

The Rise Of The Roman Republic

Edward J. Watts

The Rise of Rome Anthony Everitt, 2012-08-07 NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE KANSAS CITY STAR From Anthony Everitt, the bestselling author of acclaimed biographies of Cicero, Augustus, and Hadrian, comes a riveting, magisterial account of Rome and its remarkable ascent from an obscure agrarian backwater to the greatest empire the world has ever known. Emerging as a market town from a cluster of hill villages in the eighth and seventh centuries B.C., Rome grew to become the ancient world's preeminent power. Everitt fashions the story of Rome's rise to glory into an erudite page-turner filled with lasting lessons for our time. He chronicles the clash between patricians and plebeians that defined the politics of the Republic. He shows how Rome's shrewd strategy of offering citizenship to her defeated subjects was instrumental in expanding the reach of her burgeoning empire. And he outlines the corrosion of constitutional norms that accompanied Rome's imperial expansion, as old habits of political compromise gave way, leading to violence and civil war. In the end, unimaginable wealth and power corrupted the traditional virtues of the Republic, and Rome was left triumphant everywhere except within its own borders. Everitt paints indelible portraits of the great Romans—and non-Romans—who left their mark on the world out of which the mighty empire grew: Cincinnatus, Rome's George Washington, the very model of the patrician warrior/aristocrat; the brilliant general Scipio Africanus, who turned back a challenge from the Carthaginian legend Hannibal; and Alexander the Great, the invincible Macedonian conqueror who became a role model for generations of would-be Roman rulers. Here also are the intellectual and philosophical leaders whose observations on the art of government and "the good life" have inspired every Western power from antiquity to the present: Cato the Elder, the famously incorruptible statesman who spoke out against the decadence of his times, and Cicero, the consummate orator whose championing of republican institutions put him on a collision course with Julius Caesar and whose writings on justice and liberty continue to inform our political discourse today. Rome's decline and fall have long fascinated historians, but the story of how the empire was won is every bit as compelling. With *The Rise of Rome*, one of our most revered chroniclers of the ancient world tells that tale in a way that will galvanize, inform, and enlighten modern readers. Praise for *The Rise of Rome* "Fascinating history and a great read."—Chicago Sun-Times "An engrossing history of a relentlessly pugnacious city's 500-year rise to empire."—Kirkus Reviews "Rome's history abounds with remarkable figures. . . . Everitt writes for the informed and the uninformed general reader alike, in a brisk, conversational style, with a modern attitude of skepticism and realism."—The Dallas Morning News "[A] lively and readable account . . . Roman history has an uncanny ability to resonate with contemporary events."—Maclean's "Elegant, swift and faultless as an introduction to his subject."—The Spectator "[An] engaging work that will captivate and inform from beginning to end."—Booklist

The Rise of the Roman Empire Polybius, 2003-08-28 The Greek statesman Polybius (c.200-118 BC) wrote his account of the relentless growth of the Roman Empire in order to help his fellow countrymen understand how their world came to be dominated by Rome. Opening with the Punic War in 264 BC, he vividly records the critical stages of Roman expansion: its campaigns throughout the Mediterranean, the temporary setbacks inflicted by Hannibal and the final destruction of Carthage. An active participant of the politics of his time as well as a friend of many prominent Roman citizens, Polybius drew on many eyewitness accounts in writing this cornerstone work of history.

Ancient Rome: The Rise and Fall of an Empire Simon Baker, 2010-09-30 This is the story of the greatest empire the world has ever known. Simon Baker charts the rise and fall of the world's first superpower, focusing on six momentous turning points that shaped Roman history. Welcome to Rome as you've never seen it before - awesome and splendid, gritty and squalid. From the conquest of the Mediterranean beginning in the third century BC to the destruction of the Roman Empire at the hands of barbarian invaders some seven centuries later, we discover the most critical episodes in Roman history: the spectacular collapse of the 'free' republic, the birth of the age of the 'Caesars', the violent suppression of the strongest

rebellion against Roman power, and the bloody civil war that launched Christianity as a world religion. At the heart of this account are the dynamic, complex but flawed characters of some of the most powerful rulers in history: men such as Pompey the Great, Julius Caesar, Augustus, Nero and Constantine. Putting flesh on the bones of these distant, legendary figures, Simon Baker looks beyond the dusty, toga-clad caricatures and explores their real motivations and ambitions, intrigues and rivalries. The superb narrative, full of energy and imagination, is a brilliant distillation of the latest scholarship and a wonderfully evocative account of Ancient Rome.

