

Britain S Best Political Cartoons 2017

Timothy S. Benson

Britain's Best Political Cartoons 2017 Tim Benson,2018-02 Another blockbuster collection of the year's wittiest political cartoons, featuring artworks by Steve Bell, Peter Brookes, Martin Rowson, 'Mac' and many more. If 2016 was a tumultuous year for politics, with Brexit, the most tempestuous US presidential campaign in living memory, turmoil in the Labour party and the rise to power of Theresa May, 2017 promises to be even more dramatic. How will President Trump govern? How will the most important and contentious political event in Britain for decades play out? And how many times will Foreign Secretary Boris Johnson say something embarrassing on a trip abroad? In tough political times, satire is more important than ever, and in Britain's Best Political Cartoons 2017, our finest political cartoonists will once again examine the year's events. The series, edited, introduced and with a commentary by Tim Benson, our leading expert on political cartoons, is now firmly established as a strong seller in the run-up to Christmas, and this year's edition promises to be more urgent, angry, insightful and funny than ever.

Britain's Best Political Cartoons 2018 Tim Benson,2018-11-01 _____ A blockbuster collection of the year's funniest political cartoons, featuring the work of Mac, Steve Bell, Peter Brookes and many more . . . 2018 was the year that Brexit got serious, royals got married, football got (briefly) feverish, and Trump got transformed into a giant baby blimp. In Britain's Best Political Cartoons 2018, our very finest satirists turn their eyes and their pens to all these events and more, offering an incisive and often hilarious tour through a tumultuous twelve months.

Britain's Best Political Cartoons 2022 Tim Benson,2022-10-27 In Britain's Best Political Cartoons 2022 the nation's finest satirists turn their eyes and their pens to the biggest, funniest and most poignant news stories of the year so far. Bringing much needed humour to a tumultuous year in politics, this companion features the work of Peter Brookes, Steve Bell, Morten Morland, Nicola Jennings, Christian Adams, Dave Brown, Brian Adcock and many more, alongside captions from Britain's leading cartoon expert. The result is a razor-sharp, witty and essential companion to another year like no other.

_____ 'A wonderful book . . . A beautiful thing to look at . . . Our brilliant cartoonists show there is still something to satirise . . . A great stocking filler.' Giles Coren 'A blockbuster collection of the year's funniest political cartoons . . . [compiled by] Britain's leading authority on political cartoons . . . It made us chuckle.' Eamonn Holmes

Britain's Best Ever Political Cartoons Tim Benson,2021-09-30 A rip-roaring collection of Britain's finest political satire, from Hogarth and Gillray to Martin Rowson, Steve Bell, Peter Brookes and Nicola Jennings. Between Waterloo and Brexit, cartoons have been Britain's most famous antidote to the chaos of public politics. Skewering the issues and characters that have dominated the news over three centuries, these cartoons have united those who love, and those who hate their politicians. A wild journey through the scandals that made a nation, this is the ultimate book of sketches which have stood the test of time.

Britain's Best Political Cartoons 2021 Tim Benson,2021-10-28 Bringing much-needed humour to a chaotic year, this full-colour cartoon companion features the most hilarious and incisive cartoons by Steve Bell, Peter Brookes, Nicola Jennings, Morten Morland, Patrick Blower and many more of the nation's finest cartoonists. 2021 is turning out to be another extraordinary year, from Covid crises and vaccine victories to lockdown learning, haddock havoc and Capitol coups. But, then, it has also been a very familiar story of Brexit blunders and Trumpian tantrums. The nation's greatest cartoonists have recorded it all with searing wit and astonishing creativity. Britain's Best Political Cartoons 2021 brings together cartoons from the nation's finest satirists, along with captions from Britain's leading cartoon expert, to tell the story of another tumultuous twelve months.

