

My Years With General Motors Alfred P Sloan Jr

□□□□□□□□

My Years With General Motors Alfred P Sloan,2015-01-16 Alfred P. Sloan, Jr. led the General Motors Corporation to international business success by virtue of his brilliant managerial practices and his insights into the new consumer economy he and General Motors helped to produce. Sloan's business biography, *My Years With General Motors*, was an instant best seller when it was first published in 1964 and is still considered indispensable reading by modern business giants.

Summary: My Years with General Motors BusinessNews Publishing,2014-09-29 The must-read summary of Alfred P. Sloan Jr.'s book *My Years with General Motors: How General Motors Was Built Into the Largest Corporation in the World*. This complete summary of the ideas from Alfred P. Sloan Jr.'s book *My Years with General Motors* shares Alfred P. Sloan Jr.'s experience as a CEO of General Motors from 1923 to 1946. In his book, the author explains the policies and processes he used at General Motors to make it the number one organisation in the automobile industry. By learning about his strategies, you can start applying them to your own business and take your company to the next level. Added-value of this summary: • Save time • Understand the key concepts • Expand your business knowledge To learn more, read *My Years with General Motors* to learn about one of the top companies in the world and how it achieved success.

Sloan Rules David Farber,2002-11-15 Alfred P. Sloan Jr. became the president of General Motors in 1923 and stepped down as its CEO in 1946. During this time, he led GM past the Ford Motor Company and on to international business triumph by virtue of his brilliant managerial practices and his insights into the new consumer economy he and GM helped to produce. Bill Gates has said that Sloan's 1964 management tome, *My Years with General Motors*, is probably the best book to read if you want to read only one book about business. And if you want to read only one book about Sloan, that book should be historian David Farber's *Sloan Rules*. Here, for the first time, is a study of both the difficult man and the pathbreaking executive. *Sloan Rules* reveals the GM genius as not only a driven manager of men, machines, money, and markets but also a passionate and not always wise participant in the great events of his day. Sloan, for example, reviled Franklin Roosevelt and the New Deal; he firmly believed that politicians, government bureaucrats, and union leaders knew next to nothing about the workings of the new consumer economy, and he did his best to stop them from intervening in the private enterprise system. He was instrumental in transforming GM from the country's largest producer of cars into the mainstay of America's Arsenal of Democracy during World War II; after the war, he bet GM's future on renewed American prosperity and helped lead the country into a period of economic abundance. Through his business genius, his sometimes myopic social vision, and his vast fortune, Sloan was an architect of the corporate-dominated global society we live in today. David Farber's story of America's first corporate genius is biography of the highest order, a portrait of an extraordinarily compelling and skillful man who shaped his era and ours.

A Ghost's Memoir John McDonald,2003 The story of the ghostwriting of Alfred P. Sloan's best-selling memoir, General Motor's attempts to block the book's publication, and the author's eventual triumph over the corporation. Published in 1964, *My Years with General Motors* was an immediate best-seller and today is considered one of the few classic books on management. The book is the ghostwritten memoir of Alfred P. Sloan, Jr. (1875-1966), whose business and management strategies enabled General Motors to overtake Ford as the dominant American automobile manufacturer in the 1920s and 1930s. What has been largely unknown until now is that *My Years with General Motors* was almost not published. Although it was written with the permission of General Motors -- and slated for publication in October 1959 -- at the last minute General Motors tried to suppress the book out of fears that some of the material in it could become evidence in an antitrust action against the company. This book, by John McDonald, Sloan's ghostwriter, tells the behind-the-scenes story of the book's writing, its attempted suppression, and the lawsuit that eventually led to its publication. McDonald's narrative is partly the David-and-Goliath story of a lone journalist taking on the world's then-largest corporation and partly a study of strategy in its own right. McDonald's struggle to publish the book led him to navigate a complicated course among the competing interests of General Motors, *Fortune* magazine (his employer), and *Time*, Inc. (*Fortune*'s owner). In many ways this book about the book parallels the Sloan book as a tale of successful, brilliantly planned strategy.

My Years With General Motors Alfred P. Sloan, Jr.,Peter Ferdinand Drucker,1990-08-30 This memoir by Sloan was an instant bestseller when it appeared in 1964. It has remained a favorite among managers and mgmt. students. Sloan wrote this book to counterbalance a book that GM's senior exec. thought to be pernicious: Peter Drucker's book on GM, *3Concept of the Corp.*,2 pub. in 1946, the first study of mgmt. as a discipline, the first study of a big corp. from within. Sloan defended Drucker's right to publish the study, but Sloan wrote this response, which Bill Gates praises as the best book to read on bus. It offers personal glimpses into the practice of the 3discipline of mgmt.2 by the man who perfected it -- a distillation of 50 years of intimate leadership experience with a giant industry and an inside look at dramatic events and creative bus. mgmt.

