*Revolver Road* Christi Daugherty,2020-03-10 Crime reporter Harper McClain is back on the beat when a troubled musician vanishes in Christi Daugherty's *Revolver Road*. Even in the chill of February, no place touches Harper McClain's heart like Savannah. She should be walking beneath the historic city's towering oaks, surrounded by graceful mansions. Instead, she's hiding miles away on Tybee Island after a mysterious voice on the phone warned her that someone wanted her dead. The call was too specific to ignore. The caller knew everything about her. But that was months ago, and she's getting tired of being scared. Her only escape is her work at the newspaper, where the hottest story in town is the disappearance of Xavier Rayne. The singer had a hit album on his hands, and was about to go on tour, but then he walked out of his beachfront home and vanished. The police believe he drowned, but Harper suspects his disappearance may be more ominous than that. Something doesn't feel right about it. His bandmates and actress girlfriend say he's run away before. They expect him to come home. Until a body washes up with two bullet holes in it. Now everyone in Rayne's life is a suspect. As Harper digs deeper into the case, though, the threats against her own life return. The phone call she received was very real. A killer from her past is coming for her. Now she must solve two murders, or end up dying on *Revolver Road*...

**Shiver** Lisa Jackson,2006 Detective Reuben Diego Montoya must team up with the prime suspect in a murder case to catch a serial killer who is keeping New Orleans in the grip of fear, an investigation that leads them to an abandoned asylum where unspeakable

evil awaits them.

*Childsong* Barbara Wood,2012-05-01 From master storyteller Barbara Wood comes an engrossing suspense novel about a young girl caught between the possibilities of science and the mysteries of faith. According to the doctors, seventeen-year-old Mary McFarland is pregnant. But Mary knows she is a virgin, despite her strange symptoms. In 1960s America, a woman's worst social disgrace is to become pregnant out of wedlock. A good Catholic high school girl, Mary suddenly finds herself at the center of a scandal, rejected and ostracized by family, friends, and even her priest. Although she believes emphatically in her own innocence, no one else believes the truth. When a doctor begins to wonder if Mary's claim to innocence could possibly be justified, he begins to investigate. The scientific theory he develops to explain her pregnancy is so bizarre and such a medical oddity that he knows the McFarland family, the church—and the world—will very likely refuse to accept it. But if he is right, what kind of child is Mary carrying? Mary and her family are suddenly trapped in a chilling conflict between the possibilities of science—and the mysteries of faith.

**Affairs of State** Dominique Manotti,2009-12-01 Dominique Manotti is back on form with a tale of intrigue and corruption. A call-girl whose black book lists her elite international clients is found murdered in an underground garage; a plane bound for Iran laden with illegal arms disappears from the skies over Turkey, and the president's closest adviser Bornard, head of a controversial Elysee security unit, manipulates the system with consummate ease - and illegality. Until the day when rookie investigator Noria Ghozali determines to untangle the threads which bind these events together. In doing so she

penetrates the Elysee's innermost system, confronts the workings of money and corruption within government, and in the process is forced to combat the institutional - and overt - racism which repeatedly stalls her.

The Templars' Last Secret Martin Walker, 2017-06-13 Bruno, the beloved chief of police in the idyllic French town of St. Denis, is back! This time a mysterious death brings ancient secrets to light, and it's up to our hero--and favorite gourmand--to connect the tangled threads of past and present When a woman's body is found at the foot of a cliff near St. Denis, Bruno suspects a connection to the great ruin that stands on the cliff above: the Château de Commarque, a long-ago Knights Templar stronghold which, along with the labyrinth of prehistoric caves beneath it, continues to draw the interest of scholars. With the help of Amélie, a young newcomer to the Dordogne, Bruno learns that the dead woman was an archaeologist searching for a religious artifact of incredible importance, the discovery of which could have dramatic repercussions throughout the Middle East--not to mention in St. Denis. And the woman's ties to Islamic terrorists can only heighten the pressure on Bruno to unravel the centuries-old mystery. Meanwhile, an old flame of Bruno's is assigned to work with him on the case, and the two find time, naturellement, to enjoy the supreme pleasures of the wine, food, and beauty of the Dordogne.

Bottomless Belly Button Dash Shaw, 2008-06-30 Bottomless Belly Button is a comedy-drama that follows the dysfunctional adventures of the Loony Family. After 40-some years of marriage, Maggie and David Loony shock their children with their announcement of a planned divorce. But the reason for splitting isn't itself shocking: they're just not in love

any more. The announcement sparks a week long Loony family reunion at Maggie and David's creepy (and possibly haunted) beach house. The eldest child, Dennis, struggles with his parents' decision while facing difficulties of his own in his recent marriage. Believing that his parents are hiding the true reasons behind their estrangement, Dennis embarks on a quest to discover the truth and searches through clues, trap doors, and secret tunnels in attempt to find an answer. Claire, the middle child, is a single mother whose 16-year-old daughter, Jill, is apathetic to the divorce but confounded by Claire and troubled by her own mannish appearance. The youngest child, Peter, is a hack filmmaker suffering from paralyzing insecurities who establishes an unorthodox romance with a mysterious day care counselor at the beach. In a six-day period rich with atmospheric sequences, these characters stumble blindly around one another, often ignoring their surroundings and consumed by their own daily conflicts. Visually, Shaw employs a leisurely storytelling pace that allows room for exploring the interconnecting relationships among the characters and plays to his strength as a cartoonist -- small gestural details and nuanced expressions that bring the characters to vivid and intimate life.

