

# **My Life And Rugby The Autobiography English Editi**

**Lawrence Dallaglio**

*My Life and Rugby* Eddie Jones, 2019-11-21 Winner of the Daily Telegraph Rugby Book of the Year The Sunday Times bestselling rugby book of the year Brilliant, honest, combative – Eddie Jones is a true legend of world rugby and remains an enigmatic figure in the game. In *My Life and Rugby* he tells his story for the first time, including the full inside account of England's 2019 World Cup campaign. He describes his experience growing up in a tough working-class area of Sydney, where he first played rugby, and how he learnt from the extreme highs and lows of his own playing career – the numerous successes but also the painful disappointment of never playing for Australia. He tells how he then embarked on a coaching career that has seen him become one of the most experienced and decorated coaches in Rugby Union, spanning four World Cups and three finals. His successes have included masterminding England's spectacular victory over New Zealand in the 2019 World Cup and engineering the sport's most stunning upset when Japan beat South Africa in 2015. *My Life and Rugby* is the story of one of the most compelling and singular figures in rugby. Told with unflinching honesty, this is the ultimate book for all fans of the sport. Written with Donald McRae, twice winner of the William Hill Sports Book of the Year award and three-time Sports Feature Writer of the Year, *My Life and Rugby* is the story of one of the most compelling and singular figures in rugby. Told with unflinching honesty, this is the ultimate rugby book for all fans of the sport. A Best Book of the Year – Daily Mail, Sunday Times, The Times

*Leadership* Eddie Jones, 2021-11-25 Praise for Eddie Jones 'A genuine super-coach' – The Sunday Times 'His gifts of leadership and organisation are remarkable' – The Daily Mail Eddie Jones is one of the most successful sports coaches of all time. From coaching three different nations to Rugby World Cup finals and enjoying a winning record with England of nearly 80 per cent, he knows what's needed to lead and manage high performance teams. For the first time, Eddie reveals what it takes to operate in high pressure environments, the successes and setbacks, and how these lessons can be applied to every walk of life, from coaching a children's sports team to leading a multinational organization to simply doing your job better. Forthright and unflinchingly honest, Eddie Jones reveals what he has learnt from Sir Alex Ferguson, Arsène Wenger and Pep Guardiola, as well as from the founder of Uniqlo and Ron Adams of the NBA. Drawing on stories from nearly thirty years of coaching, Eddie explains how you need humour, humility and relentless curiosity to lead an eclectic mix of superstars – from Maro Itoje to James Haskell, George Smith to Kyle Sinckler – and create teams that are relentlessly hungry to win. *Leadership* is the ultimate rugby book about what it takes to be the best. Written with Donald McRae, two-time winner of the William Hill Sports Book of the Year Award, *Leadership* is the book for anyone who wants to learn how to build and lead a team to success.

**The Test** Brian O'Driscoll, 2014-10-23 The bestselling autobiography of the greatest rugby player of our time: Brian O'Driscoll. Since 1999, when he made his international debut, there has been no greater player in world rugby than Brian O'Driscoll. In 2010 Rugby World magazine named him its world player of the decade – and since then the legend has only grown. Now, at the end of his amazing career – which culminated in fairy-tale fashion with Ireland's victory in the 2014 Six Nations championship – he tells his own story. Honest, gritty and thoughtful, Brian O'Driscoll's Autobiography is not just an essential sports book. It is an essential book about family, friends, hard work, courage and imagination. 'Honest, charming and revealing – a thoroughly good read' Rugby World 'A thoroughly enjoyable read ... After reading *The Test* I warmed even more to O'Driscoll as a player and a man. He stood for a new ethos in Irish sport that refused to accept mediocrity or glorious failure' Fergal Keane, Irish Times 'O'Driscoll's honesty ... takes the reader to a place they simply have not been before' Vincent Hogan, Irish Independent 'A must-read insight into the life and mind of Ireland's greatest rugby player' Irish Mail on Sunday 'There are fascinating insights into the lengths he was willing to go to perform at the highest level' Sunday Business Post