Britain's Best Political Cartoons 2023 Tim Benson,2023-10-26 Bringing much-needed humour to another chaotic year in politics, Britain's Best Political Cartoons 2023 offers a tour of the most high-profile, notorious and absurd news stories of the year, as seen through the eyes of our nation's finest satirists. This collection features the work of Peter Brookes, Steve Bell, Morten Morland, Nicola Jennings, Christian Adams, Dave Brown, Brian Adcock and many more, alongside captions from Britain's leading cartoon expert. The result is a sharply observed, stunningly creative and side-splittingly funny guide to another year like no other. It is the perfect gift for friends, family, or just for yourself. _____ 'A wonderful book . . . A beautiful thing to look at . . . Our brilliant cartoonists show there is still something to satirise . . . A great stocking filler.' Giles Coren 'A blockbuster collection of the year's funniest political cartoons . . . [compiled by] Britain's leading authority on political cartoons . . . It made us chuckle.' Eamonn Holmes

Britain's Best Political Cartoons 2019 Tim Benson,2019-10-31 A hilarious companion to the year's political turmoil, featuring the work of Martin Rowson, Steve Bell, Peter Brookes, Nicola Jennings and many more . . . 2019 was the year of Brexit, obviously. But it was also the year that Donald Trump went haywire over Huawei, Theresa May got bounced by the backstop, Boris Johnson was hoisted into high office, and the country was corralled into a chaotic Christmas election. In Britain's Best Political Cartoons 2019, our very finest satirists skewer everything from Kremlin collusion to no-deal confusion, offering a riotous ride through the last twelve months. And did we mention Brexit?

Britain's Best Political Cartoons 2016 Tim Benson,2016-12-27 2016 was not only the year of Brexit, the most important and contentious political event in Britain for decades. It was also the year of Trump and a tempestuous US presidential campaign, the European migrant crisis, NHS junior doctors' strikes, an ongoing terror threat from ISIS in Europe, turmoil in the Labour party, the Rio Olympics, the ascension to power of Theresa May and the rise (and fall, and rise) of Boris Johnson. In Britain's Best Political Cartoons 2016, all these news events and many more receive the satirical treatment of our finest cartoonists. This result is a hilarious, razor-sharp and essential companion to a momentous and tumultuous year.

Giles's War Tim Benson,2017-07-13 Few contemporaries captured Britain's indomitable wartime spirit as well or as wittily as the cartoonist Carl Giles. Now, for the first time, the very best of the cartoons he produced between 1939 and 1945 are brought together, including many that have not seen the light of day in over 75 years. As a young cartoonist at Reynold's News and then the Daily Express, Giles's work provided a crucial morale boost - and much-needed laughs - to a population suffering daily privations and danger, and Giles's War shows why. Here are his often hilarious takes on the great events of the war - from the Fall of France, via D-Day, to the final Allied victory - but also his wryly amusing depictions of ordinary people in extraordinary times, living in bombed-out streets, dealing with food shortages, coping with blackouts, railing against bureaucracy and everyday annoyances. It's a brilliantly funny chronicle of our nation's finest hour, as well as a fitting tribute to one of our greatest cartoonists.

Cartoons of World War II Tony Husband,2013-07-05 In peacetime cartoonists are a diverse collection of individuals with their own styles and projects, but when the trumpets of war blow it is like unleashing the dogs of war. Hitler, Stalin, Churchill, Roosevelt and Mussolini were a gift for them and, as this collection shows, one they weren't about to turn down. This book shows that humour was one of the key weapons of war, with countries using cartoons to demoralise their opponents and maintain morale. Each country had its own style: the British liked understatement, showing people drinking cups of tea while bombs fell, whilst the Germans chose Churchill serving up a cocktail of blood, sweat and tears to an emaciated and sickly British lion. Showcasing the very best cartoons from Britain, the USA, Germany, Russia plus the work of all of WWII's greatest cartoonists, including Bill Mauldin, Fougasse, Emmet, David Low and Graham Laidler (Pont), this book is guaranteed to make you laugh.

