Watercolor Made Easy Joseph Stoddard, 2008-09-01 Learn how to choose and use colors creatively to achieve rich and radiant effects in watercolor. Beginning watercolor artists can find it challenging to keep their artwork vibrant while creating a sense of color unity in their paintings. Often beginners over-mix their paints and/or choose colors strictly based on those they see in life, resulting in lackluster paintings devoid of radiance and life. In this delightful, 64-page guide, accomplished artist Joseph Stoddard shows artists how to improve upon reality to create rich, dynamic, and emotionally charged watercolor paintings. Joseph touches on all aspects of creating expressive watercolor paintings with a focus on color usage, from selecting color schemes and pairing pigments to suggesting a variety of moods. Unlike other how-to-paint books on the market, this guide encourages artists to interpret subjects in their own artistic voice, teaching how to communicate with color through stunning illustrations and clear step-by-step demonstrations.

Drawing the Head for Artists Oliver Sin, 2019-08-06 *Drawing the Head for Artists* is the definitive modern guide to drawing the human head and portrait, featuring the classic mediums and methods of the Old Masters. Written by celebrated portrait artist and veteran studio instructor Oliver Sin, this richly informative and beautifully illustrated volume leads readers step-by-step through his method, from establishing a point of view to applying the timeless principles for creating an accurate and expressive likeness. Among the topics covered: **Essential Materials & Techniques:** Learn about necessary supplies and basic drawing techniques, including hatching, various stroke styles, and blending. **Applying the Essentials:** Explore how the concepts of sight-sizing, value, negative space/shapes, and plane changes factor into a portrait's underlying structure. **Techniques for Creating Depth & Dimension:** Investigate how contrasting shapes, overlapping forms, and linear and atmospheric perspective are used to enhance depth. **Creating the Illusion of Three Dimensions:** Examine how edges—contours as well as changes in value—are used to convey three-dimensional form. Brimming with striking images that document all the phases and details of the author's process, *Drawing the Head for Artists* inspires and informs all artists, from aspiring to accomplished, on how to successfully portray the physical subtleties and emotional eloquence of the human face. The *For Artists* series expertly guides and instructs artists at all skill levels who want to develop their classical drawing and painting skills and create realistic and representational art.
