demokratie klingt schön. Tatsächlich wird sie täglich ausgehöhlt. Wir alle werden ständig bedrängt zu denken, was andere uns vorsagen. Die meisten politischen Entscheidungen werden unter dem Einfluss massiver Propaganda getroffen - von der Agenda 2010 bis zu den neuen Kriegen. Dieses Buch hilft, sich aus dem Gestrüpp der Manipulationen zu befreien. Albrecht Müller beschreibt gängige Methoden der Manipulation sowie Fälle gelungener oder versuchter Meinungsmache und analysiert die dahintersteckenden Strategien. Es ist an der Zeit, skeptischer zu werden, nur noch wenig zu glauben und alles zu hinterfragen. Es ist Zeit, wieder selbst zu denken.

Enlargement of the European Union Allan F. Tatham, 2009-01-26 The development of EU enlargement has raised many thorny issues unanticipated by the framers of the EC Treaty. A significant upshot of these issues is that the concept of European identity - defined in terms of such factors as culture, history and economics - has supplanted the long-dominant theme of 'widening and deepening,' particularly since the Union's expansion has become primarily eastward. The major contribution of this important book lies in its analysis of the conceptualization and perception of enlargement from various points of view,

focusing on the concerns of stakeholders and the 'identity' conflicts and uncertainties incurred by enlargement initiatives. In the course of its presentation, it details the actual pre-accession Europeanization process and its complex history. Among the key elements discussed are the following: the conflict between 'widening' and 'deepening' and the effect on EU institutional reform; institutional requirements on candidate countries; pre-accession criteria and negotiations; administrative capacity, judicial capacity, and legal approximation in accession states; capacity of the EU to absorb new Member States; and EC law as part of European identity. Also covered are specific historical details of particular pre-accession negotiations (e.g., Greece, Spain, Portugal, Malta, and Cyprus), the still inconclusive negotiations with Turkey and the Western Balkan states, and political factors involved in the non-accession of Norway, Iceland and Switzerland. Assembling powerful evidence and applying incisive analysis, the author's conclusion shows that, absent further (and major) EU institutional reform, it will be difficult for an enlarging Union to continue to 'deliver the goods.' A watershed in the continuing great debate on the fulfilment of the EC Treaty's determination to foster and promote 'an ever closer union of the peoples of Europe,' this book will prove invaluable to anybody interested in the European integration project, particularly lawyers, academics, officials and policymakers in the EU Member States.

Diana Kate Snell, 2021-06-10 WITH NEW AFTERWORD FROM THE AUTHOR. When you're the most famous woman in the world, can you really love in secret? When Princess Diana flew to Pakistan in May 1997, she went to meet the family of Dr Hasnat Khan, the man she wanted to marry. One of the most well-known and beautiful women in the world, she hoped to persuade Dr Khan's mother that she would make a suitable wife for her son. However, this was not the only hurdle to overcome: the man she called her 'Mr Wonderful' was a dedicated professional who

sought to avoid the limelight – a fact that would test their love to the limits. Had their relationship succeeded, the events of that summer might have been very different. Sharing powerful testimony from Diana's closest confidants, and that of Dr Khan's own family, as well as information released during the inquests into the deaths of Diana and Dodi Fayed, this book offers a unique insight into Diana's world and the events central to her last years. This special new edition of an international bestseller, released in the year that would've marked Diana's 60th birthday, features a new afterword from the author reflecting on the legacy of this most extraordinary of women.

The Internet of Things Ulrich Sendler, 2017-11-16 Industrie 4.0 and the Internet of Things have been positioned on the international stage as important initiatives of a promising future: Who is dealing in data from the digital factory? Germany has its “Plattform Industrie 4.0”, China “Made in China 2025” and the USA the “Industrial Internet Consortium”. Who is leading the fourth industrial revolution? The digitalization of industry is changing the global economy and society. Technology is supplying the opportunities to do so. Humans must decide just how far artificial intelligence should go, and what machines should learn – to create new and improved work instead of fewer jobs. In addition to Ulrich Sendler and eight German industry and research experts, the CEO of Xinhuanet in Beijing has also contributed to this book.

The Church and the Left Adam Michnik, 1993-03 Helps explain the powerful coalition between the Catholic Church and the dissident Left in the Polish revolutionary movement, and describes the unique makeup and direction of the Polish social revolution. Annotation copyright Book News, Inc. Portland, Or.

Why Turkey is Authoritarian Halil Karaveli, 2018 A radical history of Turkey, from the end of the Ottoman Empire to the present day, rejecting traditional narratives of a 'clash of civilisations'

Conservatives Betrayed Richard A. Viguerie, 2006 A call to action by the Republican conservative who urged the GOP to implement a conservative agenda immediately after the November 2004 election argues that Republicans must adhere to conservative policies in order to meet such ends as the outlawing of abortion, tax reduction, and the protection of American interests overseas.

Me the People Nadia Urbinati, 2019-08-06 A timely and incisive assessment of what the success of populism means for democracy. Populist movements have recently appeared in nearly every democracy around the world. Yet our grasp of this disruptive political phenomenon remains woefully inadequate. Politicians of all stripes appeal to the interests of the people, and every opposition party campaigns against the current establishment. What, then, distinguishes populism from run-of-the-mill democratic politics? And why should we be concerned by its rise? In *Me the People*, Nadia Urbinati argues that populism should be regarded as a new form of representative government, one based on a direct relationship between the leader and those the leader defines as the “good” or “right” people. Populist leaders claim to speak to and for the people without the need for intermediaries—in particular, political parties and independent media—whom they blame for betraying the interests of the ordinary many. Urbinati shows that, while populist governments remain importantly distinct from dictatorial or fascist regimes, their dependence on the will of the leader, along with their willingness to exclude the interests of those deemed outside the bounds of the “good” or “right” people, stretches constitutional democracy to its limits and opens a pathway to authoritarianism. Weaving together theoretical analysis, the history of political thought, and current affairs, *Me the People* presents an original and illuminating account of populism and its relation to democracy.

