Boris Cyrulnik

Paroles d'animaux Karine Lou Matignon,2018-10-25

Paroles d'Animaux Christian Heraïl-

Gilly,Christian Héraïl,2001-12-01

Les Animaux ont la parole Peter Spier,1974 Les cris des animaux et leurs noms...

Paroles d'Apollon Aude Busine,2005-12-01 This book deals with the making and the reuses of the divine words which were ascribed to Apollo in the first centuries of our era. This comprehensive and historical approach analyses the oracles of Apollo according to the various contexts ancient authors used to resort to the sacred words. This study of the sacred texts reveals in an original manner the cultural, political, and religious life of pagans and Christians in the Roman Empire. *** Ce livre est une étude historique de l'ensemble des oracles attribués à Apollon aux premiers siècles de notre ère. Il envisage successivement les enjeux de la production de ces textes sacrés et ceux de leur réutilisation par les auteurs païens et chrétiens.

Mémoire de singe et paroles d'homme Boris

Cyrulnik,2010-07-09 Le singe figé dans son isolement recommence à vivre lorsqu'on lui offre un leurre sur lequel il peut fixer son affection, la paralysie hystérique du chien disparaît quand ses maîtres le caressent : les animaux connaissent donc aussi la souffrance psychique et l'étude de celle-ci peut nous en apprendre beaucoup sur la psychologie humaine. Dans ce livre très vivant, plein d'anecdotes, écrit dans un langage simple et drôle, Boris Cyrulnik montre que l'éthologie est une des voies les plus fécondes pour explorer les soubassements biologiques du comportement. Peut-

être alors regarderons-nous autrement l'enfant abandonné qui se laisse mourir de faim parce qu'il n'a rencontré personne à aimer.

Les paroles d'un croyant revues, corrigées et augmentées Félicité Robert de Lamennais, 1834

Réfutation des paroles d'un croyant selon l'église Romaine, 1834

Paroles d'auteurs jeunesse Michèle Bacholle-Boškovic, 2014-02 Paroles d'auteurs jeunesse – autour du multiculturalisme et des minorités visibles en France donne la parole à treize auteurs et à un illustrateur de littérature jeunesse contemporaine. Nadira Aouadi, Louis Atangana, Hubert Ben Kemoun, Dounia Bouzar, Marc Cantin, Marie-Félicité Ebokéa, Gudule, Catherine Kalengula, Gisèle Pineau, Karim Ressouni-Demigneux, Leïla Sebbar, Tran Quoc Trung et Marcelino Truong se sont gracieusement prêtés à une réflexion autour du multiculturalisme, du multiethnique, de l'interculturalité. Cet ouvrage part d'un simple constat : le manque de représentation des minorités visibles en littérature jeunesse dans les années 1970. Cette littérature s'inscrit dans un contexte historique et socio-politique ; or, un des traits caractéristiques de la France actuelle est sa multiculturalité, maintenant visible dans sa production pour la jeunesse. Chacun de ces auteurs, aux origines et parcours différents, aux voix et styles très divers, s'est penché sur la question d'appartenir à une « minorité visible » et sur sa propre contribution. L'ouvrage de Michèle Bacholle-Boškovic s'adresse aux professionnels du livre jeunesse, aux chercheurs

en littérature jeunesse, en études francophones, études postcoloniales et études culturelles, mais aussi à un large public. Il offre une voie d'accès essentielle à des auteurs d'un genre en expansion, toujours renouvelé. Michèle Bacholle-Boškovic est l'auteure de trois livres, Annie Ernaux, de la perte au corps glorieux (2011), Linda Lê, l'écriture du manque (2006) et Un passé contraignant, Double bind et transculturation (2000) sur Annie Ernaux, Agota Kristof et Farida Belghoul, ainsi que de nombreux articles sur des écrivaines contemporaines, sur la littérature beur et sur la littérature jeunesse. Elle est professeure en études françaises à Eastern Connecticut State University (États-Unis).

Paroles d'un croyant, 1833 Hugues Félicité Robert de Lamennais, 1834

Contre-Paroles d'un Croyant. [In reply to the "Paroles d'un Croyant" by H. F. Robert de La Mennais.] Joseph Louis Elzéar ORTOLAN, 1834

Paroles d'un croyant Félicité de La Mennais, 1834

Libres paroles d'un théologien rwandais Laurien Ntezimana, 1998-01-01 Faire de la théologie, c'est scruter le devenir de l'alliance singulière de Dieu-avec-nous . Or, ce devenir, c'est la venue de l'homme à sa maturité, quand il commence à vivre et à porter pour de bon ses fruits de jubilation devant Dieu et devant les hommes. J'appelle cette maturité bonne puissance . Face à l'Empire (avoir et pouvoir) et à l'idée (savoir et valoir), l'homme de bonne puissance paraît désarmé. Ce n'est qu'une apparence. En réalité, ce n'est pas lui qui redoute l'Empire et l'idée, c'est exactement l'inverse ! Les hommes galonnés et

titrés ne craignent rien tant que cet homme-là. Car il est comme un miroir, où ils peuvent admirer leur propre vanité. Insupportable ! Aussi l'homme de bonne puissance se fait-il généralement massacrer par l'Empire et l'idée réunis. Mais sans rancune ! Car il sait qu'il est massacré par l'aveuglement des uns et la lâcheté des autres. Tous de grands enfants qui jouent à l'adulte et ne savent ce qu'ils font . Mais où puise-t-il cette assurance souveraine - stabilité! - qui le fait finalement demeurer égal à lui-même ? Où prend-il cette force - énergie ! - qui le fait s'avancer mains nues au milieu des fauves ? D'où, enfin, lui vient cet amour - union ! - qui lui fait subir toute injustice sans la retourner aggravée à l'expéditeur ? Telles sont les questions que, je me propose d'examiner dans ce livre

