Charismatic Renewal and Pentecostalism Isidore Iwejuo Nkwocha, 2021-09-30 The Holy Spirit is a sine qua non in the life of the church and in all Christian life and experience. The importance of the experiential and praxis-oriented theology of the Charismatic Renewal and Pentecostalism cannot be overemphasized in the realization of the potentials of a Spirit-animated church. In fact, Charismatic Renewal in the Nigerian Catholic Church is an essential part of the changing face of the Catholic Church in Nigeria. This work is, therefore, using Charismatic and Pentecostal theology and praxes to argue for the renewal of the Nigerian Catholic Church. It avers that the praxis-oriented and experiential theology of the Charismatics and Pentecostals, which characterize them as Spirit-filled groups and churches, are enabling the Nigerian Catholic Church to realize the potentials of a Spirit-driven church. It upholds that the Nigeria Catholic Church through the Nigerian Catholic Charismatic Renewal, which is an indispensable part of the changing face of the Catholic Church in Nigeria, has wittingly or unwittingly begun the renewal of her pneumatological,

ecclesiological, and liturgical doctrines and practices in accord with those of a truly Spirit-animated church.

The Reception of the Second Vatican Council's Liturgical Reforms in Nigeria (Nsukka Diocese) Uchenna Aba, 2016
Fifty years after the promulgation of the Constitution on the Sacred Liturgy, a great moment has dawned in which a more dispassionate assessment of the reception of this important document has become imperative in order to enable the Church to undertake necessary steps in realizing the full potential of the renewal envisaged by the Council Fathers. The present study identifies peculiar and diverse challenges confronting the process of reception in the Nsukka Diocese/Nigerian Church today. However, the author acknowledges that the full reception of Sacrosanctum Concilium is still a work-in-progress. Uchenna Aba is a Catholic priest in Nsukka, Nigeria, and currently the Chaplain of St. Martin's Parish, Goch, Diocese of Muenster, Germany.

Mmanwu and Mission among the Igbo People of Nigeria Adolphus Chikezie Anuka, 2019-06
The joy over the growth of

Christianity in Africa is also a challenge to all concerned to help Christianity take roots, ennobled and become one with the cultural life of the numerous tribes of Africa. This missionary expectation is not yet fully realized in many local churches in Africa. From these perspectives, Adolphus Chikezie Anuka inaugurates a new brand of concrete, target-oriented emphasis on dialogical inculturation. In this book, the Mmanwu cultural institution of the Igbo people of south eastern Nigeria stands in central focus, opening itself to the influences of Christian values as well as speaking to the religious assumptions of Christianity. The theoretical results of this research work and its practical pastoral suggestions are both enlightening and appealing.

Nigeria's Christian Revolution Richard Burgess, 2008 Nigeria has become the arena of one of the most remarkable religious movements of recent times, reflecting the shift in the global center of Christianity from the North to the South. This book tells the story of one sector of this movement from its root in the Nigerian civil war to the turn of the new millennium. It describes a revival that occurred among the Igbo people of Eastern Nigeria and the new Pentecostal churches it generated and documents the changes that have occurred as the movement has responded to global flows and local demands. As such, it explores the nature of revivalist and Pentecostal experience but does so against the backdrop of local socio-political and economic developments, such as decolonization and civil war, as well as broader processes, such as modernization and globalization.