Britain's Best Political Cartoons 2024 Tim Benson,2024-10-24

Britain's Best Political Cartoons 2020 Tim Benson,2020-10-29 ****BRITAIN'S BEST POLITICAL CARTOONS 2021 IS OUT NOW**** 2020 will forever be remembered as the year of coronavirus: twelve months in which we collectively forgot about Brexit, to turn our

attention to the NHS, furloughs and social distancing. All of us, that is, apart from Britain's political cartoonists. Here, our finest satirists turn their eyes to Covid and much more: from the never-ending Brexit psychodrama to the Labour leadership election to the next US president. Featuring the work of Steve Bell, Peter Brookes and Nicola Jennings, Britain's Best Political Cartoons is your trusty companion to another year of turmoil, tantrums and Trump.

The Rhetoric of Brexit Humour Simon Weaver, 2021-09-30 Since 2016 there has been an outpouring of humour, comedy and satire on the United Kingdom's EU Referendum and decision to leave the EU, or Brexit. This book examines the relationship between Brexit and its comedy, exploring how Brexit and comedy are connected in both Leave and Remain discourse. It argues that both populism and comedy are rhetorical in nature and so are linked through their semantic structure and communicative potential. Considering the incongruities that Brexit presents for British society, the author analyses the populism that has emerged from those incongruities in the form of ironic, ambiguous and dichotomous discourse. Through the analysis of a range of comedy on the EU Referendum and Brexit, including material from stand-up and situation comedy, and political satire of various types, *The Rhetoric of Brexit Humour* examines the way in which comedy acts as a rhetoric that draws on, supports and attacks the discourses of Brexit. This provides not just an advance in our understanding of political satire but also a clearer description of the nature of populism. This book will appeal to sociologists, political scientists, media and communications scholars, and anyone interested in Brexit, populism and comedy.

The Best of Britain's Political Cartoons 2014 Timothy S. Benson, 2014

Drawn and Quartered Paul Conrad, 1985

Corbyn Steve Bell, 2018-10-30 The beginning of the gospel of Jeremiah, as it is written... Since his unforeseen resurrection from the tepid ashes of the Labour Party in 2015, Jeremy Corbyn has been on a seemingly unstoppable upward trajectory. And one of Britain's best-loved political cartoonists, Steve Bell, has been with him every step of the way. In *Corbyn: The Resurrection*, Bell has compiled an unmissable selection of his caustically witty cartoons charting the Labour leader's ascension amid the country's best attempts to tear itself apart. From an unforgettable Star Wars pastiche depicting Jez-Bi-Wan Conorbryn's leadership saga, to Bell's savagely gleeful account of the 2017 snap election and beyond, the result is an endlessly entertaining chronicle of Corbyn's path from the 'unelectable' to 'the prime-minister-in-waiting'.

The Art of Controversy Victor S. Navasky, 2013-04-09 A lavishly illustrated, witty, and original look at the awesome power of the political cartoon throughout history to enrage, provoke, and amuse. As a former editor of *The New York Times Magazine* and the longtime editor of *The Nation*, Victor S. Navasky knows just how transformative—and incendiary—cartoons can be. Here Navasky guides readers through some of the greatest cartoons ever created, including those by George Grosz, David Levine, Herblock, Honoré Daumier, and Ralph Steadman. He recounts how cartoonists and caricaturists have been censored, threatened, incarcerated, and even murdered for their art, and asks what makes this art form, too often dismissed as trivial, so uniquely poised to affect our minds and our hearts. Drawing on his own encounters with would-be censors, interviews with cartoonists, and historical archives from cartoon museums across the globe, Navasky examines the political cartoon as both art and polemic over the centuries. We see afresh images most celebrated for their artistic merit (Picasso's *Guernica*, Goya's *Duendecitos*), images that provoked outrage (the 2008 Barry Blitt *New Yorker* cover, which depicted the Obamas as a Muslim and a Black Power militant fist-bumping in the Oval Office), and those that have dictated public discourse (Herblock's defining portraits of McCarthyism, the Nazi periodical *Der Stürmer's* anti-Semitic caricatures). Navasky ties together these and other superlative genre examples to reveal how political cartoons have been not only capturing the zeitgeist throughout history but shaping it as well—and how the most powerful cartoons retain the ability to shock, gall, and inspire long after their creation. Here Victor S. Navasky brilliantly illuminates the true power of one of our most enduringly vital forms of artistic expression.

