

# Opening Prayer Faith In Our Future

Andrew G. Walker, Luke Bretherton

*Future Grace, Revised Edition* John Piper, 2012-09-25 Explore this stunning quality of God's grace: It never ends! In this revision of a foundational work, John Piper reveals how grace is not only God's undeserved gift to us in the past, but also God's power to make good happen for us today, tomorrow, and forever. True life for the follower of Jesus really is a moment-by-moment trust that God is dependable and fulfills his promises. This is living by faith in future grace, which provides God's mercy, provision, and wisdom—everything we need—to accomplish his good plans for us. In *Future Grace*, chapter by chapter—one for each day of the month—Piper reveals how cherishing the promises of God helps break the power of persistent sin issues like anxiety, despondency, greed, lust, bitterness, impatience, pride, misplaced shame, and more. Ultimate joy, peace, and hope in life and death are found in a confident, continual awareness of the reality of future grace.

**Giving God Your Future** Women of Faith, 2016-06-07 In Psalm 31:14, David writes, "But as for me, I trust in You, O Lord; I say, 'You are my God.'" David was able to say this because he had developed a lifestyle of depending on the Lord in every situation—both the good times and the bad. The same is true for us. When we're willing to completely trust our future to God, the relationship we long for with Him deepens, strengthens, and becomes more vibrant. In *Giving God Your Future*, you will explore what Scripture has to say about giving everything to God and surrendering to Him. You will examine what the Bible teaches about yielding your will to His and depending solely on His strength. You will discover how you, like Christ, can truly pray, "Not my will, but Yours, be done" (Luke 22:42). The Women of Faith® Bible Studies provide intriguing insights into topics that are relevant to women's lives today. Each guide includes twelve weeks of study, down-to-earth illustrations, and reflections to help you move the truth from your head to your heart. A leader's guide for use with small groups is also included.

Sharing the Tradition, Shaping the Future Catholic Campaign for Human Development, 2001 This small-group sharing booklet prepares the way for adults to enter into and grow in awareness of the rich social justice tradition of the Church.

**Processing the Plan of God Through Prayer** Mark Brazee, 2018-01-16 A cry of God's Spirit is going forth. It is the same cry that has brought forth every move of God since the beginning of time—the call to pray. Prayer is not a form or ritual; it is simply communion and fellowship with God. Prayer is changing earth by the power of heaven! Heaven is waiting for our legal invitation. Whatever requests we lift to God, heaven is waiting to back us up. Prayer is always the catalyst that brings forth God's ability on earth, and when we tap into that power, we will process the plan of God.

**A Single Mother's Prayers** Angel Williams, 2019-06-13 Building a relationship with Christ is so rewarding. One of the ways to do that is through prayer. Life can be full of challenges. I have learned that having a consistent prayer life can change your perspective of the way you see things in your world. Inside the passages of this book are my personal prayers and intimate conversations with God. It is my prayer that by me opening up and sharing the prayers of my faith and over my children, career, finances, broken heart and for my future husband, that readers will gain a sense of hope and courage knowing that we all go through times of questioning ourselves and maybe even God, but he gives beauty for ashes and makes all things work together for our good. There are often feelings, situations, or circumstances that we find ourselves in and that we don't indulge or share to a full extent with others because maybe we were afraid of the judgement, embarrassment, or even resentment that come along with those things. The book is titled *Intimate Conversations with God* because he desires a relationship with us, and we have to be willing to open up and share our hearts with him because he's the only one that can truly meet us where we are and change the outcome of our circumstances. At the end of this, I want God to be pleased and readers to know that they aren't meant to face this life alone and that the answer to our tomorrows is in our prayers of faith of today. Be blessed.

**Remembering Our Future** Andrew G. Walker, Luke Bretherton, 2013-01-16 How the issues of the past affect the future of Deep Church—a concept conceived by C. S. Lewis. Orthodox, Catholic, and Protestant traditions drink from the well of a common tradition rooted in the early church. Many Evangelicals are now reengaging with the practice of the early church as they seek to live as disciples today. Remembering the past is essential for facing the future. In *Remembering Our Future* leaders and theologians reflect on a range of issues for which a vibrant contemporary faith requires a careful listening to the past. What is the place of tradition in the church's life? How should we interpret the Bible? How should we worship? What, in other words, might Deep Church look like?