**Belonging: The Autobiography** Alun Wyn Jones, 2021-09-16 'People think they know him but unless you read this book you will never know the REAL Alun Wyn Jones' – Warren Gatland 'One of the greatest, and seemingly indestructible, players in history' – A Daily Mail Book of the Year *Belonging* is the story about how the boy from Mumbles became the most capped rugby union player of all time. It is the story of what it takes to become a man who is seen by many as one of the greatest ever Welsh players. What it takes to go from sitting cross-legged on the hall floor at school watching the 1997 Lions tour of South Africa, to being named the 2021 Lions captain. But is it also about perthyn – belonging: playing for Wales, working his way through the age grades and club rugby and his regional side. How to earn the right to be there, and what it feels like to make the sacrifices along the way. Feeling the connection to players who have come before, and feeling the ties to the millions in front rooms and pubs across the country, coast to coast. Knowing that deep down you want to belong, as everyone does. From playing on the rain-swept pitches of Swansea to making his test debut against Argentina in Patagonia in 2006; from touring with the Lions in 2009, 2013, 2017 and 2021 to dealing with loss and creating a family – *Belonging* is the autobiography of one of the most compelling figures in world rugby. Told with characteristic honesty, this is his unique personal story of what it takes and what it means to play for your country: what it means to belong.

**Ronan O'Gara** Ronan O'Gara, 2010-07-06 Ronan O'Gara is one of the greatest sportsmen Ireland has ever produced. A brilliant kicker both from the hand and at penalty goals, a sublime orchestrator of play from the out-half position he has made his own, and a cool head in the pressure-cooker of club and international rugby, the list of the Cork man's achievements goes on and on. The leading points scorer in Irish rugby history, the Six Nations and the Heineken Cup. The architect of two amazing Munster triumphs in Europe. The man whose last minute drop-goal sensationally won the Grand Slam in 2009, Ireland's first for 61 years. In his candid, illuminating autobiography, O'Gara tells the story of those many on-field successes and, with brutal honesty, the darker days as well, most notably at the 2007 World Cup. He tells the inside story of Ireland's disappointments in France, and responds to the allegations about his personal life that made front-page news that autumn. *Ronan O'Gara: My Autobiography* is the unforgettable story of a rugby player at the top of his game, of a life lived to the full, and of a passionate and proud representative of the people of Cork and Ireland.

**Jonny: My Autobiography** Jonny Wilkinson, 2011-11-10 Jonny Wilkinson's career has crossed three decades and four World Cups. He has accumulated phenomenal achievements, world points records, an impressive list of broken body parts, and a drop goal that will be remembered for ever. But the peculiar calmness with which he played the game masked a very different reality. In *JONNY*, he reveals the extraordinary psychology that he had to tame in order to be able to dominate his sport. For most of his life, he was driven by a quest for perfection and an obsession to be the best player in the world; here he shows how these two facets of his competitive mind took such a hold of him that they sent him to the top of the world, then swept him up and dragged him down into a spiral of despair. Jonny's career has spanned the far reaches: amazing highs and iconic moments, then a fight against injury that culminated in a battle with depression. Here he tells of the physical toll he knew his body was taking from rugby, even from his youth; he tells of how he never wanted to be a kicking fly-half but learned to adapt his natural game to play the style that Clive Woodward believed necessary to win a World Cup, and how he nearly walked out on Martin Johnson's England team 13 years later.

*Loose Head* Joe Marler, 2020-10-01 SHORTLISTED FOR THE TELEGRAPH RUGBY BOOK OF THE YEAR The truth about being a rugby player from the horse's mouth. This book is not just about how a psychiatrist called Humphrey helped me get back on my horse and clippity-clop all the way to the World Cup semi-final in Japan. It's the story of how a fat kid who had to live up to the nickname Psycho grew up to play and party for over a decade with rugby's greatest pros and live weird and wonderful moments both in and out of the scrum. That's why I'm letting you read my diary on my weirdest days. You never know what you're going to get with me. From being locked in a police cell to singing Adele on Jonathan Ross (I'll let you decide which is worse), being kissed by a murderer on the number 51 bus to drug tests where clipboard-wielding men hover inches away from my naked genitalia, melting opponents in rucks, winning tackles, and generally losing blood, sweat and ears in the name of the great sport of rugby. This is how (not) to be a rugby player.