Swords Against The Senate Erik Hildinger,2008-11-05 In the first century B.C., Rome was the ruler of a vast empire. Yet at the heart of the Republic was a fatal flaw: a dangerous hostility between the aristocracy and the plebians, each regarding itself as the foundation of Rome's military power. Turning from their foreign enemies, Romans would soon be fighting Romans.Swords Against the Senate describes the first three decades of Rome's century-long civil war that transformed it from a republic to an imperial autocracy, from the Rome of citizen leaders to the Rome of decadent emperor thugs. As the republic came apart amid turmoil, Gaius Marius, the people's general, rose to despotic power only to be replaced by the brutal dictator Sulla. The Roman army, once invincible against foreign antagonists, became a tool for the powerful, and the Roman Senate its foe.

[The Rise and Fall of the Roman Empire](#) Lisa Idzikowski,2016-07-15 In the history of empires, few compare in influence to the Roman Empire. In the course of its 500-year history, the empire yielded advances in philosophy, governance, science, and the arts that are still relied upon today. Despite its long span and enduring legacy, however, the empire eventually succumbed to its Visigoth invaders. This enchanting narrative traces the history of ancient Rome, from its beginnings through its days as a republic and into the evolution and dissolution of its empire. Cultural achievements of the empire are placed in historical context, and a timeline conveniently summarizes key events for quick reference.

The Rise of Rome Kathryn Lomas,2018-02-26 By the third century BC, the once-modest settlement of Rome had conquered most of Italy and was poised to build an empire throughout the Mediterranean basin. What transformed a humble city into the preeminent power of the region? In The Rise of Rome, the historian and archaeologist Kathryn Lomas reconstructs the diplomatic ploys, political stratagems, and cultural exchanges whereby Rome established itself as a dominant player in a region already brimming with competitors. The Latin world, she argues, was not so much subjugated by Rome as unified by it. This new type of society that emerged from Rome's conquest and unification of Italy would serve as a political model for centuries to come. Archaic Italy was home to a vast range of ethnic communities, each with its own language and customs. Some such as the Etruscans, and later the Samnites, were major rivals of Rome. From the late Iron Age onward, these groups interacted in increasingly dynamic ways within Italy and beyond, expanding trade and influencing religion, dress, architecture, weaponry, and government throughout the region. Rome manipulated preexisting social and political structures in the conquered territories with great care, extending strategic invitations to citizenship and thereby allowing a degree of local independence while also fostering a sense of imperial belonging. In the story of Rome's rise, Lomas identifies nascent political structures that unified the empire's diverse populations, and finds the beginnings of Italian peoplehood.

A History of the Roman Republic Klaus Bringmann,2007-03-26 In this new and authoritative history of the Roman republic, distinguished historian Klaus Bringmann traces the rise of a small city state near the Tiber estuary into a power that controlled the Italian peninsula and created the final Empire of antiquity, an Empire that was to become both the most enduring in the ancient world and to have the most far-reaching consequences for posterity. Whilst this book is chronologically organized, giving the reader a clear sense of the historical progress and dynamics of Roman republican history, it also offers a coherent and authoritative overview of the culture, economics, religion and military might of the Roman empire, presented in an original and stimulating way. Thoroughly referenced and illustrated throughout, with a wealth of primary sources from great Roman writers such as Cicero and Plutarch, A History of the Roman Republic will be essential reading for university students in history and classical

studies. It will also appeal to a wider audience of general readers who are interested in the history of the Ancient world and its legacy.

