Her Unexpected Admirer Elizabeth Lennox,2014-11-05 Davis hated art; he thought the art world was pretentious and superficial. Until that night in the gallery, art was only an investment to him - something that he could buy now and sell later for a profit. So he was completely unprepared for the emotional punch he experienced when he looked at the paintings on the walls at this gallery. Within five minutes of walking in, he'd bought the entire collection of the anonymous artist. Kate couldn't believe she let her friend talk her into showing her paintings. She'd always considered her art work to be private, simply an outlet for her own emotions. If her father ever found out that she painted, he would be disgusted with her. When she meets Davis Alfieri, those emotions take a dangerous, terrifying turn, releasing the pent up passion she'd been pretending wasn't inside of her.

And the only man who made sense, who helped her wade through the complicated judicial system, didn't believe in her. Ash had a thorny problem.
