The Sartorialist: MAN Scott Schuman, 2020-09-08 *The Sartorialist Man: Inspiration Every Man Wants, Education Every Man Needs*, by renowned photographer, fashion editor, and social media sensation Scott Schuman, is the definitive fashion primer celebrating the diversity of today's well-dressed man. Schuman's dynamic street photography captures the essence of style as seen through lens of guys of all ages from around the globe. Setting the new standard, the book will be an invaluable resource for men as they explore and hone their unique personal style. What I didn't want this book to be was a list of rules. But I do outline principles that will help you make confident decisions about your many sartorial choices, says Schuman in the book's introduction. The book begins with *Dressing Your Body Type*, because when you know what fits your unique body, the

better you can pull off any look. In section one, Clothing, Schuman delves into wardrobe basics with Elements--an illustrated glossary of everything from jackets and pants, and collars and cuffs, to outerwear and underwear. Also sprinkled throughout are Style Strategies explaining how stylish gentlemen do what they do so well, and the Focus section is filled with tips on to how to talk to a tailor, view the runway, and discover inspiration from friends and colleagues. The second part of the book tackles everything you need to know about accessories--whether to go socks or no socks, and how to tie a tie, choose the right glasses or sunglasses, and find the right shoe. Part three, Maintenance & Sustainability, is filled with illustrated step-by-step instructions on how to care for, mend, fold, store, and pack your clothes and footwear. Schuman even shares pointers on the how and why to invest in key pieces of your wardrobe, shop online or in person, or buy vintage or new. Refreshing, contemporary, and inspiring, this striking menswear tome will come to define today's essence of style. The Sartorialist: Man is about enjoying the freedom to explore what looks great on you--and that, perhaps, is the ultimate chic.

The Sartorialist: X Scott Schuman, 2015-10-27 The third beautiful book from the creator of the original street style blog In The Sartorialist: X, Scott Schuman pays homage to the unique style found on sidewalks and streets, as well as off the beaten path. From its start ten years ago as a New York street-style blog, The Sartorialist has become an essential part of the worldwide conversation on fashion and its place in everyday life. With stunning images of men and women who caught Scott's eye in traditional fashion locales like New York, London, and Milan, as well as newer ones including Peru, India, Dubai, and South Africa, The Sartorialist: X celebrates the many cultures of pattern and color found across the world, making it a thrilling source of photographic inspiration. "Scott's quest on the sidewalks of the world is like a gold miner sifting gravel for the rare pebbles of

gold. Global fashion takes on new meaning through his work: as his subjects confirm, compelling personal style knows no boundaries!” —Harold Koda, Curator in Charge, The Costume Institute at the Metropolitan Museum of Art “Scott doesn’t just take pictures, he captures emotion. *Hans Eijkelboom: People of the Twenty-First Century* Hans Eijkelboom, 2014-10-02 Hans Eijkelboom: *People of the Twenty-First Century* is an enormous and completely fascinating collection of sartorial photographs of street life by the Dutch conceptual artist/street photographer. From Amsterdam to New York and Paris to Shanghai, these photographs, taken over a period of more than twenty years, provide a cumulative portrait of the people of the twenty-first century. A magnetic panoply of images, this cult object has a place in the library of every photography book collector as well as anyone interested in contemporary culture. Democratic, apolitical and unique, the archive of thousands of images offers an engrossing and engaging cross-section of society. Over the course of the last two decades, the Dutch photographer worked methodically on his monumental Photo Notes project: First he would select a busy pedestrian area - his favorite spots were often near shopping centers - where he would stay for 30 minutes up to a few hours. He then spent time observing passers-by before recognizing a common type, normally based on a garment, sometimes a behavior: people in band T-shirts, fur caps or beige trench coats; young couples walking arm in arm; women in suit dresses; men with gelled hair or pushing shopping trolleys. . . He snapped them with a camera hung around his neck, attached to a trigger in his pocket. Back in the studio, the images were laid into grids called Photo Notes. Their simplicity of form and presentation belies their complex anthropological, social and artistic commentary.

**The Importance of Being Little** Erika Christakis, 2016-02-09 “Christakis . . . expertly weaves academic research, personal experience and anecdotal evidence into her book . . . a bracing and convincing case that early education has reached a point of crisis . . . her book is a rare thing: a serious work of research that also happens to be well-written and personal . . . engaging and important.” --Washington Post What kids need from grown-ups (but aren't getting)...an impassioned plea for educators and parents to put down the worksheets and flash cards, ditch the tired craft projects (yes, you, Thanksgiving Handprint Turkey) and exotic vocabulary lessons, and double-down on one, simple word: play. --NPR The New York Times bestseller that provides a bold challenge to the conventional wisdom about early childhood, with a pragmatic program to encourage parents and teachers to rethink how and where young children learn best by taking the child’s eye view of the learning environment To a four-year-old watching bulldozers at a construction site or chasing butterflies in flight, the world is awash with promise. Little children come into the world hardwired to learn in virtually any setting and about any matter. Yet in today’s preschool and kindergarten classrooms, learning has been reduced to scripted lessons and suspect metrics that too often undervalue a child’s intelligence while overtaxing the child’s growing brain. These mismatched expectations wreak havoc on the family: parents fear that if they choose the “wrong” program, their child won’t get into the “right” college. But Yale early childhood expert Erika Christakis says our fears are wildly misplaced. Our anxiety about preparing and safeguarding our children’s future seems to have reached a fever pitch at a time when, ironically, science gives us more certainty than ever before that young children are exceptionally strong thinkers. In her pathbreaking book, Christakis explains what it’s like to be a young child in America today, in a world designed by and

for adults, where we have confused schooling with learning. She offers real-life solutions to real-life issues, with nuance and direction that takes us far beyond the usual prescriptions for fewer tests, more play. She looks at children's use of language, their artistic expressions, the way their imaginations grow, and how they build deep emotional bonds to stretch the boundaries of their small worlds. Rather than clutter their worlds with more and more stuff, sometimes the wisest course for us is to learn how to get out of their way. Christakis's message is energizing and reassuring: young children are inherently powerful, and they (and their parents) will flourish when we learn new ways of restoring the vital early learning environment to one that is best suited to the littlest learners. This bold and pragmatic challenge to the conventional wisdom peels back the mystery of childhood, revealing a place that's rich with possibility.

*Men in this Town* Giuseppe Santamaria, 2017-05-09 *Men In This Town: Alone in a Crowd* is an extension of Giuseppe Santamaria's successful first books *Men in this Town* and *Women in this Town*. The title refers to both Giuseppe, as the photographer, and the candid street shots of individuals captured in his pictures. *Alone in a crowd*, Giuseppe's third title, once again turns the spotlight on men's fashion in cities around the world - including his home-town Sydney, Melbourne, Tokyo, London, Paris, Florence, Madrid, New York, and his childhood home, Toronto. Some shots capture menswear enthusiasts outside the fashion week shows in respective cities, others celebrate the everyday style of men - on the streets, at work and at play. Regardless of the setting, Giuseppe's approach has always been as an outsider looking in, observing a particular quality about his subjects' personal style and how they hold themselves as they go about their day. This collection -

which includes contemporary urban looks and traditional sartorial style and everything in between - spans the author's travels from 2014 to 2016, starting in New York and ending in Toronto.
