**Jay McInerney**

Bright Lights, Big City Jay McInerney, 2014-02-13 You are at a nightclub talking to a girl with a shaved head. The club is either Heartbreak or the Lizard Lounge. All might become clear if you could just slip into the bathroom and do a little more Bolivian Marching Powder. Then again, it might not... So begins our nameless hero's trawl through the brightly lit streets of Manhattan, sampling all this wonderland has to offer yet suspecting that tomorrow's hangover may be caused by more than simple excess. *Bright Lights, Big City* is an acclaimed classic which marked Jay McInerney as one of the major writers of our time.

**Bright, Precious Days** Jay McInerney, 2016-08-02 From the best-selling author of *Bright Lights, Big City*: a sexy, vibrant, cross-generational New York story--a literary and commercial triumph of the highest order. Even decades after their arrival, Corrine and Russell Calloway still feel as if they're living the dream that drew them to New York City in the first place: book parties or art openings one night and high-society events the next; jobs they care about (and in fact love); twin children whose birth was truly miraculous; a loft in TriBeCa and summers in the Hamptons. But all of this comes at a fiendish cost. Russell, an independent publisher, has superb cultural credentials yet minimal cash flow; as he navigates a business that requires, beyond astute literary judgment, constant financial improvisation, he encounters an audacious, potentially game-changing—or ruinous—opportunity. Meanwhile, instead of chasing personal gain in this incredibly wealthy city, Corrine devotes herself to helping feed its hungry poor, and she and her husband soon discover they're being priced out of the newly fashionable neighborhood they've called home for most of their adult lives, with their son and daughter caught in the balance. Then Corrine's world is turned upside down when the man with whom she'd had an ill-fated affair in the wake of 9/11 suddenly reappears. As the novel unfolds across a period of stupendous change—including Obama's historic election and the global economic collapse he inherited—the Calloways will find themselves and their marriage tested more severely than they ever could have imagined.

**The Last of the Savages** Jay McInerney, 2011-08-10 From the bestselling author of *Bright Lights, Big City* and *Brightness Falls* comes a chronicle of a generation, as enacted by two men who represent all the passions and extremes of the class of 1969. Patrick Keane and Will Savage meet at prep school at the beginning of the explosive '60s. Over the next 30 years, they remain friends even as they pursue radically divergent destinies--and harbor secrets that defy rebellion and conformity.

*Brightness Falls* Jay McInerney, 2014-03-13 Corrine Calloway is a young stockbroker on Wall Street, her husband Russell an underpaid but ambitious publishing editor. The happily married couple head into New York's 1980s gold rush where prospects and money seem to be flying everywhere, and the best and the brightest vie with the worst and most craven for riches, fame and the love of beautiful people. But the Calloways soon find out that what goes up must come crashing down, both on Wall Street and at home. *Brightness Falls* captures lives-in-the-making: men and women confronting their sudden middle-age with wit and low behaviour, fear and confusion, and, just occasionally, a little honesty and decency.

The Good Life Jay McInerney, 2007 Gensyn med nogle af personerne fra romanen *Brightness Falls* (1992), som nu 10 år efter oplever 9/11 på nærmeste hold, en begivenhed som ændrer deres liv for altid og får dem til at reflektere over tilværelsens virkelige værdier

Bright Lights, Big City Jay McInerney, 1992 It is six am, the party is over and reality is threatening to intervene in the power-fuelled existence of a young man who should have everything but who might just end up with nothing at all. His wife has left him, his job is in jeopardy, and his social life is about to end.

*How It Ended* Jay McInerney, 2014-02-13 Discover a world of sex, excess and urban paranoia where worlds collide, relationships fragment and the dark underbelly of the American dream is exposed. A transsexual prostitute accidentally propositions his own father. A senator's serial infidelities leave him in hot water. And two young lovers spend Christmas together high on different drugs. McInerney's characters struggle together in a shifting world where old certainties dissolve and nobody can be sure of where they stand.