What Diplomats Do Sir Brian Barder, 2014-07-22 What do diplomats actually do? That is what this text seeks to answer by describing the various stages of a typical diplomat's career. The book follows a fictional diplomat from his application to join the national diplomatic service through different postings at home and overseas, culminating with his appointment as ambassador and retirement. Each chapter contains case studies, based on the author's thirty year experience as a diplomat, Ambassador, and High Commissioner. These illustrate such key issues as the role of the diplomat during emergency crises or working as part of a national delegation to a permanent conference as the United Nations. Rigorously academic in its coverage yet extremely lively and engaging, this unique work will serve as a primer to any students and junior diplomats wishing to grasp what the practice of diplomacy is actually like.

Britain's Best Political Cartoons 2015 Tim Benson, 2016-02-23 A fascinating and endlessly entertaining look at the best of the past year's political cartoons. *Britain's Best Political Cartoons 2015* is a compelling, razor-sharp and frequently hilarious collection of almost 200 of the year's most acerbic and insightful political cartoons. All the highs and lows of the past year are covered: from major international events (the conflicts in the Middle East, Greece's continuing crisis), to more local issues (such as the Scottish Independence vote, the fluctuating fortunes of UKIP and, of course, the 2015 General Election) -- not to mention the offbeat and bizarre (Boris Johnson's hair, Ed Miliband's taste in sandwiches). With contributions from Britain's finest cartoonists, including Steve Bell, Peter Brookes, Dave Brown, Chris Riddell and Martin Rowson, it's the perfect bedside book -- and a browser's delight.

Napoleonic Wars in Cartoons Mark Bryant, 2009 'Mark Bryant has done it again. He has shown that one of the best ways of learning history is to look at cartoons. ...All this is made clear in this brilliant and concise account...Each cartoon tells a tale, expertly described by Bryant...This is an exhilarating way to learn about the Napoleonic Wars...This beautifully produced book is a treasure ? plunder it!' Lord Baker of Dorking, *Cartoon Museum News* 'A veritable feast...so full of interest on every page. For those interested in the social commentary of the period, or for someone who just wants a book to dip into, to flick through the pages and admire the prints, I can think of no better example at such an affordable price as this. A book which you can pick up and enjoy time after time.' Keith Oliver, *Napoleonic Association* 'A fascinating portrait not only of Napoleon but of Britain in the 19th century.' *Catholic Herald* Napoleon Bonaparte was the most caricatured figure of his time, with almost 1,000 satirical drawings about his exploits being produced by British artists alone. The diminutive, pugnacious French emperor was a gift to cartoonists and the Napoleonic Wars were the main topic of interest for some of the greatest artists of 'The Golden Age of Caricature'. Indeed James Gillray's *The Plumb-- Pudding in Danger* (1805) ? featuring British Prime Minister William Pitt and 'Little Boney' carving up the globe in the form of a Christmas pudding ? is not only one of the best known political cartoons of all time but is also one of the most parodied and is still being adapted today by cartoonists worldwide. *Napoleonic Wars in Cartoons* is divided into chapters each prefaced with a concise introduction that provides an historical framework for the drawings of that period. Altogether more than 300 cartoons and caricatures from both sides of the conflicts, in colour and black--and--white, have been skilfully blended to produce a unique visual history.

Fuel your quest for knowledge with this thought-provoking masterpiece, Explore **Britain's Best Political Cartoons 2017**. This educational ebook, conveniently sized in PDF (Download in PDF: *), is a gateway to personal growth and intellectual stimulation.
