Practice Made Perfect Dr Michael Dolby Dds, Michael Dolby, 2015-08-19 In Practice Made Perfect, Dr. Michael Dolby addresses the biggest hurdle faced by most dentists: managing the business side of dentistry. Dr. Dolby provides dentists with the tools needed to maximize the success of any practice through his three pillars of success - Foundation, Systems and Leadership. The methods described in Practice Made Perfect are at the core of every successful dental office. When applied consistently, these best practices will result in a more stress-free and profitable business. Dr. Dolby is a practicing dentist and business-management expert with more than 20 years of experience who recognizes that a lack of business training places dentists at a distinct disadvantage in running a practice. Dr. Dolby's practice-enhancement company Triumph-Dental.com was created to help dentists overcome

these obstacles and achieve massive success in all phases of their career. Whether you are a seasoned professional or just out of dental school this book is a valuable resource for any dentist striving for greatness in their practice. Learn from someone who actually faces the same challenges you do everyday as a practicing dentist. All you need to do now is start reading!

*The Dental Business: a Blueprint for Success* Mary Fisher-Day, 2016-11-03 You applied to dental school to become a Dentist. Being a business manager was not likely on your radar. That's where we come in. We provide dentists with the tools and support to achieve results quickly, so you can enjoy practicing dentistry and your life! We know that dental practices are most successful when the entire team is connected, has needed resources and is consistently motivated. *The Dental Business: A Blueprint for Success* will show you how to run a successful dental practice. Included are tools for every stage of your practice and career alike. By implementing the systems provided in this book, you will achieve results that normally take years, in a very short period of time. For more information about our Coaching and Consulting services please, email us at: [clientcare@TheDentalBusiness.com](mailto:clientcare@TheDentalBusiness.com). You can also learn about us at [www.TheDentalBusiness.com](http://www.TheDentalBusiness.com). You really can have the successful practice you desire; enjoy going to work each day, have a patient base that happily refers to you and enjoy worry-free time away from the office. - Mary Fisher-Day  
Hiring Mary as my Dental Consultant was the best thing I ever did for my Practice. She helped me reach 5 and 10 year goals in less than 2 years. Her ability to evaluate my Practice, find the problem areas and address those areas with results, in a very short period of time, amazed me. I actually have a life outside the office and the financial freedom I hoped to have 10 years from now. -Dr. James Richardson  
Before hiring Mary, we had no idea where our overhead stood. We knew something was out of whack but didn't know where to begin to find the problem. Mary evaluated our overhead, pointed out areas that were in line and areas that needed work. With her help we now have systems in place to monitor our overhead and have the knowledge and tools to keep it in line. In addition, we have fine-tuned our business office and have collections consistently at 98% or above. Our recall percentage is well above the norm and our Hygiene department is more efficient and productive than we ever thought it could be. It's nice to have a competent, dependable Consultant who listens and will tailor Management for the individual needs of the practice. -Doctors Doug and Cathy Smith

Crossing the Quality Chasm Institute of Medicine, Committee on Quality of Health Care in America, 2001-08-19 Second in a series of publications from the

Institute of Medicine's Quality of Health Care in America project Today's health care providers have more research findings and more technology available to them than ever before. Yet recent reports have raised serious doubts about the quality of health care in America. Crossing the Quality Chasm makes an urgent call for fundamental change to close the quality gap. This book recommends a sweeping redesign of the American health care system and provides overarching principles for specific direction for policymakers, health care leaders, clinicians, regulators, purchasers, and others. In this comprehensive volume the committee offers: A set of performance expectations for the 21st century health care system. A set of 10 new rules to guide patient-clinician relationships. A suggested organizing framework to better align the incentives inherent in payment and accountability with improvements in quality. Key steps to promote evidence-based practice and strengthen clinical information systems. Analyzing health care organizations as complex systems, Crossing the Quality Chasm also documents the causes of the quality gap, identifies current practices that impede quality care, and explores how systems approaches can be used to implement change.