Mortal Republic Edward J. Watts, 2018-11-06 Learn why the Roman Republic collapsed -- and how it could have continued to thrive -- with this insightful history from an award-winning author. In *Mortal Republic*, prize-winning historian Edward J. Watts offers a new history of the fall of the Roman Republic that explains why Rome exchanged freedom for autocracy. For centuries, even as Rome grew into the Mediterranean's premier military and political power, its governing institutions, parliamentary rules, and political customs successfully fostered negotiation and compromise. By the 130s BC, however, Rome's leaders increasingly used these same tools to cynically pursue individual gain and obstruct their opponents. As the center decayed and dysfunction grew, arguments between politicians gave way to political violence in the streets. The stage was set for destructive civil wars -- and ultimately the imperial reign of Augustus. The death of Rome's Republic was not inevitable. In *Mortal Republic*, Watts shows it died because it was allowed to, from thousands of small wounds inflicted by Romans who assumed that it would last forever.

The Roman Republic Captivating History, 2018-03-27 Explore the Captivating History of the Roman Republic When we think of ancient Rome, the first notion that comes to mind is the one of the empire, followed by the image of a mighty emperor, his legions, colossal buildings, and the Gladiators (or the rhetoric and poetry, depending on your preferences). Some may recall the image of a unified Europe under a single sovereign - the emperor of Rome. However, Rome did not become remarkable at this considerably late phase. In fact, many historians see the history of Rome under the Emperors as a long, gradual decline. It was during the Republic that Rome gained an empire. Most of the achievements that the first emperor of Rome, Octavian Augustus, claimed to have completed were, in fact, earned during the Roman Republic. In this book, we'll have a close look at the beginning of Roman civilization, the foundation of the city and the Senate, the expansion of the Roman Republic, its glory, and its end. Some of the topics covered in this book include: The Past that Made It Possible: The Foundation of Rome between Myth and History Down with the Kings: The Past that Made It Happen Early Republic Military Achievements of Early Republic: Taking Italy Middle Republic: The Punic Wars and Mediterranean Dominance The Military vs. Cultural Dominance: The Roman Civilization meets the Greek World Limitless Power and the Beginning of the End: The Late Republic The Age of the Generals: Pompeius, Crassus, and Caesar Senatus Populus-Que Romanus (SPQR) and Its Downfall The Rise and Fall of Julius Caesar and the End of the Roman Republic And a Great Deal More You Don't Want to Miss Out On! Get the book now to learn more about the Roman Republic

The Rise of Rome Plutarch, 2017-07-25 The biographies collected in this volume bring together Plutarch's Lives of those great men who established the city of Rome and consolidated its supremacy, and his Comparisons with their notable Greek counterparts. Here he pairs Romulus, mythical founder of Rome, with Theseus, who brought Athens to power, and compares the admirable Numa and Lycurgus for bringing order to their communities, while Titus Flamininus and Philopoemen are portrayed as champions of freedom. As well as providing an illuminating picture of the first century AD, Plutarch depicts complex and nuanced heroes who display the essential virtues of Greek civilization - courage, patriotism, justice, intelligence and reason - that contributed to the rise of Rome. These new and revised translations by W. Jeffrey Tatum and Ian Scott-Kilvert capture Plutarch's elegant prose and narrative flair. This edition also includes a general introduction, individual introductions to each of the Lives and Comparisons, further reading and notes. *The Rise of Rome* is the penultimate title in Penguin Classics' complete revised Plutarch in six volumes. Other titles include *Rome In Crisis*, *On Sparta*, *Fall of the Roman Republic*, *The Age of Alexander* and *The Rise and Fall of Athens* (forthcoming 2014).

The Rise of the Romans Brian Taylor, 2008 The rise of the Roman Empire laid the foundations for the development of much of Europe. This book is a chronological account of the formation, battles and campaigns of the Roman state, from the foundation and growth of the city under the Seven Kings, to the epic Republican struggle with Carthage, and the expansion throughout the Mediterranean.

The Fall of the Roman Republic David Shotter,2005-11-14 Revised and updated to include the latest research in the field, this second edition of a popular history text examines how the Roman republic was destabilized by the unplanned growth of the Roman Empire. Central discussion points include: the government of the republic how certain individuals took advantage of the expansion of the empire Julius Caesar's accession to power the rise of the Augustan principate following Julius Caesar's murder. Drawing on a wealth of recent scholarship and including an expanded and updated guide to further reading, a chronology, and a guide to the provinces of the Roman Empire, students of history and classical studies will find this a helpful and accessible introduction to this complex period in history.

