**British Film Studios** Patricia Warren,2001 Ninety studios, 200 film stills, and countless fascinating facts are all in this A-to-Z compendium of movies made at British studios, from the silent days to the present. Featuring an in-depth cross-reference, the guide also covers the role of the directors, producers and stars.

*The Secret Life of Ealing Studios* Robert Sellers,2015-10-01 A behind-the-scenes account of life at Ealing Studios – one of the great cinematic success stories of post-war Britain, and a byword for a particular strain of comic filmmaking that continues to inspire imitators over half a century on. This will be the first full narrative history of the studio, focusing on its output in the 1940s and '50s, when the movies made there were in astonishing (and revealing) synchronicity with the national mood. Told through the memories of the people who worked and performed there, *The Secret Life of Ealing Studios* will explore how a small group of maverick filmmakers, some of Britain's most fondly remembered movie stars, and a lot of unsung backroom boys and girls created pictures that presented a unique and enduring view of British identity, and which have since become classics. Particular emphasis will be placed on the filming of *Hue and Cry* (1947), *Passport to Pimlico* (1949), *Kind Hearts and Coronets* (1949), *Whisky Galore* (1949), *The Lavender Hill Mob* (1951), *The Man in the White Suit* (1951) and *The Ladykillers* (1955), along with war films such as *The Cruel Sea* (1953). At the heart of the story will be the figure of Michael Balcon – perhaps the closest Britain has ever come to producing a movie mogul in the Hollywood mould – and iconic actors such as Peter Sellers, Alec Guinness, Margaret Rutherford and Sid James. The author is one of Britain's leading entertainment biographers and has a number of successful and critically lauded titles under his belt (his recent book on Oliver Reed, *What Fresh Lunacy Is This?*, was selected for Books of the Year round-ups in both the *Sunday Times* and *Mail on Sunday*). Robert has a track record of securing original testimony from first-hand witnesses and has already begun interviewing people who worked at Ealing.

*The Keillor Reader* Garrison Keillor,2014-05-01 Stories, essays, poems, and personal reminiscences from the sage of Lake Wobegon When, at thirteen, he caught on as a sportswriter for the *Anoka Herald*, Garrison Keillor set out to become a professional writer, and so he has done—a storyteller, sometime comedian, essayist, newspaper columnist, screenwriter, poet. Now a single volume brings together the full range of his work: monologues from *A Prairie Home Companion*, stories from *The New Yorker* and *The Atlantic*, excerpts from novels, newspaper columns. With an extensive introduction and headnotes, photographs, and memorabilia, *The Keillor Reader* also presents pieces never before published, including the essays “Cheerfulness” and “What We Have Learned So Far.” Keillor is the founder and host of *A Prairie Home Companion*, celebrating its fortieth anniversary in 2014. He is the author of nineteen books of fiction and humor, the editor of the *Good Poems* collections, and a member of the American Academy of Arts and Letters.

*The Price of Fame* Elaine Parker,2018-04-28 Charming, erudite, and the very personification of the English gentleman, Dennis Price was without doubt also one of the most promising and talented newcomers to the world of theatre and film in the late 1930s, and he arguably reached his screen best in the classic Ealing comedy 'Kind Hearts and Coronets'. Huge praise was lavished upon him and he was compared alongside theatrical contemporaries Laurence Olivier, John Gielgud and Ralph Richardson as being destined for great things. Scene-stealing performances followed over the next few decades in such differing films as 'The Dancing Years', 'The Intruder', 'Private's Progress', 'The Naked Truth', 'Tunes of Glory', 'Tamahine' and 'Theatre of Blood', to name but a few. Though whilst his career was blossoming his private life was going through turmoil when, after one of his several affairs was discovered by his wife, he faced the shame of divorce, separation from his two children and when coupled with significant tax bills, it all proved too much and the actor attempted suicide. Eventually bouncing back, he reinvented himself as a character actor and appeared in scores of notable films-and was often the best thing in them!

*Shepperton Babylon* Matthew Sweet,2006 A history of British movies which includes the scandals, the suicides, the immolations and the contract killings. It is the product of thousands of conversations with veteran film-makers.