Paroles pour les animaux Corvaisier,1999
Souhaitons que les nombreuses citations que renferme cette petite anthologie viennent convaincre bien de coeurs et bien des esprits d'accéder enfin à la compassion qui s'impose à l'égard des animaux et, surtout, bien sûr de la mettre en pratique. Extrait de la préface de Théodore Monod.

Paroles d'Arbres Claude Cuvelier,2020-11-20
L'arbre est né dans l'univers avant l'Homme. Celui-ci, animal pensant, s'est vite identifié à la structure de son prédécesseur végétal, jusqu'à y voir son modèle corporel. Des racines, tronc et feuillage de l'un, les jambes, buste et tête de l'autre. Les millénaires traversés jusqu'à nos jours, il ne manquait que la parole à l'arbre : Claude Cuvelier lui offre au long de ce livre

original, confirmant - son riche imaginaire à l'appui - l'intelligence communicante prêtée à cette plante. Au fil de trente et un récits ouverts au dialogue philosophique, est mise en scène toute une diversité qui verdoie la planète, du majestueux cèdre des forêts libanaises aux cyprès, ifs et acacias méditerranéens, du saule pleureur au tremble élancé, du gland devenu chêne au bouleau et pommier de France, du banian des Indes au gracieux bonsaï des plaines vietnamiennes. Au vrai, c'est l'histoire de l'Homme qui est ici contée. Si l'arbre constitue le lien symbolique entre terre et ciel dans de nombreuses mythologies, il est également, parmi d'autres, l'arbre de la Connaissance au jardin d'Eden, l'arbre séphirothique de la Kabbale et l'Arbre à palabres des africains. La légende sort de la Bible pour côtoyer le réel. Accompagné par le poétique chant des oiseaux en fond sonore, l'auteur nous renvoie à la franc-maçonnerie. Celle du bois, de la pierre et du verre conjuguées. Sans les frères forestiers, fendeurs de charpentes et étais, sans les frères verriers, créateurs de lumières, les frères bâtisseurs n'auraient jamais pu lancer les flèches des magnifiques cathédrales aux vitraux miroitants, dans les ciels de l'Europe médiévale. Avec l'arbre en majesté, voici un ouvrage « vivant », orné des trois dimensions du temps. Y apparaissent ensemble les racines du passé, les frondaisons du présent et les fruits du futur. Partant, chaque arbre invite à l'élévation spirituelle dans une harmonieuse clarté : Il devient alors, dit joliment Claude Cuvelier, l'élan d'une âme vers l'origine divine. À PROPOS

DE L'AUTEUR Claude Cuvelier - Architecte International, résidant aujourd'hui au Vietnam est un Franc-Maçon tant opératif que spéculatif depuis quarante cinq ans. Il a été fondateur en 1993 de la Respectable Loge l'ARBRE à Paris et de la Respectable Loge CAY DOI (Arbre de Vie) en 2012 à Hanoi. Ses nombreux essais ont concerné en général la Franc-Maçonnerie et divers aspects de l'éсотérisme dans les Rites qu'il a pratiqués ; une partie de ses écrits fut consacrée à l'Arbre depuis la création de la première Loge portant ce nom.

Paroles d'un voyant Auguste Chaho, 1834

Ecopoetics of Reenchantment Bénédicte

Meillon, 2022-11-07 *Ecopoetics of Reenchantment: Liminal Realism and Poetic Echoes of the Earth* tackles the reenchantment process at work in a part of contemporary ecoliterature that is marked by the resurfacing of the song of the earth topos and of Gaia images. Focusing on the postmodernist braiding of various indigenous and ecofeminist ontologies, close readings of the animistic and totemic dimensions of the stories at hand lead to the theorizing of liminal realism—a mode that shares much with magical realism but that is approached through an eco poetic lens, specifically working an interspecies kind of magic, situating readers in-between human and other-than-human worlds. This book promotes a worldview based on relationships of reciprocity and symbiosis. It restores our capacity for wonder together with our sensitive intelligence. Liminal realism adopts a stance in-between scientific, mythical, and poetic worldviews as it calls attention to the

soundscapes, odorscapes, feelscapes, and landscapes of the world. This monograph offers an original transdisciplinary and cross-Atlantic take on ecopoetics as it straddles the two academic worlds and sparks a conversation between artworks, theories, and studies emerging from the English-speaking world as well as from Francophone contexts. Entangling the materiality of language back within the flesh of the world, this book and the texts under study provide insight into the fundamentally sympoietic dimension of ecopoiesis.
