Christian Converts and Social Protests in Meiji Japan Irwin Scheiner,2020-06-01 Nowhere has there been a discussion of the confusion necessarily generated by the rapidity of the change or of the agony created in the lives of many whose attitudes, expectations, and even success depended on the continuance of now abolished institutions. Historians have ignored the settled conditions of most samurai and instead concentrated on the study of the minority of activist samurai leaders who, with the backing of only a few Han (feudal domains) sought to overthrow the old order and whose success in doing so has made the study of the modernization of Japan the prime concern of historians. The history of the Meiji period may have been an overall political and industrial success story, but for a fuller understanding of the conditions of that success it is also necessary to understand what it was really like for the members of the old elite to be estranged from the proponents of revolution and what many members did to assure their own social and psychological position in a world they had not expected. In this book the author attempts to show that the impact of the Meiji Restoration destroyed the meaningfulness of the Confucian doctrine for these declassé samurai. Through Christianity, the samurai attempted to revive their status in society by finding a doctrine that offered a meaningful path to power. But in doing so, they had to accept a new theory of social relations. Ultimately, as the convert's understanding of society became totally informed by the Christian doctrine, they accepted a transcendent authority that brought them into conflict with society about them. Therefore, to understand the development of a Christian opposition in Meiji society we must begin with the conversion experience itself. [intro]

The Memoirs of Lady Hyegyong JaHyun Kim Haboush,2013-09-14 Lady Hyegyong's memoirs, which recount the chilling murder of her husband by his father, form one of the best known and most popular classics of Korean literature. From 1795 until 1805 Lady Hyegyong composed this masterpiece, depicting a court life Shakespearean in its pathos, drama, and grandeur. Presented in its social, cultural, and historical contexts, this first complete English translation opens a door into a world teeming with conflicting passions, political intrigue, and the daily preoccupations of a deeply intelligent and articulate woman. JaHyun Kim Haboush's accurate, fluid translation captures the intimate and expressive voice of this consummate storyteller. Reissued nearly twenty years after its initial publication with a new foreword by Dorothy Ko, *The Memoirs of Lady Hyegyong* is a unique exploration of Korean selfhood and an extraordinary example of autobiography in the premodern era.

The Secret History of the Mongols Urgunge Onon,2001 This fresh translation of one of the only surviving Mongol sources about the Mongol empire, brings out the excitement of this epic with its wide-ranging commentaries on military and social conditions, religion and philosophy, while remaining faithful to the original text.