**That Time of Year** Garrison Keillor,2020-12-01 With the warmth and humor we've come to know, the creator and host of *A Prairie Home Companion* shares his own remarkable story. In *That Time of Year*, Garrison Keillor looks back on his life and recounts how a Brethren boy with writerly ambitions grew up in a small town on the Mississippi in the 1950s and, seeing three good friends die young, turned to comedy and radio. Through a series of unreasonable lucky breaks, he founded *A Prairie Home Companion* and put himself in line for a good life, including mistakes, regrets, and a few medical adventures. PHC lasted forty-two years, 1,557 shows, and enjoyed the freedom to do as it pleased for three or four million listeners every Saturday at 5 p.m. Central. He got to sing with Emmylou Harris and Renée Fleming and once sang two songs to the U.S. Supreme Court. He played a private eye and a cowboy, gave the news from his hometown, Lake Wobegon, and met Somali cabdrivers who'd learned English from listening to the show. He wrote bestselling novels, won a Grammy and a National Humanities Medal, and made a movie with Robert Altman with an alarming amount of improvisation. He says, “I was unemployable and managed to invent work for myself that I loved all my life, and on top of that I married well. That’s the secret, work and love. And I chose the right ancestors, impoverished Scots and Yorkshire farmers, good workers. I’m heading for eighty, and I still get up to write before dawn every day.”

**The Lake Wobegon Virus** Garrison Keillor,2020-09-08 Bestselling author and humorist Garrison Keillor returns to one of America's most beloved mythical towns, beset by a contagion of alarming candor. A mysterious virus has infiltrated the good people of Lake Wobegon, transmitted via unpasteurized cheese made by a Norwegian bachelor farmer, the effect of which is episodic loss of social inhibition. Mayor Alice, Father Wilmer, Pastor Liz, the Bunsens and Krebsbachs, formerly taciturn elders, burst into political rants, inappropriate confessions, and rhapsodic proclamations, while their teenagers watch in amazement. Meanwhile, a wealthy outsider is buying up farmland for a Keep America Truckin’ motorway and amusement park, estimated to draw 2.2 million visitors a

year. Clint Bunsen and Elena the hometown epidemiologist to the rescue, with a Fourth of July Living Flag and sweet corn feast for a finale. In his newest Lake Wobegon novel, Garrison Keillor takes us back to the small prairie town where for so long American readers and listeners have found laughter as well as the wry airing of our foibles and most familiar desires and fears—a town where, as we know, all the women are strong, all the men are good-looking, and all the children are above average.

**In Search of Lake Wobegon** Garrison Keillor,2001 This book combines text and image to reveal the real-life origins of the place where the women are strong, the men are good-looking and the children above average. Keillor meditates on the enduring culture of the county and on the years he spent there as a young writer and an outsider. And a short story of Lake Wobegon, October, appears here for the first time in print.--BOOK JACKET.

**Gabbard's Treatments of Psychiatric Disorders** Glen O. Gabbard,2014-05-05 The definitive treatment textbook in psychiatry, this fifth edition of Gabbard's Treatments of Psychiatric Disorders has been thoroughly restructured to reflect the new DSM-5® categories, preserving its value as a state-of-the-art resource and increasing its utility in the field. The editors have produced a volume that is both comprehensive and concise, meeting the needs of clinicians who prefer a single, user-friendly volume. In the service of brevity, the book focuses on treatment over diagnostic considerations, and addresses both empirically-validated treatments and accumulated clinical wisdom where research is lacking. Noteworthy features include the following: Content is organized according to DSM-5® categories to make for rapid retrieval of relevant treatment information for the busy clinician. Outcome studies and expert opinion are presented in an accessible way to help the clinician know what treatment to use for which disorder, and how to tailor the treatment to the patient. Content is restricted to the major psychiatric conditions seen in clinical practice while leaving out less common conditions and those that have limited outcome research related to the disorder, resulting in a more streamlined and affordable text. Chapters are meticulously referenced and include dozens of tables, figures, and other illustrative features that enhance comprehension and recall. An authoritative resource for psychiatrists, psychologists, and psychiatric nurses, and an outstanding reference for students in the mental health professions, Gabbard's Treatments of Psychiatric Disorders, Fifth Edition, will prove indispensable to clinicians seeking to provide excellent care while transitioning to a DSM-5® world.
