Since there are so many Harry More than any other book of the last fifty years, the Harry Potter novels have captured the imagination of children and adults around the world. Yet no one has ever been able to unlock the secret of Harry's wild popularity. Potter charms and spells, we can't help but wonder how they could be used in real life. Avada Kedavra, as the most powerful spell. These curses are quite powerful indeed. An immensely complex spell, involving the magical concealment of a secret inside a single, living soul. I'd prefer instant death to experiencing a huge amount of pain.
