

In Defense Of Lost Causes

Slavoj Zizek

In Defense of Lost Causes Slavoj Žižek,2009-10-19 No Marketing Blurp

In Defense of Lost Causes Slavoj Zizek,2017-05-16 The renowned philosophical sharpshooter looks for the kernel of truth in the totalitarian politics of the past, offering an adrenalin-fueled manifesto for universal values Is global emancipation a lost cause? Are universal values outdated relics of an earlier age? In fear of the horrors of totalitarianism, should we submit ourselves to a miserable third way of economic liberalism and government-as-administration? In this combative major work, philosophical sharpshooter Slavoj Žižek takes on the reigning ideology with a plea that we should re-appropriate several “lost causes”—and look for the kernel of truth in the “totalitarian” politics of the past. Examining Heidegger’s seduction by fascism and Foucault’s flirtation with the Iranian Revolution, he suggests that these were the “right steps in the wrong direction.” He argues that while the revolutionary terror of Robespierre, Mao, and the Bolsheviks ended in historic failure and monstrosity, this is not the whole story. There is, in fact, a redemptive moment that gets lost in the outright liberal-democratic rejection of revolutionary authoritarianism and the valorization of soft, consensual, decentralized politics. Žižek claims that, particularly in light of the forthcoming ecological crisis, we should reinvent revolutionary terror and the dictatorship of the proletariat in the struggle for universal emancipation. We need to courageously accept the return to this Cause—even if we court the risk of a catastrophic disaster. In the words of Samuel Beckett: “Try again. Fail again. Fail better.”

The Keeper of Lost Causes Jussi Adler-Olsen,2012-07-31 Get to know the detective in charge of Copenhagen's coldest cases in the first electrifying Department Q mystery from New York Times bestselling author Jussi Adler-Olsen. Carl Mørck used to be one of Denmark’s best homicide detectives. Then a hail of bullets destroyed the lives of two fellow cops, and Carl—who didn’t draw his weapon—blames himself. So a promotion is the last thing he expects. But Department Q is a department of one, and Carl’s got only a stack of cold cases for company. His colleagues snicker, but Carl may have the last laugh, because one file keeps nagging at him: a liberal politician vanished five years earlier and is presumed dead. But she isn’t dead...yet. Darkly humorous, propulsive, and atmospheric, *The Keeper of Lost Causes* introduces American readers to the mega-bestselling series fast becoming an international sensation.

The Myth of the Lost Cause Edward H. Bonekemper,2015-10-05 History isn't always written by the winners... Twenty-first-century controversies over Confederate monuments attest to the enduring significance of our nineteenth-century Civil War. As Lincoln knew, the meaning of America itself depends on how we understand that fratricidal struggle. As soon as the Army of Northern Virginia laid down its arms at Appomattox, a group of Confederate officers took up their pens to refight the war for the history books. They composed a new narrative—the Myth of the Lost Cause—seeking to ennoble the sacrifice and defeat of the South, which popular historians in the twentieth century would perpetuate. Unfortunately, that myth would distort the historical imagination of Americans, north and south, for 150 years. In this balanced and compelling correction of the historical record, Edward Bonekemper helps us understand the Myth of the Lost Cause and its effect on the social and political controversies that are still important to all Americans.

The Myth of the Lost Cause and Civil War History Gary W. Gallagher,Alan T. Nolan,2000-11-22 A “well-reasoned and timely” (Booklist) essay collection interrogates the Lost Cause myth in Civil War historiography. Was the Confederacy doomed from the start in its struggle against the superior might of the Union? Did its forces fight heroically against all odds for the cause of states’ rights? In reality, these suggestions are an elaborate and intentional effort on the part of Southerners to rationalize the secession and the war itself. Unfortunately, skillful propagandists have been so successful in promoting this romanticized view that the Lost Cause has assumed a life of its own. Misrepresenting the war’s true origins and its actual course, the myth of the Lost Cause distorts our national memory. In *The Myth of the Lost Cause and Civil War History*, nine historians

describe and analyze the Lost Cause, identifying ways in which it falsifies history—creating a volume that makes a significant contribution to Civil War historiography. “The Lost Cause . . . is a tangible and influential phenomenon in American culture and this book provides an excellent source for anyone seeking to explore its various dimensions.” —Southern Historian

Less Than Nothing Slavoj Žižek, 2012-05-22 A thousand-page resurrection of Hegel, from the bestselling philosopher and critic who has been hailed as “one of the world’s best-known public intellectuals” (New York Review of Books) For the last two centuries, Western philosophy has developed in the shadow of Hegel, an influence each new thinker struggles to escape. As a consequence, Hegel’s absolute idealism has become the bogeyman of philosophy, obscuring the fact that he is the defining philosopher of the historical transition to modernity, a period with which our own times share startling similarities. Today, as global capitalism comes apart at the seams, we are entering a new period of transition. In *Less Than Nothing*—the product of a career-long focus on the part of its author—Slavoj Žižek argues it is imperative we not simply return to Hegel but that we repeat and exceed his triumphs, overcoming his limitations by being even more Hegelian than the master himself. Such an approach not only enables Žižek to diagnose our present condition, but also to engage in a critical dialogue with key strands of contemporary thought—Heidegger, Badiou, speculative realism, quantum physics, and cognitive sciences. Modernity will begin and end with Hegel.