Friedrich Hölderlin's Life, Poetry and Madness Wilhelm Waiblinger, 2018-07-04 After a childhood marked by loss and grief, Hölderlin studied theology in the illustrious company of Hegel and Schelling, before concentrating on poetry and writing his most famous work, *Hyperion*. But, afflicted by the pressures of life and a doomed love affair, he gradually went mad, and spent the final 36 years of his life in a solitary tower in Tübingen, cared for by a kindly carpenter. The younger poet Wilhelm Waiblinger, one of the few people to gain Hölderlin's confidence, visited him often. This is his beautifully

written memoir of the stricken poet, a unique insight into his personality, sensitively translated by Will Stone.

The Russian Donation Christoph Spielberg, 2013 Doctor Felix Hoffmann's life is textbook success: it's a life filled with medical work, televised soccer games, and the chill of German beer. Yet, when a former patient shows up dead by causes unknown, Hoffmann signs a death certificate that may be his own. Curiosity and sheer medical devotion propel him to investigate. However, his autopsy order goes unfulfilled as the body is cremated and hospital records vanish. Soon, Hoffmann discovers a diagnosis of conspiratorial proportions.

*Mimi's Ghost* Tim Parks, 2002-02-14 Morris seems unable to get over the loss of his ex-fiancee Mimi, but then, he should have thought of that before he held her for ransom and ultimately did away with her. Now, he's newly married and gainfully employed, but can't shake his discontent. Just as he is beginning to adjust to his new life, he visits Mimi's grave, where her charming photograph on the gravestone distinctly winks at him. This does not bode well for his latest scheme (exploiting immigrants for cheap labor), which, of course, leads Morris further into murder and mayhem. This darkly amusing romp now joins Morris' first caper, *Juggling the Stars*, in paperback.

**Burning the Reichstag** Benjamin Carter Hett, 2014-02 Delving into the controversy surrounding the fire that burned down the Reichstag and ignited the Third Reich, this gripping account of Hitler's rise to dictatorship reopens the arson case, profiling key figures and making use of new sources and archives to reinvestigate one of the greatest mysteries of the Nazi period.

*Psychologically Speaking* Mizpah C. Tertullien,2002

And what she lacks in size, she makes up for in determination. At night she slips out into the woods and secretly teaches herself to become the cleverest, most nimble knight in the land. Hedy's War JENNY. LECOAT,2020-05-02 In June 1940, the Channel Islands becomes

the only part of Great Britain to be occupied by Hitler's forces. Hedy Bercu, a young Jewish girl from Vienna who fled to Jersey two years earlier to escape the Anschluss, finds herself once more entrapped by the Nazis, this time with no escape. Hedy's War follows her struggle to survive the Occupation and avoid deportation to the camps. Despite her racial status, Hedy finds work with the German authorities and embarks on acts of resistance. Most remarkable of all, she falls in love with German lieutenant Kurt Rümmele - a relationship on which her life soon comes to depend.

**BodyWorld** Dash Shaw, 2010 From the astonishing imagination of the author of *Bottomless Belly Button* comes a darkly fantastical graphic novel about a small town, a lowlife botanist, and a mysterious plant with strange powers.

*Go With Me* Castle Freeman, Jr., 2008-04-15 NOW A MAJOR MOTION PICTURE STARRING ANTHONY HOPKINS Set in the unforgiving Vermont wilderness, this is a "gripping, taut tale of suspense . . . that sparkles with sly insight and cuts like a knife"—for fans of Cormac McCarthy (*The Boston Globe*) The Vermont hill country is the stark, vivid setting for this gripping and entertaining story of bold determination. The local villain, Blackway, is making life hellish for Lillian, a young woman from parts elsewhere. Her boyfriend has fled the state in fear, and local law enforcement can do nothing to protect her. She resolves, however, to stand her ground, and to fight back. A pair of unlikely allies—Lester, a crafty old-timer, and Nate, a powerful but naive youth—join her cause, understanding that there is no point in taking up the challenge unless you're willing to "go through." In this modern-day drama, a kind of Greek chorus—wry, witty, digressive; obsessively, amusingly reminiscent; skeptical, opinionated, and not always entirely

sober—enriches the telling of this unforgettable tale as the reader follows the threesome's progress on their dangerous, suspenseful quest.

Wild Seas Thomas Peschak, 2021 Conservationist and National Geographic photographer Thomas Peschak shares more than 200 of his images and the stories behind them--

Lietest Leonard H. Harrelson, Nancy S. Gerow, Joshua R. Gerow, 1998-01-01 The polygraph remains the only reliable method of determining whether a person is telling the truth. The author, one of the foremost authorities on the use of the lie detector, relates stories from forty years of experience during which he administered fifty thousand polygraph tests. Fascinating facts on the structure of interrogation and how to pose questions make this a must-read for anyone curious about human psychology and crime.