The Protocols of the Learned Elders of Zion Sergei

Nilus,Victor Emile Marsden,2019-02-26 The Protocols of the Elders of Zion is almost certainly fiction, but its impact was not. Originating in Russia, it landed in the English-speaking world where it caused great consternation. Much is made of German anti-semitism, but there was fertile soil for The Protocols across Europe and even in America, thanks to Henry Ford and others.

Visions and Revisions of Europe Karolina Czerska-Shaw, Marcin Galent, Bożena Gierat-Bieroń, 2018 Visions and Revisions of Europe offers a multidisciplinary debate on the various political, social, and cultural issues that are at the heart of contemporary European discourse, with a focus on the relations between the so-called “New” and “Old” Europe. A range of possible scenarios for the future of the EU, as well as a discussion of the factors affecting current crises are at the forefront of the debate, which lead the reader to reflect upon often overlooked aspects of European integration, such as Germany’s hegemonic role in the Union, or historical narratives and myths that need to be deconstructed and critically analysed. Contemporary populist movements also play a key role, as do the often difficult processes of migration and EU mobility, which reveal the tensions, fears, and lines of exclusion in contemporary European societies. Finally, the role of values – namely an adherence to human rights and responsibility over the global social order – which in the 1970s was a cornerstone of EU discursive action and identity building, serves as a lasting point of reflection on the uncertain future of the EU’s axio-normative direction(s).

The German Federal Constitutional Court Matthias Jestaedt, Oliver Lepsius, Christoph Möllers, Christoph Schönberger, 2020-03-05 This translation into English of the leading German-language work on the Federal Constitutional Court gives an overview of the court’s history and role as one of the most influential constitutional courts in recent years. The book consists of four extended, free-standing essays written by

each of the authors. The essays cover the historical development and political context of the Court; the Court and the constitution; the Court's approach to judicial reasoning; and the Court in contemporary constitutional theory.

The Rejection of Consequentialism Samuel Scheffler, 1994-08-11 In contemporary philosophy, substantive moral theories are typically classified as either consequentialist or deontological. Standard consequentialist theories insist, roughly, that agents must always act so as to produce the best available outcomes overall. Standard deontological theories, by contrast, maintain that there are some circumstances where one is permitted but not required to produce the best overall results, and still other circumstances in which one is positively forbidden to do so. Classical utilitarianism is the most familiar consequentialist view, but it is widely regarded as an inadequate account of morality. Although Professor Scheffler agrees with this assessment, he also believes that consequentialism seems initially plausible, and that there is a persistent air of paradox surrounding typical deontological views. In this book, therefore, he undertakes to reconsider the rejection of consequentialism. He argues that it is possible to provide a rationale for the view that agents need not always produce the best possible overall outcomes, and this motivates one departure from consequentialism; but he shows that it is surprisingly difficult to provide a satisfactory rationale for the view that there are times when agents must not produce the best possible overall outcomes. He goes on to argue for a hitherto neglected type of moral conception, according to which agents are always permitted, but not always required, to produce the best outcomes.

Unveiling the Energy of Verbal Artistry: An Emotional Sojourn through **Die Neuen Paten Trump Putin Erdogan Orban Co Wie**

In a global inundated with displays and the cacophony of quick communication, the profound power and psychological resonance of verbal beauty often fade in to obscurity, eclipsed by the regular onslaught of noise and distractions. However, situated within the musical pages of **Die Neuen Paten Trump Putin Erdogan Orban Co Wie**, a fascinating work of literary elegance that impulses with fresh emotions, lies an unforgettable trip waiting to be embarked upon. Written with a virtuoso wordsmith, this exciting opus manuals viewers on a mental odyssey, gently revealing the latent possible and profound influence embedded within the delicate web of language. Within the heart-wrenching expanse of the evocative analysis, we can embark upon an introspective exploration of the book is main styles, dissect their fascinating writing model, and immerse ourselves in the indelible effect it leaves upon the depths of readers souls.

Die Neuen Paten Trump Putin Erdogan Orban Co Wie Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips

In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere.

The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Die Neuen Paten Trump Putin Erdogan Orban Co Wie PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the

information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords,

topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Die Neuen Paten Trump Putin Erdogan Orban Co Wie PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free

downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Die Neuen Paten Trump Putin Erdogan Orban Co Wie free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Die Neuen Paten Trump Putin Erdogan Orban Co Wie Books

What is a Die Neuen Paten Trump Putin Erdogan Orban Co Wie PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Die Neuen Paten Trump Putin Erdogan Orban Co Wie PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. **Print to PDF:** Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. **Online converters:** There are various online tools that can convert different file types to PDF. **How do I edit a Die Neuen Paten Trump Putin Erdogan Orban Co Wie PDF?** Editing a

PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Die Neuen Paten Trump Putin Erdogan Orban Co Wie PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Die Neuen Paten Trump Putin Erdogan Orban Co Wie PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free

alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might

require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