**The Story of My Life** Jay McInerney, 2014-02-13 It is party time in eighties Manhattan. Smart, sassy and cynical, Alison lives for the moment. Her life is a carnival of gossip and midnight sessions of Truth or Dare, and her cocaine-bashing friends and flirting flatmates all crave satiation. Young and beautiful, hip and indulgent, sex-crazed and alcohol-fuelled, Alison can neither pay her fees for drama school nor track down her indifferent father. She juggles rent money with abortion fees, lingering lovers with current conquests and is the despair of her gynaecologist. She's fallen deeply in lust with Dean, although that nasty present Skip Pendleton left her with hasn't yet cleared up. Story of her life right? But in a world of no consequences, Alison is heading for a meltdown.

**The Good Life** Jay McInerney, 2007-04-24 In this bestselling novel, the author of *Bright Lights, Big City* unveils a story of love, family, conflicting desires, and catastrophic loss in a powerfully searing work of fiction. Clinging to a semiprecarious existence in TriBeCa, Corrine and Russell Calloway have survived a separation and are wonderstruck by young twins whose provenance is nothing less than miraculous. Several miles uptown and perched near the top of the Upper East Side's social register, Luke McGavock has postponed his accumulation of wealth in an attempt to recover the sense of purpose now lacking in a life that often gives him pause. But on a September morning, *brightness falls* horribly from the sky, and people worlds apart suddenly find themselves working side by side at the devastated site. Wise, surprising, and, ultimately, heart-stoppingly redemptive, *The Good Life* captures lives that allow us to see-through personal, social, and moral complexity--more clearly into the heart of things.

**Ransom** Jay McInerney, 2011-08-17 *Ransom*, Jay McInerney's second novel, belongs to the distinguished tradition of novels about exile. Living in Kyoto, the ancient capital of Japan, Christopher Ransom seeks a purity and simplicity he could not find at home, and tries to exorcise the terror he encountered earlier in his travels—a blur of violence and death at the Khyber Pass. Ransom has managed to regain control, chiefly through the rigors of karate. Supporting himself by teaching English to eager Japanese businessmen, he finds company with impresario Miles Ryder and fellow expatriates whose headquarters is Buffalo Rome, a blues-bar that satisfies the hearty local appetite for Americana and accommodates the drifters pouring through Asia in the years immediately after the fall of Vietnam. Increasingly, Ransom and his circle are threatened, by everything they thought they had left behind, in a sequence of events whose consequences Ransom can forestall but cannot change. Jay McInerney details the pattern of adventure and disillusionment that leads Christopher Ransom toward an inevitable reckoning with his fate—in a novel of grand scale and serious implications.

Bacchus & Me Jay McInerney, 2000-10-01 With acerbic wit, irreverent tone, and bountiful hilarious anecdotes, Jay McInerney writes the first wine book that makes sense to all those dazed by the prevailing, dull technical wine writing. McInerney generously reveals all he's learned on his worldwide journey to understand wine in chapters on reds, whites, dessert wines, champagne, aperitifs, and more. McInerney holds forth in forty-nine essays - with agile humor; an astonishing amount of hard fact, and an ample dose of personal taste - on: how to make your way around a German wine label; what to drink with Thanksgiving turkey; the truth about Zinfandels; why Burgundy is so hard to predict; Napa Valley's finest winemakers; the pleasure of flinty Chablis, the deep satisfaction of port, the glorious potential of Oregon's Pinot Noir; the respectability of RosT; and the most colorful characters in the business. It is actually possible for a reader of *Bacchus & Me* to take what is learned to the bank, and immediately thereafter to wine shop or restaurant to indulge in the wine of his or her fantasy with the confidence of a sommelier. *Bacchus & Me* is for everyone interested in learning more about the wines of the world. For both those of broad means and of modest purse, there is intense vicarious pleasure to be found in McInerney's vinous adventures.