First as Tragedy, Then as Farce Slavoj Žižek, 2009-10-05 Billions of dollars were hastily poured into the global banking system in a frantic attempt at financial stabilisation. So why has it not been possible to bring the same forces to bear in addressing world poverty and environmental crisis? In this take-no-prisoners analysis, Slavoj Žižek frames the moral failures of the modern world in terms of the epoch-making events of the first decade of this century. What he finds is the old one-two punch of history: the jab of tragedy, the right hook of farce. In the attacks of 9/11 and the global credit crunch, liberalism dies twice: as a political doctrine and as an economic theory. The election of Donald Trump only confirms the bankruptcy of a liberal order on its last legs. *First as Tragedy, Then as Farce* is a call for the left to reinvent itself in the light of our desperate historical situation. The time for liberal, moralistic blackmail is over.

Violence Slavoj Žižek, 2008-07-22 Philosopher, cultural critic, and agent provocateur Žižek constructs a fascinating new framework to look at the forces of violence in the world.

Welcome to the Desert of the Real Slavoj Žižek, 2014-09-24 Liberals and conservatives proclaim the end of the American holiday from history. Now the easy games are over; one should take sides. Žižek argues this is precisely the temptation to be resisted. In such moments of apparently clear choices, the real alternatives are most hidden. *Welcome to the Desert of the Real* steps back, complicating the choices imposed on us. It proposes that global capitalism is fundamentalist and that America was complicit in the rise of Muslim fundamentalism. It points to our dreaming about the catastrophe in numerous disaster movies before it happened, and explores the irony that the tragedy has been used to legitimize torture. Last but not least it analyzes the fiasco of the predominant leftist response to the events.

Mapping Ideology Slavoj Žižek, 2012-11-13 For a long time, the term ‘ideology’ was in disrepute, having become associated with such unfashionable notions as fundamental truth and the eternal verities. The tide has turned, and recent years have seen a revival of interest in the questions that ideology poses to social and cultural theory, and to political practice. *Mapping Ideology* is a comprehensive reader covering the most important contemporary writing on the subject. Including Slavoj Žižek’s study of the development of the concept from Marx to the present, assessments of the contributions of Lukács and the Frankfurt School by Terry Eagleton, Peter Dews and Seyla Benhabib, and essays by Adorno, Lacan and Althusser, *Mapping Ideology* is an invaluable guide to the most dynamic field in cultural theory.

Iraq Slavoj Žižek, 2005-11-17 Žižek analyzes the logic behind toppling Saddam Hussein despite no evidence of WMDs and questions the actual

ideological and political stakes of the attack on Iraq.

The Essential Zizek Slavoj Zizek, 2009-01-05 The essential texts for understanding Zizek's thought.

Looking Awry Slavoj Zizek, 1992-09-08 Slavoj Žižek, a leading intellectual in the new social movements that are sweeping Eastern Europe, provides a virtuoso reading of Jacques Lacan. Žižek inverts current pedagogical strategies to explain the difficult philosophical underpinnings of the French theoretician and practitioner who revolutionized our view of psychoanalysis. He approaches Lacan through the motifs and works of contemporary popular culture, from Hitchcock's *Vertigo* to Stephen King's *Pet Sematary*, from McCullough's *An Indecent Obsession* to Romero's *Return of the Living Dead*—a strategy of looking awry that recalls the exhilarating and vital experience of Lacan. Žižek discovers fundamental Lacanian categories the triad Imaginary/Symbolic/Real, the object small a, the opposition of drive and desire, the split subject—at work in horror fiction, in detective thrillers, in romances, in the mass media's perception of ecological crisis, and, above all, in Alfred Hitchcock's films. The playfulness of Žižek's text, however, is entirely different from that associated with the deconstructive approach made famous by Derrida. By clarifying what Lacan is saying as well as what he is not saying, Žižek is uniquely able to distinguish Lacan from the poststructuralists who so often claim him.

