*The Voices of Women in Witchcraft Trials* Liv Helene Willumsen,2022-03-28 Women come to the fore in witchcraft trials as accused persons or as witnesses, and this book is a study of women's voices in these trials in eight countries around the North Sea: Spanish Netherlands, Northern Germany, Denmark, Scotland, England, Norway, Sweden, and Finland. From each country, three trials are chosen for close reading of courtroom discourse and the narratological approach enables various individuals to speak. Throughout the study, a choir of 24 voices of accused women are heard which reveal valuable insight into the field of mentalities and display both the individual experience of

witchcraft accusation and the development of the trial. Particular attention is drawn to the accused women's confessions, which are interpreted as enforced narratives. The analyses of individual trials are also contextualized nationally and internationally by a frame of historical elements, and a systematic comparison between the countries shows strong similarities regarding the impact of specific ideas about witchcraft, use of pressure and torture, the turning point of the trial, and the verdict and sentence. This volume is an essential resource for all students and scholars interested in the history of witchcraft, witchcraft trials, transnationality, cultural exchanges, and gender in early modern Northern Europe.

*Wild Witchcraft* Rebecca Beyer, 2022-05-10 Learn how to cultivate your own magical garden, harness the power of herbalism, and better connect with nature through practical and sustainable tips from an experienced Appalachian witch forager--

**The History of Witchcraft in Europe** Bram Stoker, Charles Mackay, William Godwin, Walter Scott, Jules Michelet, John Ashton, Howard Williams, George Moir, Frederick George Lee, Wilhelm Meinhold, E. Lynn Linton, W. H. Davenport Adams, M. Schele de Vere, St. John D. Seymour, John G. Campbell, John Maxwell Wood, Margaret Murray, 2022-11-13 Witchcraft in Europe in Middle Ages and Early Modern Period was believed to be a combination of sorcery and heresy. While sorcery attempts to produce negative supernatural effects through formulas and rituals, heresy is the Christian contribution to witchcraft in which an individual makes a pact with the Devil. In addition, heresy denies

witches the recognition of important Christian values such as baptism, salvation, Christ and sacraments. In Early Modern European tradition, witches were stereotypically, though not exclusively, women. European pagan belief in witchcraft was associated with the goddess Diana and dismissed as diabolical fantasies by medieval Christian authors. Witch-hunts first appeared in large numbers during the 14th and 15th centuries. It was commonly believed that individuals with power and prestige were involved in acts of witchcraft and even cannibalism. Table of Contents: The Superstitions of Witchcraft by Howard Williams The Devil in Britain and America by John Ashton Lives of the Necromancers by William Godwin Witch, Warlock, and Magician by W. H.
