Eldership and the Mission of God J.R. Briggs, Bob Hyatt, 2015-01-23 The biblical model for church leadership is found not only in pastors but also in teams of elders who oversee, shepherd, teach, equip and guide the community into God's mission. In this practical guide, J.R. Briggs and Bob Hyatt unpack the role, character and posture of a mission-oriented elder.

Church Elders Jeramie Rinne, 2014-04-30 Effective

leadership is important. Nowhere is this more true than in the church. Jeramie Rinne offers readers a concise overview of the Bible's teaching on spiritual leadership, setting forth an easy-to-understand job description for elders that is focused on enabling pastors and church leaders to effectively shepherd their congregations. Giving practical guidance to new elders and helping church members better understand and support their spiritual leaders, this conversational book emphasizes purposeful ministry rather than project management. It will also bolster leaders' confidence by encouraging them to embrace their pastoral calling with grace, wisdom, and a clarity of vision.

Your Calling as an Elder Gary Straub, 2003-10-01 New elders and veteran leaders alike will find wisdom, biblical guidance, and useful suggestions in Gary Straub's examination of the crucial role of elders in Christian Church (Disciples of Christ) congregations. This simple and easy to read overview of Disciples eldership examines the nature of the office and describes its responsibilities and challenges. It emphasizes the importance of spirituality in the lives of elders. Straub beckons elders to embark on their leadership adventure together, fortifying their leadership through prayer, learning, discussion, mutual accountability, and other paths to spiritual growth and encouragement. Their faithful eldership is a beacon for faithful congregations as elders' prayers become spiritual channels through which graces unfold in congregational life. That exciting prospect lies at the heart of eldership and of Straub's inspiring insights.

The Ministry of the Elder Roderick L. Evans, In this publication, we will discuss the ministry of the C.O.G.I.C. Elder. It is our endeavor to help those entering ministry having supplemental support as they navigate the execution of their ministries. In addition, we will provide

basic protocols for the Elder's purpose and function.

Eldership at the Lord's Table Lara Blackwood Pickrel, 2009-07-01 Eldership at the Lord's Table was written to meet the needs of Christian Church (Disciples of Christ) elders in the 21st century. Elders in particular congregations may minister in a variety of ways, but the one common ministry setting for elders throughout the denomination is weekly ministry at the Lord's Table. This resource is designed to give elders the instruction and assistance they need for their Table Ministry without expecting them to read a lengthy volume on history and theology. It provides the reader with a concise history of Table eldership with the Christian Church (Disciples of Christ), a brief treatment of common Disciples' theology of the Lord's Supper, helpful hints on how to craft meaningful and brief communion prayers for both bread and cup, examples of communion prayers, and annotated lists of resources that can be consulted by elders if they would like to study further or seek assistance in other areas.

Leading Leaders Aubrey Malphurs, 2005-04-01 The key to effective leadership in the vast majority of today's churches lies as much with their governing boards as it does with their pastor. But many churches are lead by those who volunteer to chair committees because there is a need, yet they have no leadership training to speak of. How can well-meaning but sometimes ill-prepared lay people guide the path of a church body? The secret lies in offering effective, practical training. Leadership expert Aubrey Malphurs provides this in Leading Leaders. Filling a gaping hole in leadership literature, Malphurs offers workable strategies to train laypeople to successfully lead their churches.

Honoring African American Elders Anne Streaty Wimberly, 1997-01-10 This book examines the church's

vital role in the lives of African American elders and the critical need to prepare church leaders to respond effectively. The authors propose concrete ways for churches to make this type of ministry a reality for the benefit of the elders and the vitality of the whole community.

Rediscovering Church Lynne Hybels, Bill Hybels, 2016-05-03 Rediscovering Church is the candid story of Willow Creek Community Church's phenomenal growth, from 100 members meeting in a Palatine, Illinois, movie theater to its present Sunday morning attendance of 15,000. Bill Hybels and his wife, Lynne, tell about Willow Creek's beginnings, its struggles, the philosophy behind its success, and the strategies that have made it a model for church growth. The first half of the book, written by Lynne Hybels, explores the early years of Willow Creek and the personal accounts behind one of this century's most remarkable church stories. It offers an honest look at the ways God has used both the strengths and weaknesses of His people, creating a church of believers who have had tremendous impact for Christ in their community. In the second half of Rediscovering Church, Bill Hybels helps you apply the strengths of Willow Creek's ministry philosophy to your own congregation's mission. From mission statements to developing leadership, making sound financial decisions, and handling growth, Bill stresses that God wants to build His church to be an effective and committed community of faith that reaches out to a hurting world, to be the body of Christ in real and tangible ways. Rediscovering Church draws on the experiences of Willow Creek to show how one fellowship crystallized its mission and methodology, its vision and values. The Willow Creek story provides an example that churches and individuals alike can turn to for inspiration, encouragement, and a means of uncovering the pattern for their own unique mission and ministry.