**Proud** Gareth Thomas, 2014-09-11 \*\*WINNER British Sports Book Awards SPORTS BOOK OF THE YEAR\*\* \*\*Shortlisted for the William Hill Sports Book of the Year Award\*\* Gareth Thomas had it all. He was a national hero, a sporting icon. He was a leader of men, captain of Wales and the British Lions. To him, rugby was an expression of cultural identity, a sacred code. It was no mere ball game. It gave him everything, except the freedom to be himself. This is the story of a man with a secret that was slowly killing him. Something that might devastate not only his own life but the lives of his wife, family, friends and teammates. The only place where he could find any refuge from the pain and guilt of the lie he was living was on the pitch, playing the sport he loved. But all his success didn't make the strain of hiding who he really was go away. His fear that telling the truth about his sexuality would lose him everything he loved almost sent him over the edge. The deceit ended when Gareth became the world's most prominent

athlete to come out as a gay man. His gesture has strengthened strangers, and given him a fresh perspective. Gareth's inspiring and moving story transcends the world of sport to tell a universal truth about feeling like an outsider, and facing up to who you really are.

**It's in the Blood** Lawrence Dallaglio,2008-05-15 As a Premiership, World Cup and Grand Slam winner, no one better embodies the charisma and the colour of English rugby's greatest era than Lawrence Dallaglio. He has some story to tell, not just of the formidable exploits on the field, but an extraordinary life off it. His only sister, Francesca, was the youngest to perish in the Marchioness disaster and her death at 19 remains the great sadness of his life. In addition to this and his much-talked about England exploits, he also led his club Wasps to the summit of European rugby, winning two Heineken Cups and three consecutive English Premiership titles. Full of drama, controversy and great sadness, Lawrence Dallaglio's story the last of the great World Cup heroes is the one every rugby fan has been waiting to read.

**Donal Lenihan** Donal Lenihan,2016-09-22 As player, manager, and pundit, Donal Lenihan has seen it all in the world of rugby - and done much of it too. A victorious captain of Munster Junior and Senior Schools, he went on to skipper the Ireland team at the inaugural Rugby World Cup in New Zealand in 1987 and was a fixture in the second row for over a decade, winning two Triple Crowns and three Five Nations championships. Selected for three British & Irish Lions tours, he was famous for skippering the unbeaten side nicknamed 'Donal's Doughnuts', before taking charge of both Ireland and the Lions as manager. From such a stellar position at the heart of the rugby world, Donal Lenihan has a wealth of stories to tell from both on and off the pitch, from raucous antics on tour to the sometimes difficult fellowship of players in a time of Troubles. He delves deeply into Cork and Munster culture and the influence on his career of his family. And as a much-respected analyst, Donal is also not short on voicing his opinion on the rights and wrongs of the modern game, and how the transition from the amateur to the professional era has affected the heart and soul of rugby. Full of wit, insight and emotional sincerity, this is a rugby book for the ages by a sporting great.

**Willie John** Willie John McBride,Peter Bills,2005-02-03 Willie John McBride is a rugby legend - the boy from Ballymena in Northern Ireland who became captain of the Ireland rugby team and captain of the British Lions for their unbeaten tour against South Africa in 1974. He has remained at the centre of rugby life ever since. During an international career lasting from 1962-75, Willie John played 17 tests for the Lions and was capped 63 times (12 as captain) by Ireland. He was awarded the MBE for services to rugby football in 1971 and later coached and managed the Lions and Ulster. Willie John reveals a man who loves his rugby, love, life, and loves to tell a good story. Despite his amazing success on the rugby field, his life was not always as happy and straightforward. He recounts and reveals details of his life from family tragedies to how he had to sleep with two bodyguards outside his door during the Troubles. The book also includes many of Willie John's wonderful stories, for which he is justly famous.

**Martin Johnson Autobiography** Martin Johnson,2009-02-05 Martin Johnson is the towering second row forward who has come to set the standards of what a professional rugby player should do. His drive and physical presence mean that he is a natural leader on the pitch - and off it, too. In this, his long-awaited autobiography, he looks at the changing world of rugby. He explains why he led the England team to the brink of a strike in the autumn of 2000, and provides the definitive account of England's 2003 World Cup triumph, as well as Lions tours and all the goings-on that make rugby such a special sport. Hugely popular and respected, Martin Johnson has written vivid autobiography and a remarkable portrait of modern rugby.