The Last Bachelor Jay McInerney, 2014-03-20 In true McInerney style, this new collection of stories examines post 9/11 America in

all its dark and morally complex glory. His characters include a young woman holed up in a remote cabin while her (married) boyfriend campaigns for the highest of all offices, a couple whose sexual experiments cross every line imaginable, a young socialite called home to nurse her mother and an older one scheming for her next husband. From the streets of downtown New York during the 2003 anti-war march and the lavish hotel rooms of the wealthy social elite, to a husband and wife who share a marital bed with a pot-bellied pig, the people in these stories search for meaning while struggling against each other, colliding as the old world around them fractures and dissolves into a modern era full of new uncertainties, where ghosts of loss hang in the air. McInerney's writing has crackling humour and a feverish, clear-sighted brilliance that perfectly underpins the lives of people living in modern America. These stories are deftly constructed, subtle, insightful and heartbreaking. Steeped in history but yet alive in the present - this new collection is a companion to the sweet madness of life

*Model Behavior* Jay McInerney, 2000-03-14 A Great Gatsby for the end of the century. -- The Baltimore Sun Jay McInerney's first novel, *Bright Lights, Big City*, helped bring about a revolution in contemporary fiction in trade paperback. But more importantly, its publication brought us a major writer of great literary talent and incisive perception. In his latest novel, *Model Behavior*, McInerney offers us the portrait of a doubting devotee of the city where vocation, career, and ambition (which only occasionally coincide) run head-on with friendship and love--or merely desire. We see Conor McKnight's well-earned ennui fast becoming anxiety as he tries to protect himself from the harrowing fate that unfolds before his bleary eyes. McInerney is at the peak of his craft in what is sure to become a classic at the end of the century. This edition contains only the novel *Model Behavior*, and not the additional seven stories which were published in the original hardcover.

"*Bright Light, Big City*". "*Losing*" and "*getting lost*" in *postmodern New York* Kira Schneider, 2016-10-17 Bachelor Thesis from the year 2014 in the subject Didactics for the subject English - Literature, Works, grade: 1,0, University of Cologne, language: English, abstract: The success of his debut novel *Bright Lights, Big City* brought Jay McInerney an astonishing amount of media coverage and an equivalent in book sales, but not much approval, let alone deeper analysis of his work, from critics and scholars. In fact, the hype that surrounded him and his fellow "brat-pack" writers is likely to have prevented any serious scholarly interest in this kind of new urban literature back in the day. "*Bright Lights, Big City*" was dismissed as a "yuppie bildungsroman- full of tortured self- searching and struggling- writer romance" (Young/Caveney 1992: 47) at first, without any considerable novelty or value. However, the enthusiasm of the large, young readership showed that there was something to McInerney's novel that other novels did not offer- a setting and a language that were familiar and uncomplicated for them, but, at the same time, an account of relevant, postmodern issues that very well did concern the Bright Young Things of the 80s, but were usually seized in more elitist literature, and thus, eluded an audience that was ready for them to be taken up. This thesis attempts to perform a detailed analysis, starting with a brief description of the historical and cultural features of the setting and then proceeding to the interpretation of all important themes, motifs and symbols of the book in the context of postmodernism but also in general terms. Each chapter investigates the influence of a certain aspect of the protagonist's life on his crisis, especially in how far one or the other led him to a life on the edge and to the loss of the self. In order to understand why, in the end, the protagonist has to "learn everything all over again" (BLBC 174) to get back on the right track, it is essential to point out the roles that Amanda- his opportunist model wife- his job in the fact checking department and the death of his mother played over time, and how drugs and Ray-Ban sunglasses seem to provide temporary solutions for the most acute of his troubles.

*The Juice* Jay McInerney, 2013-05-23 Jay McInerney has written unique, witty, vinous essays for over a decade. Here, with his trademark flair and expertise, McInerney provides a master class in the almost infinite varieties of wine, creating a collage of the people and places that produce it all over the world, from historic past to the often confusing present. Stretching from France and South Africa to Australia and New Zealand, McInerney's tour is a comprehensive and thirst-inducing expedition that explores viticulture, investigates great champagne and delves into a vast array of styles, capturing the passion that so many people feel for the world of wine.