Car Guys vs. Bean Counters Bob Lutz,2013-05-28 "One of the most acute books about management and how companies work in practice that I have read in a long time. If anyone wants to know exactly how the U.S. auto industry got into trouble, here is your guide." —John Gapper, *FINANCIAL TIMES* When Bob Lutz got into the auto business in the early 1960s, CEOs knew that if you captured the public's imagination with innovative car design and top-quality craftsmanship, the money would follow. The "car guys" held sway, and GM dominated with bold, creative leadership and iconic brands like Cadillac, Buick, Pontiac, Oldsmobile, GMC, and Chevrolet. But then GM's leadership began to put its faith in numbers and spreadsheets. Determined to eliminate the "waste" and "personality worship" of the bygone creative leaders, management got too smart for its own good. With the bean counters firmly in charge, carmakers, and much of American industry, lost their single-minded focus on product excellence and their competitive advantage. Decline soon followed. In 2001, General Motors hired Lutz out of retirement with a mandate to save the company by making great cars again. As vice chairman, he launched a war against the penny-pinching number crunchers who ran the company by the bottom line and reinstated a focus on creativity, design, and cars and trucks that would satisfy GM's customers. Lutz's commonsense lessons, combined with a generous helping of fascinating anecdotes, will inspire readers in any industry.

Billy, Alfred, and General Motors William Pelfrey,2006 Painstakingly researched, the book sheds new light on how the divergent approaches of Durant and Sloan were destined to forge an entirely new business archetype, one that would become (and today remains) a global standard.--Jacket.

The 100 Best Business Books of All Time Jack Covert,Todd Sattersten,Sally Haldorson,2016-08-02 Thousands of business books are published every year— Here are the best of the best After years

of reading, evaluating, and selling business books, Jack Covert and Todd Sattersten are among the most respected experts on the category. Now they have chosen and reviewed the one hundred best business titles of all time—the ones that deliver the biggest payoff for today’s busy readers. The 100 Best Business Books of All Time puts each book in context so that readers can quickly find solutions to the problems they face, such as how best to spend The First 90 Days in a new job or how to take their company from Good to Great. Many of the choices are surprising—you’ll find reviews of Moneyball and Orbiting the Giant Hairball, but not Jack Welch’s memoir. At the end of each review, Jack and Todd direct readers to other books both inside and outside The 100 Best. And sprinkled throughout are sidebars taking the reader beyond business books, suggesting movies, novels, and even children’s books that offer equally relevant insights. This guide will appeal to anyone, from entry-level to CEO, who wants to cut through the clutter and discover the brilliant books that are truly worth their investment of time and money.

Out of the Crisis, reissue W. Edwards Deming, 2018-10-16 Essential reading for managers and leaders based on Deming’s famous 14 Points for Management This is the classic and deeply influential work on business management, leadership, problem solving, and quality control, reissued for readers today Translated into 12 languages and continuously in print since its original publication in 1982, this highly influential framework presents the foundations for a completely transformational way to lead and manage people, processes, and resources. According to Deming, American company management’s failure to plan for the future brings about loss of market, which brings about loss of jobs. Management must be judged not only by the quarterly dividend, but by innovative plans to: • stay in business • protect investment • ensure future dividends • provide more jobs through improved product and service In simple, direct language, Deming explains the principles of management transformation and how to apply them. This edition includes a foreword by Deming’s grandson, Kevin Edwards Cahill, and Kelly Allan, business consultant and Deming expert. “Long-term commitment to new learning and new philosophy is required of any management that seeks transformation. The timid and the fainthearted, and the people that expect quick results, are doomed to disappointment.” —W. Edwards Deming, Out of the Crisis

Uncontainable Kip Tindell, 2014-10-07 You're going to sell what? Empty Boxes? Back in 1978, Kip Tindell (Chairman & CEO of The Container Store) and his partners had the vision that people were eager to find solutions to save both space and time - and they were definitely onto something. A new category of the retailing industry was born - storage and organization. Today, with stores nationwide and with more than 5,000 loyal employees, the company couldn't be stronger. Over the years, The Container Store has been lauded for its commitment to its employees and focus on its original concept and inventory mix as the formula for its success. But for Tindell, the goal never has been growth for growth's sake. Rather, it is to adhere to the company's values-based business philosophies, which center on an employee-first culture, superior customer service and strict merchandising. The Container Store has been named on Fortune magazine's 100 Best Companies To Work For list for 15 consecutive years. Even better, The Container Store has millions of loyal customers. In Uncontainable, Tindell reveals his approach for building a business where everyone associated with it thrives through embodying the tenets of Conscious Capitalism. Tindell's seven Foundation Principles are the roadmap that drives everyone at The Container Store to achieve the goals of the company. Uncontainable shows how other businesses can adapt this approach toward what Tindell calls the most profitable, sustainable and fun way of doing business. Tindell is that rare CEO who fully embraces the Golden Rule of business - where all stakeholders - employees, customers, vendors, shareholder, the community - are successful through a harmonic balance of win-wins.

