La mer en héritage Évelyne Néron Morgat,2022-12-09 Vingt ans se sont écoulés dans la cabane de la jolie Lili à Fort-Royer. Le constat est amer. Son entreprise ostréicole a résisté aux tempêtes de la vie, mais sa tribu s'est disloquée : Nathanaël, Évaëlle et Maël sont partis. Femme de coquilles, si seule... Nathanaël n'a jamais accepté la décision de justice qui a confié la petite fille qu'il croyait sienne à sa famille de sang. Il a

sombré dans l'alcool avant d'embarquer sur un hauturier. La mer pour oublier... Évaëlle a grandi et, prisonnière d'une camisole chimique tissée par son séduisant promis, pilier fortuné d'une secte mystérieuse, elle s'éloigne peu à peu du monde... Quant à Maël, son fils débrouillard et ingénieux, installé sur le bassin d'Arcachon, il perfectionne l'art ostréicole grâce à des techniques toujours plus innovantes, mais loin d'Oléron... À la croisée de ces destins houleux et au bord d'un gouffre de solitude, Mélina parviendra-t-elle à réunir les siens ? Le lecteur retrouve avec bonheur et nostalgie les personnages qui ont prêté vie à cette saga familiale. Avec cette sensibilité à fleur de peau qui la caractérise, Évelyne Néron Morgat nous régale d'une narration à nulle autre pareille. À PROPOS DE L'AUTEURE Née sur l'Île d'Oléron, petite-fille d'ostréiculteur et ex-femme de marin-pêcheur, Évelyne Néron Morgat souhaite partager ces traditions maritimes en faisant vivre à travers ces romans les aventures d'une femme passionnée au destin hors du commun. Elle a consacré ses 20 dernières années à la valorisation du village ostréicole de Fort Royer, un domaine ancestral modelé par la mer et la sueur des hommes, pour lui redonner un peu l'âme qu'il avait autrefois. La mer en Héritage est son quatrième roman. Du même auteur, chez Terres de l'Ouest : Le poison sur le cœur, 2019 Femme de coquilles, version poche, 2020 A la vie à la mer, version poche, 2020

Réveillez-vous avec la mer Nguyễn Đình Tâm, 2024-01-08 "Réveillez-vous avec la mer" de l'auteur Nguyen Dinh Tam est une épopée rare sur le thème du transport maritime pendant la guerre de défense nationale de la nation vietnamienne. L'oeuvre a une grande valeur non seulement en raison de son contenu unique, de l'expression honnête et profonde de l'initié - l'auteur, mais aussi en raison de la qualité héroïque et poétique présente dans chaque périple, chaque ligne de mots, créant le symbole d'un héros de

la mer. Ce héros de la mer a vaincu les vagues, utilisé la puissance de la mer, contracté avec la mer pour lutter pour une victoire glorieuse et la liberté nationale. L'épopée aide les lecteurs des générations ultérieures, ainsi que les lecteurs du monde entier, à aborder la guerre vietnamienne en mer du point de vue honnête et profondément humain d'un initié." - Writer Kieu Bich Hau)

Brands and Branding Stephen Brown, 2016-08-17 Lecturers/Instructors - Request a free digital inspection copy here A fun and humorous introductory book, written in Stephen Brown's entertaining and highly distinctive style, that introduces curious readers to the key components of brands and helps them to begin to make sense of them - what they are, what they do, why and how - using plenty of examples and references drawn from a wide range of brands such as Amazon, Apple, Google, Gucci, Nike, Nintendo, Starbucks, Swatch and The Worst Hotel in the World. With 3,000 branding books published each year, why would you (or your students) want to read Brands & Branding? Here are seven reasons why: It's introductory, aimed at undergraduate students or postgrads without a bachelor degree in business and assumes nothing more than readers' awareness of high profile brands such as Coca-Cola, Microsoft and Chanel It's indicative, focusing on the basics and thus being a more reliable revision aid than Lucozade It's immersive, taking readers on a journey and, working on the assumption that they have smartphones or tablet computers to hand, the print text links to images, articles and academic publications to give emphasis and context where appropriate. It's inclusive, considering articles and reports but also blogs, novels, newspapers, reviews, social media and other sources It's irreverent – branding is not always a deadly serious business! It's intimate, Stephen speaks to you directly and together you will pick your way through

the sometimes weird and unfailingly wonderful world of brands and branding using examples rather than abstract ideas to illustrate points. It's inspirational, celebrating the curious and successful stories of brands from Cillit Bang to Cacharel Suitable for first and second year marketing or advertising students, and for those new to or interested in branding and who are keen to know more.

Petit journal de bord des frontières Gazmend Kapllani, 2015-11-10 Récit des désillusions d'un immigré
Après une enfance albanaise durant laquelle les minijupes des animatrices de la télévision italienne résumant à ses yeux la vie en Occident, Gazmend Kapllani franchit un jour la frontière grecque dans l'espoir d'une vie meilleure. Mais la Terre Promise ne lui réserve pas l'accueil amical auquel il s'attendait : nulle speakerine légèrement vêtue en signe de bienvenue, et pas la moindre trace d'un sourire bienveillant sur le visage des autochtones. Parqué dans un centre de rétention pour immigrés, il commence à entrevoir la dure réalité de la condition qui sera désormais la sienne. Lui et ses camarades albanais bâtissent dans leurs rêves un futur en Grèce où le travail leur apporte succès et fortune, un futur qui restera à l'état de chimère pour la plupart d'entre eux. L'absurdité de ces châteaux en Espagne comme celle de leur condition n'en rend leur quotidien que plus cruel. Avec autant de recul que d'engagement, d'humour que d'indignation, Kapllani mêle le récit de son expérience à une méditation sur ce qu'il appelle « le syndrome des frontières » pour composer un premier livre d'une acuité et d'une vigueur extraordinaires. L'auteur nous livre avec humour dans cette autobiographie le choc des cultures entre l'Orient et l'Occident CE QU'EN PENSE LA CRITIQUE - Un livre original, à la fois sensible, critique et détaché. (Catherine Simon, Le Monde des Livres) - Une chronique simple et juste de l'immigration européenne aujourd'hui. (Bertrand