Did Somebody Say Totalitarianism? Slavoj Zizek, 2014-04-08 In some circles, a nod towards totalitarianism is enough to dismiss any critique of the status quo. Such is the insidiousness of the neo-liberal ideology, argues Slavoj Žižek. *Did Somebody Say Totalitarianism?* turns a specious rhetorical strategy on its head to identify a network of family resemblances between totalitarianism and modern liberal democracy. Žižek argues that totalitarianism is invariably defined in terms of four things: the Holocaust as the ultimate, diabolical evil; the Stalinist gulag as the alleged truth of the socialist revolutionary project; ethnic and religious fundamentalisms, which are to be fought through multiculturalist tolerance; and the deconstructionist idea that the ultimate root of totalitarianism is the ontological closure of thought. Žižek concludes that the devil lies not so much in the detail but in what enables the very designation totalitarian: the liberal-democratic consensus itself.

Baptized in Blood Charles Reagan Wilson, 1980 Charles Reagan Wilson documents that for over half a century there existed not one, but two civil religions in the United States, the second not dedicated to honoring the American nation. Extensively researched in primary sources, *Baptized in Blood* is a significant and well-written study of the South's civil religion, one of two public faiths in America. In his comparison, Wilson finds the Lost Cause offered defeated Southerners a sense of meaning and purpose and special identity as a precarious but distinct culture. Southerners may have abandoned their dream of a separate political nation after Appomattox, but they preserved their cultural identity by blending Christian rhetoric and symbols with the rhetoric and imagery of Confederate tradition. "Civil religion" has been defined as the religious dimension of a people that enables them to understand a historical experience in transcendent terms. In this light, Wilson explores the role of religion in postbellum southern culture and argues that the profound dislocations of Confederate defeat caused southerners to think in religious terms about the meaning of their unique and tragic experience. The defeat in a war deemed by some as religious in nature threw into question the South's relationship to God; it was interpreted in part as a God-given trial, whereby suffering and pain would lead Southerners to greater virtue and strength and even prepare them for future crusades. From this reflection upon history emerged the civil religion of the Lost Cause. While recent work in southern religious history has focused on the Old South period, Wilson's timely study adds to our developing understanding of the South after the Civil War. The Lost Cause movement was an organized effort to preserve the memory of the Confederacy. Historians have examined its political, literary, and social aspects, but Wilson uses the concepts of anthropology, sociology, and historiography to unveil the Lost Cause as an authentic expression of religion. The Lost Cause was celebrated and perpetuated with its own rituals, mythology, and theology; as key celebrants of the religion of the Lost Cause, Southern ministers

forged it into a religious movement closely related to their own churches. In examining the role of civil religion in the cult of the military, in the New South ideology, and in the spirit of the Lost Cause colleges, as well as in other aspects, Wilson demonstrates effectively how the religion of the Lost Cause became the institutional embodiment of the South's tragic experience.

In Defense of Flogging Peter Moskos, 2011-05-31 Presents philosophical and practical arguments in favor of the administration of judicial corporal punishment as a way of addressing problems in the American criminal justice system.

The Ticklish Subject Slavoj Žižek, 2000 With his characteristic wit, Žižek addresses the burning question of how to reformulate a leftist project in an era of global capitalism and liberal-democratic multiculturalism. Copyright © Libri GmbH. All rights reserved.

For They Know Not What They Do Slavoj Žižek, 2020-05-05 Psychoanalysis is less merciful than Christianity. Where God the Father forgives our ignorance, psychoanalysis holds out no such hope. Ignorance is not a sufficient ground for forgiveness since it masks enjoyment; an enjoyment which erupts in those black holes in our symbolic universe that escape the Father's prohibition. Today, with the disintegration of state socialism, we are witnessing this eruption of enjoyment in the re-emergence of aggressive nationalism and racism. With the lid of repression lifted, the desires that have emerged are far from democratic. To explain this apparent paradox, says Slavoj Žižek, socialist critical thought must turn to psychoanalysis. *For They Know Not What They Do* seeks to understand the status of enjoyment within ideological discourse, from Hegel through Lacan to these political and ideological deadlocks. The author's own enjoyment of popular culture makes this an engaging and lucid exposition, in which Hegel joins hands with Rossellini, Marx with Hitchcock, Lacan with Frankenstein, high theory with Hollywood melodrama.

The Year of Dreaming Dangerously Slavoj Žižek, 2012-10-09 Call it the year of dreaming dangerously: 2011 caught the world off guard with a series of shattering events. While protesters in New York, Cairo, London, and Athens took to the streets in pursuit of emancipation, obscure destructive fantasies inspired the world's racist populists in places as far apart as Hungary and Arizona, achieving a horrific consummation in the actions of mass murderer Anders Breivik. The subterranean work of dissatisfaction continues. Rage is building, and a new wave of revolts and disturbances will follow. Why? Because the events of 2011 augur a new political reality. These are limited, distorted—sometimes even perverted—fragments of a utopian future lying dormant in the present