David Buick's Marvelous Motor Car Lawrence R. Gustin, Kevin M. Kirbitz, 2011 The first biography of David Buick, an important but largely forgotten auto pioneer whose last name has appeared on 40 million cars, and whose car formed the foundation for General Motors - while also telling the story of Billy Durant, the legendary savio

The Second Automobile Revolution M. Freyssenet, 2009-04-30 The rapid takeoff of the continent-sized national economies and the increasing expense of extraction have led to strong tensions in petrol prices and a race towards alternative driving systems. This book analyses the emergence of a second automobile revolution through the trajectories of automobile firms since the nineties.

Shaping the Industrial Century Alfred D. Chandler Jr., 2009-07-01 The dean of business historians continues his masterful chronicle of the transforming revolutions of the twentieth century begun in *Inventing the Electronic Century*. Alfred Chandler argues that only with consistent attention to research and development and an emphasis on long-term corporate strategies could firms remain successful over time. He details these processes for nearly every major chemical and pharmaceutical firm, demonstrating why some companies forged ahead while others failed. By the end of World War II, the chemical and pharmaceutical industries were transformed by the commercializing of new learning, the petrochemical and the antibiotic revolutions. But by the 1970s, chemical science was no longer providing the new learning necessary to commercialize more products, although new directions flourished in the pharmaceutical industries. In the 1980s, major drug companies, including Eli Lilly, Merck, and Schering Plough, commercialized the first biotechnology products, and as the twenty-first century began, the infrastructure of this biotechnology revolution was comparable to that of the second industrial revolution just before World War I and the information revolution of the 1960s. *Shaping the Industrial Century* is a major contribution to our understanding of the most dynamic industries of the modern era.

Dealers of Lightning Michael A. Hiltzik, 2009-05-19 In the bestselling tradition of *The Soul of a New Machine*, *Dealers of Lightning* is a fascinating journey of intellectual creation. In the 1970s and '80s, Xerox Corporation brought together a brain-trust of engineering geniuses, a group of computer eccentrics dubbed PARC. This brilliant group created several monumental innovations that triggered a technological revolution, including the first personal computer, the laser printer, and the graphical interface (one of the main precursors of the Internet), only to see these breakthroughs rejected by the corporation. Yet, instead of giving up, these determined inventors turned their ideas into empires that radically altered contemporary life and changed the world. Based on extensive interviews with the scientists, engineers, administrators, and executives who lived the story, this riveting chronicle details PARC's humble beginnings through its triumph as a hothouse for ideas, and shows why Xerox was never able to grasp, and ultimately exploit, the cutting-edge innovations PARC delivered. *Dealers of Lightning* offers an unprecedented look at the ideas, the inventions, and the individuals that propelled Xerox PARC to the frontier of technohistory--and the corporate machinations that almost prevented it from achieving greatness.

My Years With General Motors Alfred P Sloan Jr Introduction

In today's digital age, the availability of My Years With General Motors Alfred P Sloan Jr books and manuals for download has revolutionized the way we access information. Gone are the days of

physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of My Years With General Motors Alfred P Sloan Jr books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of My Years With General Motors Alfred P Sloan Jr books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing My Years With General Motors Alfred P Sloan Jr versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, My Years With General Motors Alfred P Sloan Jr books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing My Years With General Motors Alfred P Sloan Jr books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for My Years With General Motors Alfred P Sloan Jr books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, My Years With General Motors Alfred P Sloan Jr books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of My Years With General Motors Alfred P Sloan Jr books and manuals for download and embark on your journey of knowledge?

FAQs About My Years With General Motors Alfred P Sloan Jr Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends

on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. My Years With General Motors Alfred P Sloan Jr is one of the best book in our library for free trial. We provide copy of My Years With General Motors Alfred P Sloan Jr in digital format, so the resources that you find are reliable. There are also many Ebooks of related with My Years With General Motors Alfred P Sloan Jr. Where to download My Years With General Motors Alfred P Sloan Jr online for free? Are you looking for My Years With General Motors Alfred P Sloan Jr PDF? This is definitely going to save you time and cash in something you should think about.