**My Autobiography** Rory Best,2021-03-04

**Rise: The Brand New Autobiography** Siya Kolisi,2021-10-04 'Siya's rise from humble beginnings to lifting that World Cup trophy is the stuff of fairytales.' MARCUS RASHFORD 'Siya Kolisi is a warrior on the field and an inspiration off it. This book is an extraordinary reminder of what can be achieved with inner belief and an indefatigable spirit.' JAY SHETTY

**Lewis Moody: Mad Dog - An Englishman** Lewis Moody,2011-11-10 Lewis 'Mad Dog' Moody has been a familiar face in English rugby for fifteen successful and, at times, painful years. The former Leicester and now Bath flanker has seen and done it all in a sport that has changed beyond recognition from his first forays into the sport to the huge spectacle that rugby, and especially test match rugby, has become. Known for his near-suicidal fashion of playing the game, Moody has achieved as much as anyone in the history of the sport, from league, cup and European honours with an iconic Leicester Tigers team alongside the likes of Martin Johnson and Neil Back, to a 2003 World Cup winners medal and an MBE when still a young man. A great deal of heartbreak would follow - pain, illness, self-doubt and dark days in the four years before the next World Cup campaign that saw Moody and England fall in the 2007 final but he re-emerged to finally captain his country to a third World Cup campaign in 2011. Mad Dog - An Englishman is the story, warts and all, of one of the most-loved and respected British sporting figures; a story that allows the reader into the inner sanctum of a top rugby star's life, from the early days of student and rugby dressing room mayhem, to the latter years of dedication to the cause, and utter professionalism against all odds. You may think some of Lewis Moody's adventures are well-known. You would be wrong. In this searingly honest autobiography the original 'Mad Dog' lays himself bare and, along the way, takes you on an incredible journey that will make you laugh, cry and understand what it takes to construct a career as successful as Lewis Moody's.

**One Chance** Josh Lewsey,2009-02-05 Josh Lewsey is a household name in English rugby. He has been a Rugby World Cup winner, part of the prestigious British Lions squad and a crucial member of the Wasps team, one of the most successful UK Premiership rugby sides of the last 10 years. Not content with just being a rugby player, his life off the pitch has been equally impressive. He is a graduate in both Law and Physiology, a former Army Officer and an avid adventurer. This fascinating and humorous autobiography follows the highs and the lows that inevitably come from being at the top of a professional sport. His refreshingly honest approach means that he offers real insight into the personalities and attitudes that make up the rugby world, as well as the lessons that he has learnt along the way to reach the pinnacle of his game.

**Centre Stage** Jamie Roberts,Ross Harries,2021-11-11 In a nation of rugby heroes, Jamie Roberts has become a legend. Jamie Roberts is your quintessential hard man: a 6 foot 4, 17 stone slab of rippling muscle, conditioned to run hard into other huge men in an arena where physical dominance is the prime currency. Yet away from rugby, he's a mild-mannered and thoughtful man - a qualified doctor with a thirst for knowledge and a curiosity about the world around him. It's an intriguing contradiction. In his first full season with the Cardiff Blues he was picked by new Wales coach Warren Gatland in the Grand Slam-winning side of 2008. He was still establishing his position in the national team when he toured with the 2009 Lions, emerging as Player of the Series. He went on to win 97 Test caps and play for clubs in Paris, London and Cape Town, yet his career has seldom been straightforward. A fractured skull was one of many injuries he had to overcome, and from the start he had to juggle the competing demands of university life and professional rugby. The joy of Six Nations success with Wales was balanced by heartbreak in the World Cup and disappointment against southern-hemisphere teams, while major trophies at club level proved frustratingly elusive. In this colourful and frank account of a sterling career, Jamie Roberts reveals all about life on tour, in boot camps and in dressing rooms filled with once-in-a-generation characters such as Mike Phillips, Andy Powell, Shaun Edwards, Martyn Williams, Brian O'Driscoll and Johnny Sexton. He also shares his views on concussion in rugby, the failings of the professional structure in Wales and the vital role of old-school team-bonding.