In Defense of Lost Causes Slavoj Žižek, 2017-05-16 The renowned philosophical sharpshooter looks for the kernel of truth in the totalitarian politics of the past, offering an adrenalin-fueled manifesto for universal values. Is global emancipation a lost cause? Are universal values outdated relics of an earlier age? In fear of the horrors of totalitarianism, should we submit ourselves to a miserable third way of economic liberalism and government-as-administration? In this combative major work, philosophical sharpshooter Slavoj Žižek takes on the reigning ideology with a plea that we should re-appropriate several "lost causes"—and look for the kernel of truth in the "totalitarian" politics of the past. Examining Heidegger's seduction by fascism and Foucault's flirtation with the Iranian Revolution, he suggests that these were the "right steps in the wrong direction." He argues that while the revolutionary terror of Robespierre, Mao, and the Bolsheviks ended in historic failure and monstrosity, this is not the whole story. There is, in fact, a redemptive moment that gets lost in the outright liberal-democratic rejection of revolutionary authoritarianism and the valorization of soft, consensual, decentralized politics. Žižek claims that, particularly in light of the forthcoming ecological crisis, we should reinvent revolutionary terror and the dictatorship of the proletariat in the struggle for universal emancipation. We need to courageously accept the return to this Cause—even if we court the risk of a catastrophic disaster. In the words of Samuel Beckett: "Try again. Fail again. Fail better."

This Captivating Realm of Kindle Books: A Detailed Guide Unveiling the Pros of E-book Books: A Realm of Ease and Flexibility E-book books, with their inherent mobility and simplicity of availability, have liberated readers from the limitations of physical books. Gone are the days of carrying cumbersome novels or meticulously searching for particular titles in shops. Kindle devices, sleek and portable, seamlessly store an wide library of books, allowing readers to immerse in their preferred reads anytime, everywhere. Whether commuting on a busy train, relaxing on a sun-kissed beach, or just cozying up in bed, E-book books provide an unparalleled level of convenience. A Literary World Unfolded: Discovering the Vast Array of Kindle In Defense Of Lost Causes In Defense Of Lost Causes The Kindle Shop, a digital treasure trove of literary gems, boasts an extensive collection of books spanning varied genres, catering to every readers taste and choice. From captivating fiction and thought-provoking non-fiction to classic classics and modern bestsellers, the E-book Shop offers an exceptional abundance of titles to discover. Whether seeking escape through immersive tales of fantasy and exploration, diving into the depths of past narratives, or broadening ones understanding with insightful works of scientific and philosophical, the Kindle Store provides a doorway to a bookish world brimming with limitless possibilities. A Transformative Force in the Literary Landscape: The Lasting Impact of E-book Books In Defense Of Lost Causes The advent of Kindle books has certainly reshaped the bookish scene, introducing a model shift in the way books are published, distributed, and consumed. Traditional publishing houses have embraced the digital revolution, adapting their approaches to accommodate the growing need for e-books. This has led to a rise in the availability of E-book titles, ensuring that readers have access to a wide array of bookish works at their fingers. Moreover, Kindle books have democratized entry to books, breaking down geographical limits and offering readers worldwide with similar opportunities to engage with the written word. Regardless of their place or socioeconomic background, individuals can now engross themselves in the intriguing world of books, fostering a global community of readers. Conclusion: Embracing the E-book Experience In Defense Of Lost Causes E-book books In Defense Of Lost Causes, with their inherent ease, versatility, and wide array of titles, have unquestionably transformed the way we encounter literature. They offer readers the freedom to explore the limitless realm of written expression, anytime, anywhere. As we continue to navigate the ever-evolving online scene, Kindle books stand as testament to the enduring power of storytelling, ensuring that the joy of reading remains accessible to all.

In Defense Of Lost Causes Introduction

In Defense Of Lost Causes Offers over 60,000 free eBooks, including

many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. In Defense Of Lost Causes Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. In Defense Of Lost Causes : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for In Defense Of Lost Causes : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks In Defense Of Lost Causes Offers a diverse range of free eBooks across various genres. In Defense Of Lost Causes Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. In Defense Of Lost Causes Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific In Defense Of Lost Causes, especially related to In Defense Of Lost Causes, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to In Defense Of Lost Causes, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some In Defense Of Lost Causes books or magazines might include. Look for these in online stores or libraries. Remember that while In Defense Of Lost Causes, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow In Defense Of Lost Causes eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free

on their websites. While this might not be the In Defense Of Lost Causes full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of In Defense Of Lost Causes eBooks, including some popular titles.

FAQs About In Defense Of Lost Causes Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. In Defense Of Lost Causes is one of the best book in our library for free trial. We provide copy of In Defense Of Lost Causes in digital format, so the resources that you find are reliable. There are also many Ebooks of related with In Defense Of Lost Causes. Where to download In Defense Of Lost Causes online for free? Are you looking for In Defense Of Lost Causes PDF? This is definitely going to save you time and cash in something you should think about.