The Cambridge Companion to the Roman Republic Harriet I. Flower,2014-06-23 This second edition examines all aspects of Roman history, and contains a new introduction, three new chapters and updated bibliographies.

Roman Republic: an Enthralling Overview of the Rise and Fall of an Era in Ancient Rome That Preceded the Roman Empire Enthralling History,2022-09-27

The Roman Republic: A Very Short Introduction David M. Gwynn,2012-08-30 The rise and fall of the Roman Republic occupies a special place in the history of Western civilization. From humble beginnings on the seven hills beside the Tiber, the city of Rome grew to dominate the ancient Mediterranean. Led by her senatorial aristocracy, Republican armies defeated Carthage and the successor kingdoms of Alexander the Great, and brought the surrounding peoples to east and west into the Roman sphere. Yet the triumph of the Republic was also its tragedy. In this Very Short Introduction, David M. Gwynn provides a fascinating introduction to the history of the Roman Republic and its literary and material sources, bringing to life the culture and society of Republican Rome and its ongoing significance within our modern world. ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and enthusiasm to make interesting and challenging topics highly readable.

The Roman Republic Joseph McAlhany,2021-03 The Roman Republic: A History for Students is an approachable and engaging textbook that equips students with the foundational information and research they need to better understand ancient Roman history and culture. Written to pique the interest of students with scant previous knowledge of Roman history, the concern of the book is less with what that history is than what that history means. Throughout the text, students are challenged to think critically, ask big questions, and explore grand concepts. Each of the book's 12 chapters offers an exploration of key moments in Roman Republic history, beginning with the dramatic story of the last king's overthrow and ending with the assassination of Julius Caesar. The basic terms and concepts needed to understand Roman politics and religion are provided in the first two chapters, and each subsequent chapter introduces students to a different aspect of Roman society and culture, such as food and dining, the military, money, the Latin language, and roads and aqueducts. The Roman Republic is part of the Cognella Antiquity Series, a collection of textbooks that explore the emergence and development of ancient civilizations. The books examine how ancient ideas, empires, social structures, art, literature, and religious beliefs emerged in response to the challenges faced by ancient people as their worlds expanded and changed.

Ancient Rome Captivating History,2020-01-19 The Roman civilization is probably the single most important civilization in the history of the planet. Its expansion defined Europe. Its constitution shaped societies from Russia in the east to the United States and Latin America in the west. Not even its conquerors were immune to the superior Roman culture.

The Roman Republic Don Nardo,2006 A noted historian of ancient Rome chronicles the rise of the Roman city-state, its early kings, and the foundation of the Roman Republic, with its Senate, consuls, and people's assemblies. The grand saga of Rome then continues with the Samnite and

Punic Wars, the Roman conquest of Greece, and the turbulent civil wars of the first century B.C., ending with the fall of the Republic.

The Rise of Rome Anthony Everitt, 2013-11-12 NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE KANSAS CITY STAR From Anthony Everitt, the bestselling author of acclaimed biographies of Cicero, Augustus, and Hadrian, comes a riveting, magisterial account of Rome and its remarkable ascent from an obscure agrarian backwater to the greatest empire the world has ever known. The Rise Of The Roman Republic Introduction

The Rise Of The Roman Republic Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. The Rise Of The Roman Republic Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. The Rise Of The Roman Republic : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for The Rise Of The Roman Republic : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks The Rise Of The Roman Republic Offers a diverse range of free eBooks across various genres. The Rise Of The Roman Republic Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. The Rise Of The Roman Republic Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific The Rise Of The Roman Republic, especially related to The Rise Of The Roman Republic, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to The Rise Of The Roman Republic, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some The Rise Of The Roman Republic books or magazines might include. Look for these in online stores or libraries. Remember that while The Rise Of The Roman Republic, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow The Rise Of The Roman Republic

eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the The Rise Of The Roman Republic full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of The Rise Of The Roman Republic eBooks, including some popular titles.

FAQs About The Rise Of The Roman Republic Books

1. Where can I buy The Rise Of The Roman Republic books?
Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a The Rise Of The Roman Republic book to read?
Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of The Rise Of The Roman Republic books?
Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.

5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are The Rise Of The Roman Republic audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read The Rise Of The Roman Republic books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
