**Conversations with God for Teens** Neale Donald Walsch,2012-10-01 Suppose you could ask God any question and get an answer. What would it be? Young people all over the world have been asking those questions. So Neale Donald Walsch, author of the internationally bestselling Conversations with God series had another conversation. Conversations with God for Teens is a simple, clear, straight-to-the-point dialogue that answers teens questions about God, money, sex, love, and more. Conversations with God for Teens reads like a rap session at a church youth group, where teenagers discuss everything they ever wanted to know about life but were too afraid to ask God. Walsch acts as the verbal conduit, showing teenagers how easy it is to converse with the divine. When Claudia, age 16, from Perth, Australia, asks, Why can't I just have sex with everybody? What's the big deal?, the answer God offers her is: Nothing you do will ever be okay with everybody. 'Everybody' is a large word. The real question is can you have sex and have it be okay with you? There's no doubt that the casual question-and-answer format will help make God feel welcoming and accessible to teens. Conversations with God for Teens is the perfect gift purchase for parents, grandparents, and anyone else who wants to provide accessible spiritual content for the teen(s) in their lives.

**66 Love Letters** Larry Crabb,2011-05-09 Forever change the way you look at the Bible . . . and your own life Have you ever read the Bible only to come away confused? Ever wondered if God actually had you in mind when He began telling His story? Though life may not be going according to your plan, God has another one, far better than you can imagine. From Genesis to Revelation, experience His invitation to get you dancing with joy. In 66 Love Letters Larry Crabb offers a fresh, relational look at Scripture: "When you finish reading my first love letter to you, I want you to realize that I never underestimated how thoroughly you'd mess up your life or how painfully you would struggle and suffer, and I don't want you to underestimate your failures or struggles either. They're all part of the story I'm telling. "But neither have I underestimated my determination or ability to enter both the mess you've made and the pain you feel, then turn everything around. I can, and I will, make everything good again. Never underestimate me." Larry's intimate conversation with God asks deeply honest questions such as: "God, what is it you wanted me to see in Obadiah?" "And what's up with Leviticus? Is there anything there for me?" "This one verse in Galatians has always frustrated me. Why is that?" "The way you wrote Revelation makes it difficult to understand—why didn't you just describe what will happen in a straightforward way?" Listen to the story of God unfold through these chapters, and you'll find not only His redeeming love but His plan and provision designed especially for you.

One Coin Found Emmy Kegler,2019-04-02 The stories of Scripture are for everyone. No exceptions. Emmy Kegler has a complicated relationship with the Bible. As a queer woman who grew up in both conservative Evangelical and progressive Protestant churches, she knows too well how Scripture can be used to wound and exclude. And yet, the stories of Scripture continue to captivate and inspire her--both as a person of faith and as a pastor to a congregation. So she set out to fall in love with the Bible, wrestling with the stories inside, where she met a God who continues to seek us out--appearing again and again as a voice, a presence, and a promise. Whenever we are pushed to the edges, our voices silenced, or our stories dismissed, God goes out after us--seeking us until we are found again. And God is seeking out those whose voices we too quickly silence and dismiss, too. Because God's story is a story of welcome and acceptance for everyone--no exceptions. Kegler shows us that even when we feel like lost and dusty coins--rusted from others' indifference, misspent and misused--God picks up a broom and sweeps every corner of creation to find us.