**A Hedonist in the Cellar** Jay McInerney, 2012-05-01 \_\_\_\_\_ 'McInerney's wine judgements are sound, his anecdotes witty, and his literary references impeccable. Not many wine books are good reads; this one is' - New York Times 'A cracking read' - Daily Telegraph 'Personal, enlightening, and above all fun to read' - Michael Broadbent, Master of Wine of Christie's 'Brilliant, witty, comical and often shamelessly candid and provocative' - Robert M. Parker Jr, The Wine Advocate \_\_\_\_\_ WINNER OF THE BEST WINE LITERATURE AWARD, GOURMAND WORLD COOKBOOK AWARDS Jay McInerney, internationally celebrated author of *Bright Lights, Big City*, turns his hand here to his lifelong love affair with wine. Pearls of wisdom are offered on the subjects of the best wine for romantics, the parallels between Californian wines and floundering Hollywood stars, the choice of wine for the author's own debauched forty-eighth birthday party, the 'high-testosterone grape' that is Colin Farrell, absinthe, 'the wild green fairy', and what wine is best drunk with chocolate. At the same time McInerney is a genuine connoisseur, taking the reader on a tour through the wine regions of the world and imparting tried and tested advice on grapes and vintages, bouquets, noses and finishes.

*Bright, Precious Days* Jay McInerney, 2017-05-30 This unforgettable New York story of glamour, sex, ambition, and heartbreak begins in the heady days before the financial crash. Russell and Corrine Calloway seem to be living the dream: a calendar filled with high-society parties; jobs they care about and enjoy; twin children, a boy and a girl whose birth was truly miraculous; a loft in TriBeCa and summers in the Hamptons. But beneath the glossy surfaces, things are simmering. Russell, editor-in-chief of a boutique publisher, has cultural clout but is on the edge financially, and feels compelled to pursue an audacious—and potentially ruinous—opportunity. Meanwhile, Corrine's world is turned upside down when the man with whom she'd had an ill-fated affair in the wake of 9/11 suddenly reappears, and the Calloways find themselves tested more severely than they ever could have imagined. The third book in McInerney's celebrated Calloway trilogy, *Bright, Precious Days* is an aching, extraordinary portrait of a marriage during a period of dizzying change.

*Wine Reads* Jay McInerney, 2018-11-06 "For wine enthusiasts and newcomers alike, a sharp gathering of writing about wine's multidimensional, occasionally subversive pleasures." —Kirkus Reviews In this anthology, Jay McInerney—bestselling novelist, winner of a James Beard MFK Fisher Award for Distinguished Writing, and acclaimed wine columnist for *Town & Country*, *Wall Street Journal*, and *House and Garden*—selects over twenty pieces of memorable fiction and nonfiction about the making, selling, and of course, drinking of fine wine. Including short stories, novel excerpts, memoir, and narrative nonfiction, *Wine Reads* features big names in the trade and literary heavyweights alike. We follow Kermit Lynch to the Northern Rhône in a chapter from his classic *Adventures on the Wine Route*. In an excerpt from *Between Meals*, long-time New Yorker writer A.J. Liebling raises feeding and imbibing on a budget in Paris into something of an art form—and discovers a very good rosé along the way. Michael Dibdin's fictional Venetian detective Aurelio Zen gets a lesson in Barolo, Barbaresco, and Brunello vintages from an eccentric celebrity. In real life, and over half a century ago, Jewish-Czech writer and gourmet Joseph Wechsberg visits the medieval Château d'Yquem to sample different years of the "roi des vins" alongside a French connoisseur who had his first taste of wine at age four. Also showcasing an iconic scene from Rex Pickett's *Sideways* and work by Jancis Robinson, Benjamin Wallace, and McInerney himself, this is an essential volume for any disciple of Bacchus. "There are plenty of bright notes of flavor in this anthology to make it worthy reading, preferably with a glass in hand." —Publishers Weekly