*Like Our Father* Christina Fox, 2022-03-02 Reveal God to your children by parenting them like He parents us. Tired of all the parenting books full of strategic checklists, how-to advice, and quick tips? Instead of focusing on parenting techniques, *Like Our Father* is about who God is, who we are in light of that, and how God's character gives form to our parenting. Christina Fox invites you to explore the Scriptures and discover the goodness of the God who makes us His own. As God's beloved creatures, we bear His image—that is, we reflect Him to others. Is anything more important to pass on to our children than this? Though it's tempting to want an instructional manual on child-rearing, what you really need is a grander vision of your Heavenly Father. As your kids share in your magnified vision of God, they'll begin to live as the image-bearers that He made them to be.

*Facing the Father* Michael Carozza,2009-02 Turn around. Today. Right Now. God is calling you back to Him. In *Facing the Father: 180 Degrees To God*, Michael Carozza calls us all to turn away from the hopelessness of humanity and focus our faith on our future in heaven. This is not a new calling. God has been urging His people humbly to seek His face for thousands of years. His promises are real: forgiveness, healing, and restoration. You are a mere one hundred eighty degrees from God. Slowly make the transition back into His arms and receive the healing you so desperately desire.

*Where I Have Seen God in My Life* Gordon Kunkler,2020-01-14 I wrote this book for a number of reasons. First of all, God has been very good to me and I know that he wants me to respond to his love. God has given me many gifts besides the gift of love. For example faith, hope, family, and the abilities to do his will. With all that he has done for me, I want to let others know that he lives and is very much in touch with each of us. So much so that he sent his Son to die for our sins so that we have become children of God and heirs to the kingdom. All that we need to do is to love others as ourselves and accept his gifts. Scripture has said that he knocks on our doors and that whoever opens the door for him, he will enter and have supper with them. With the gifts of faith and hope, I can find peace in my future. I would like everyone to know the love that God has for them. However there are those who say that God is dead or that there is no God. I feel sorry for them for they have no hope for their future when it comes to eternal life with God. This world and all that it holds will never make them happy. I have shared where I have seen God in my life and have had my friends also share God in their lives in hope that other may believe and change their hearts and lives to serve God and others. Jesus told his disciples to go and teach all nations. We can't do this unless we stand up or speech up for our faith and our God. Sharing our faith and by showing our faith is one of the best ways of teaching all nations. We as parents and Christians must teach our children and others to do what Jesus want us to do. He died for our sins and wants us to finish the job of spreading the truth and the faith that he has given to us. The gifts of faith, hope, love, and forgiveness are too special to waste. We need to use them each chance that we have. If we don't use them, we will become weak in our faith and become like the worthless servant that buries his master's money. We need to invest in our future of eternal life and the future of others.

*A Faith for All Seasons* Steven Molin,2005 Change is an often uncomfortable and disruptive force -- yet nothing is more inevitable than the necessity of adapting to new circumstances. Whether it's leaving home, moving to a new city, getting married, having children, changing jobs, losing a parent, or retiring, we face many major transitions throughout our lives. Taking its inspiration from the familiar scripture passage of Ecclesiastes 3:1-8 (For everything there is a season...), *A Faith For All Seasons* explores how a vital relationship with Jesus Christ is essential for coping with the constant flux of contemporary life. When radical changes rock our world, the Lord guides and comforts us -- and gives us the security to face the future with confidence. This eight-session study resource includes thought-provoking stories and personal anecdotes, prayers, scripture study, discussion questions, and other small-group activities, all designed to foster a deeper understanding of how our Christian faith can help us endure, survive, and even thrive amidst the turbulent waters of change -- because we are in the loving arms of a God who never changes! Sessions include: \* Life Is Change \* Dealing with the Changes of Growing Up \* Dealing with the Changes of Growing Older \* Change Happens When Families Grow \* Change Happens When Families Decrease in Size \* Changing Cities, Changing Jobs, Changing Churches \* As the World Turns: Changes in Our Culture \* The Future! **Core Christianity** Michael Horton,2016-04-05 What beliefs are core to the Christian faith? This book is here to help you understand the reason for your hope as a Christian so that you can see it with fresh sight and invite others into the conversation. A lot of Christians take their story—the narratives that give rise to their beliefs—for granted. They pray, go to church, perhaps even read their Bible. But they might be stuck if a stranger asked them to explain what they believe and why they believe it. Author, pastor, and theologian Mike Horton unpacks the essential and basic beliefs that all Christians share in a way that is easy to understand and applicable to our lives today. And in a way that will make you excited to be a Christian! *Core Christianity* covers topics like: Jesus as both fully God and fully man. The doctrine of the Trinity. The goodness of God despite a broken world. The ways God speaks. The meaning of salvation. What is the Christian calling? Includes discussion questions for individual or group use. This introduction to the basic doctrines of Christianity is perfect for those who are new to the faith, as well as those who have an interest in deepening their understanding of what it means to be a follower of Jesus Christ.