What They Didn't Teach You in Seminary James Emery White, 2011-08-01 In churches today, there are ever fewer older pastors speaking into the lives of younger leaders, and fewer younger leaders feeling there is much to be learned from the experience of their elders. Street-smart wisdom is gone from training as there are many men and women preparing pastors who have never themselves pastored a church. Intriguingly, even older, more seasoned pastors yearn for insight into their task, as they remain undisciplined in the school of leadership. In *What They Didn't Teach You in Seminary*, veteran pastor James Emery White provides the kind of mentoring young pastors desperately need but cannot get from academia or leadership books. These from the trenches insights will help them transform their relationships with staff and parishioners, develop healthy boundaries, deliver hard truths, avoid spiritual pitfalls, use their time effectively, and much more.

Community 101 Gilbert Bilezikian, 2009-08-30 Authentic community is essential if the church is to remain true to its God-assigned mission. As the title indicates, the interrelated concepts of community and oneness are presented in this book. Gilbert Bilezikian lays a biblical foundation for this call to community by showing the centrality of community in the sweep of salvation history -- its loss in the Fall, its reclamation through Christ, and its ultimate realization in the New Jerusalem. Bilezikian proceeds to describe how community can be expressed in the daily life of the church, from small groups to various forms of ministry to church leadership. Focusing on oneness, this book presents a paradigm that can renew the vision of the church in this postmodern society and confirm the authenticity of its message. Authentic community is essential if the church is to remain true to its God-assigned mission. As the title indicates, the two interrelated concepts

of community and oneness are presented in this book. Gilbert Bilezikian lays a biblical foundation for this call to community by showing the centrality of community in the sweep of salvation history - its loss in the Fall, its reclamation through Christ, and its ultimate realization in the New Jerusalem.

Elders, Deacons, Preachers, Saints Mike

Mazzalongo, 2015-05-03 This book describes in detail the various Biblical leadership roles in the church and examines how these can be exercised in order to promote individual as well as the corporate growth of the church.

Caring for Souls Growing Disciples Dan

Hetherington, 2020-09-27 It is impossible for the pastor of a church to do all that is needed. Even if they were to try to accomplish this, without giving up their primary calling as disciples of Christ, it would be a futile effort. The ministry of the Church, therefore, is not only the responsibility of the pastor, but the whole company of believers. Elders are ordained to serve with the pastor as shepherds of the congregation, leading and equipping others to serve God, the church, and the community according to their gifts. This

book looks to provide a resource for all elders by looking to scripture for an understanding of eldership, defining this ministry for today, and outlining some of the duties that may be asked of them as they serve their local church.

The Ministry of Helps Rev. Lawrence C.

Spencer, 2017-02-09 Have you ever had that sinking feeling that you were missing out on something very valuable in your ministry but just couldn't put your finger on it? Well, these resources for adventures in service to God for the church are valuable assets to those seeking a dynamic experience in God's Kingdom work. To invest yourself in Larry Spencer's Ministry of Helps Manual and Workbook can enhance your ministry and greatly format your service with usable hands-on tools that complete your tool chest. Bring these practical things home and put them to work. Great results have already been seen from individuals who respect God's Word and value what it can bring to the Board room as well as to the church service. You will not be sorry you invested in this training for you and your ministry team. Rev. Lloyd Tremain, Paradise Community Church of the Nazarene A thorough, practical and much needed Biblically sound treatment. Wish it had been available 20 years ago when I could have used it to a great positive effect Dan Wilderman, Retired Assemblies of God Pastor the order and practical instruction presented will benefit all organizational levels of any Christian Church today. John Steffensen, Radio Host, Christ Today KKXX Radio Chico CA Hopefully this manual will lay the groundwork for pastors and churches to spread the burden and get others involved in the work of the ministry. I once had a pastor that was often unprepared for a service because he was busy helping a parishioner with some needed chore, or church maintenance, or the myriad other duties needed to keep a church going. The result was that the church stayed the same size. Some