Guillot, Standard) - Cette brève autobiographie est un délice de lecture, émouvant, drôle, écrit à la pointe sèche. Plus efficace que bien des ouvrages sociologiques sur le sujet. (Jacqueline Remy, Marianne) - Une réflexion sur la condition d'immigré, où le burlesque et l'humour sont opposés au déracinement. (Globe-trotters magazine) A PROPOS DE L'AUTEUR Gazmend Kapllani est né en 1967 en Albanie. En janvier 1991, il immigre en Grèce, où il travaille comme ouvrier du bâtiment, cuisinier et kiosquier, tout en poursuivant des études à l'université d'Athènes, où il soutient un doctorat sur la représentation des Albanais dans la presse grecque et des Grecs dans la presse albanaise. C'est aujourd'hui un auteur en vue, un dramaturge et poète reconnu, et son éditorial bihebdomadaire dans le plus grand quotidien grec, Ta Nea, fut une référence dans le monde des médias grecs et plus largement balkaniques. Il a désormais renoncé à ses activités de journaliste pour se consacrer à l'écriture. À travers ses éditoriaux et ses romans, il s'est fait l'ardent défenseur des droits de l'homme, de la justice et des minorités. EXTRAIT Vous vous demandez sans doute : pourquoi nous racontes-tu tout cela ? Le fait est que l'immigré, surtout un immigré de la première génération, n'a qu'un seul choix au début, celui de se taire. Au fond de lui cohabitent la peur, la prudence, le choc lié à son départ, le choc du premier contact avec un pays inconnu, le sentiment de n'être pas le bienvenu, la rancœur, la nostalgie de la patrie et son reniement tout à la fois, la culpabilité et la colère. L'immigré est un être complexe, tellement peu sûr de lui qu'il redoute de se livrer. Il suffit d'un petit signe en face, un signe de refus ou d'indifférence, du genre : « Qu'est-ce que ça peut bien me faire, mon ami, de savoir d'où tu viens et par quoi tu es passé ? » Et l'immigré se sent ridicule, vulnérable, défiguré...

Poetics of the Poster David H. T. Scott, 2010-01-01 This book sets out to explore the way, with the onset

of a new and integral relationship between text and image, the modern poster is able to evolve distinctive persuasive strategies that will transform modern advertising. The book shows how this fundamental development is closely related to contemporary developments in the visual arts - in particular Futurism and Art Deco - and reflects the increasing cross-fertilisation and symbiosis between art and graphic design. The book focuses in particular on the way conventional textual strategies - metaphor, metonymy, rebus - are adapted by the modern poster to produce visual or textual/visual equivalents which, through their employment of combined pictorial and linguistic elements maximise their attractive or persuasive power over the viewer/reader. A key aim of the book is to clarify the assumptions on which semiology (the study of signs) is based in the context of modern poster artists' practice. The text/image relation is explored through five chapters focussing on (1) the rhetoric of image/text in general; (2) text and image in airline logos: British Airways and Air France; (3) visual metonymies in boxing posters; (4) text and image in posters expressing speed; (5) text/image in Swiss tourist posters. There are approximately 120 colour illustrations arranged in groups that reflect the different orientations of the chapters.

Politiques méditerranéennes Jean-Robert Henry, 2000-01-01 Le processus de Barcelone définit un horizon de politique méditerranéenne pour les différents acteurs étatiques ou non étatiques, publics ou civils, qui agissent sur la scène régionale. S'il encourage parfois à des vues et des actions communes, il contribue aussi à la diversification et au développement des stratégies particulières : certains États y voient une opportunité pour confirmer leur statut de puissance régionale, les collectivités locales s'en servent comme d'un terrain d'expansion de leur politique extérieure, et de nombreux acteurs de la société civile

s'appuient sur le référent euro-méditerranéen pour exister et se faire reconnaître. Le phénomène touche aussi bien le Sud que le Nord, malgré le déséquilibre global qui affecte le projet euro-méditerranéen. Issu d'une collaboration entre chercheurs français et allemands, le présent ouvrage fait une large place au rapport des deux pays et des deux sociétés à l'espace méditerranéen. Mais il veille à les insérer dans une approche globale des jeux d'acteurs dans cet espace, notamment en analysant les positions turques et égyptiennes. Les contributions s'organisent en trois grandes parties : les usages de l'histoire, la politique des États, l'émergence des acteurs civils.

Layla Nina de la Mer, 2014-02-20 Introducing an unforgettable heroine for our times, Nina de la Mer's bold and unflinching novel captures the mood of an urban generation, seduced by celebrity and fuelled by drink, drugs and pornography. Arriving in London, Hayleigh finds work as lap dancer 'Layla', intent on earning enough cash to make a fresh start. She has the wit, the looks and skilful moves, exploiting men before they can exploit her. But over the course of a chaotic week she must make the biggest decision of her life and fight for the one thing she truly wants. This is a brilliant and moving novel, imaginatively powerful and authentically conceived. Thirty years after the resounding success of Jay McInerney's *Bright Lights, Big City*, and written in a similarly intense second-person narrative, Layla speaks for a new generation.