**Fringes** Ben Mercer,2021-07-24 Updated edition of the #1 Amazon Bestseller LONGLISTED FOR THE WILLIAM HILL SPORTS BOOK OF THE YEAR PRIZE 2020 Sports books tend to detail extraordinary achievements, triumphs against the odds or commemorate World Cup winning captains. This book does not do that. For many, playing professional sport is the Dream Job. Few manage it, very few make it to the top and for the rest, life is very different. This is their story. In Fringes, Ben Mercer invites you to witness life at the outer edges of professional rugby. This is a first hand account of what life is like as a journeyman professional athlete. You play, but to the wider public you don't exist. You earn but you don't drive a flash car. You sometimes pack out a stadium but sometimes, you play in a deserted park. This is the story for the majority of sports professionals. Only the minority taste the top, only one person gets to lift the cup or win the medal, only 15 get to play for England at any one time. For the rest, that's not the case. Ben Mercer is a former professional rugby player who after becoming disillusioned and uninspired plying his trade in the English Second Division, accepted an offer out of the blue to go to France and do something different - help an amateur team turn professional. This is a first hand account of what life is like in the lower reaches of professional sport - where your employment status is as precarious as your health and barely anyone will know your name. It's about how it feels to live year to year, with teammates constantly on the move. It's about how professionalism irreversibly changes the French club Stade Rouennais as they move up the divisions, about the tension between progress and identity in a rugby team. It's also about how it

feels to actually be out there on the field, how it feels to occasionally do something extraordinary and how it feels when this is no longer enough for you to make the sacrifices that you need to make to keep playing. There's no ghostwriting, it's an unmitigated meditation on how it feels and what it means to play rugby for a living, to dedicate yourself to an uncompromising but occasionally beautiful game. If you've wanted to know what life is really like as a professional athlete, on the Fringes, away from the glitz and glamour of the international game then look no further.

Glory, Glory John Sattler, Peter Badel, 2014-08-27 The story of a rugby league legend. A gentleman off the field and a brute on it, John Sattler was one of the most feared players of his era. He was equally renowned for his toughness and courage: famously, he played 77 minutes of the 1970 Grand Final with a shattered jaw, leading the Rabbitohs to victory over Manly. Here for the first time he tells his story in his own words and in his own style: honest, uncompromising and direct. It's the story of a boy from the bush who led the Pride of the League back to its rightful place at the top of the Sydney premiership. Along the way, Sattler toured with the Kangaroos, played in four winning Grand Finals and survived a near-fatal car crash. While he later built a new life for himself as a proud Queenslander, Sattler will always remain a South Sydney legend and an icon of the game. 'The story of one of the game's greatest heroes'—Russell Crowe 'If you say South Sydney, you automatically think of Johnny Sattler. He was the iconic, archetypal Rabbitoh warrior.'—Ray Martin

Beware of the Dog Brian Moore, 2011-01-06 WINNER OF THE 2010 WILLIAM HILL SPORTS BOOK OF THE YEAR PRIZE. Brian Moore, or 'Pitbull' as he came to be known during nearly a decade at the heart of the England rugby team's pack, established himself as one of the game's original hard men at a time when rugby was still an amateur sport. Since his retirement, he has earned a reputation as an equally uncompromising commentator, never afraid to tell it as he sees it and lash out at the money men and professionals that have made rugby into such a different beast. Yet, for all his bullishness on and off the pitch, there also appears a more unconventional, complicated side to the man. A solicitor by trade, Moore's love of fine wine, career experience as a manicurist and preference for reading Shakespeare in the dressing room before games, mark him out as anything but the stereotypical rugby player and in Beware of the Dog Moore lays open with astounding frankness the shocking events, both personal and professional, that have gone towards shaping him over the years. Presenting an unparalleled insight into the mind of one of British rugby's greatest players and characters, Beware of the Dog is a uniquely engaging and upfront sporting memoir, and a deserved winner of the William Hill Sports Book of the Year prize.

As recognized, adventure as capably as experience nearly lesson, amusement, as skillfully as contract can be gotten by just checking out a book **My Life And Rugby The Autobiography English Editi** next it is not directly done, you could agree to even more in the region of this life, on the subject of the world.

We provide you this proper as capably as easy exaggeration to get those all. We meet the expense of My Life And Rugby The Autobiography English Editi and numerous books collections from fictions to scientific research in any way. among them is this My Life And Rugby The Autobiography English Editi that can be your partner.