leave; others enter. But no growth was apparent despite the considerable preaching talents of the pastor. God is apparently making sure he has only the amount of people that he can handle. We learn that the ancient church had some of the same challenges we face today. Acts 6:14 says, Now in those days, when the number of the disciples was multiplying, there arose a complaint against the Hebrews by the Hellenists, because their widows were neglected in the daily distribution. Then the twelve summoned the multitude of the disciples and said, It is not desirable that we should leave the word of God and serve tables. (Read this as doing manual labor.) Therefore, brethren, seek out from among you seven men of good reputation, full of the Holy Spirit and wisdom, whom we may appoint over this business; (the manual labor) but we will give ourselves continually to prayer and to the ministry of the word. It was even bringing strife to the local body. What did they do? And what was the result? The first thing the apostles did was pick out people they knew to be wise and that had had received the baptism of the Holy Spirit and appointed them to do practical ministerial duties (the manual labor). This freed up the apostles so they could minister the Word of God. Wow, Gods way is so simple, and our grandiose plans just waste time and get nothing done. Pastors need to learn from the apostles and appoint over this business so the pastors has more time to do the spiritual work that promotes Gods church. This manual gives a road map for accomplishing the goal of choosing and training people and tips for managing them.

Elders in Every City Roger T. Beckwith, 2003 Elders in every city explores the emergence and function of the ordained ministry against the background of First Century Judaism, and draws out important lessons for today's church. With chapters on the original Presbyterian-Bishop, the

development from Jewish Presbyter to Christian Presbyter-Bishop, the emergence of episcopacy, the ordained ministry and the sacraments, this timely historical survey will be welcomed by clergy, ordinands and historians of the New Testament and Early Church.

Multicultural Ministry David A. Anderson, 2009-08-30

David Anderson writes about multicultural leadership not from the perspective of an ivory tower intellectual, but as a hands-on practitioner who loves and believes in the body of Christ. . . . If you believe there is no solution to the race problem, I urge you to reconsider and to learn from someone who is on the frontlines of making multicultural ministry a reality in the church today.—Bill Hybels, founding and senior pastor, Willow Creek Community

Church Multiculturalism isn't a trend, it's a reality. Evidence of this country's rich racial mix is all around us in our schools, our stores, our neighborhoods, our recreational facilities—everywhere except our churches. Heaven may include every culture, tongue, and tribe, but in the United States, Sunday morning remains one of the last bastions of ethnic separatism. It's time to stop merely talking about multicultural worship and start living it. In this groundbreaking book, David Anderson invites us all—African-American, Asian, Caucasian, and Latino—to learn how to dance the dance of multicultural ministry. We've all got different moves, but that's the beauty of diversity: the various gifts we bring, the wisdom of our heritages, the different creative ways we express the same Lord. Think it can't be done? Think again. As Anderson demonstrates, it is being done successfully by more and more churches. Wherever your church is now on the multicultural continuum, you can join the ranks of those moving toward a diverse and thriving ministry. Combining frontline insights with inspiring stories, Anderson takes you

and your church into the strategy-level realities of what it takes to make multicultural ministry work in your setting. Do you hear the beat of the Spirit? God is calling your church to the dance of unity in diversity. Don't hold back! Grab this book, get out on the dance floor, and let Multicultural Ministry show you the steps. Includes a Racial Reconciliation survey and six-session Racial Reconciliation curriculum.

Senior Outreach Dr. Dewey E. Painter Sr., 2020-02-20 Senior citizens continue to be a forgotten frontier in evangelism and local church outreach today. When I first wrote this guide in 1982, it was the product of starting seventeen senior citizens' outreach programs in local churches in Northeast Florida and Southeast Georgia. The vision to see more churches see the value of reaching their senior citizens and providing a faith-based fellowship for them was our inspiration then and remains now that local churches see a vision for these special people. Sad to say, this is not the case. Having a senior citizens program in the local church can be one of the least expensive and most meaningful outreach of the local church or community association. It requires space, little funding, a dedicated leader, and volunteers, and it can be one of the least costly programs that can be put on by the local church. It is easy to do and easy to manage. The need for a direct and specific program orientated toward seniors in the local church has never been greater than it is today. People are living longer. This is every growing field that truly is white unto harvest. With the changes in our society, increased life expectancy, increase in birth control, and now the wholesale slaughter of unwanted children (called abortion and sometimes birth killing), we are seeing the senior citizen population increasing.

The U-Turn Church Kevin G. Harney, Bob Bouwer, 2011-06-01 You don't need to tell pastors that the

majority of churches in America are in a state of stagnation or decline. Most of them are ministering in such a church. Now two pastors who turned their churches around show leaders how they can help usher in a new season of health, faithfulness, growth, and vision in their churches. The U-Turn Church walks readers through the roadblocks of tradition, lack of vision or leadership, structural problems, and concerns about denominational distinctives to forge a new way forward into a hope-filled future. Through the stories of two churches that have experienced healthy transformation, readers will see that there is not just one right way to reverse decline. They will receive practical help and wisdom born of experience as they begin their own U-Turn journey.
